

Announce Way To Help Drain All 8 Sinus Cavities Without Discomfort

New decongestant tablet for sinus congestion sufferers acts both to drain clogged sinus cavities and relieve distressing head pain

New York, N. Y. (Special) Announcement has been made of a new tablet development which has the remarkable ability to help drain clogged sinus cavities and thus relieve congestion and pressure. The headaches, pressure pains, stuffed-up head, nasal drip, clogged breathing—all the unrelenting symptoms the sinus sufferer knows so well—are attacked directly by improving drainage of the sinus areas.

Most remarkable of all is the fact that this is accomplished with extraordinary speed and without discomfort of any kind. This new tablet does its remarkable work internally, through the blood stream. It deposits into every drop of blood plasma a new medication which is carried to the sinus area, where it

shrinks the swollen doors to the sinus cavities and helps drain away the pain-causing pressure and congestion.

The shrinking substance in this new tablet has been so successful topically in promoting drainage of the sinus cavities that it is now prescribed more widely by doctors than any material for this purpose. This new medication is now available at drug counters without the need for a prescription under the name, *Dristan*® Decongestant Tablets. *Dristan* Tablets cost only 98¢ for a bottle of 24 tablets. Buy and use *Dristan* Tablets with the absolute guarantee that they will drain away pain-causing pressure and congestion of the sinus cavities, relieve the pain and distress, or purchase price will be refunded.

Discovering that one of her brood had been smearing himself with mud in the back yard, an angered mother grabbed the boy by the shoulder and steered him into the basement.

The boy burst into uncontrollable squalling as she closed the door. "Be quiet!" she snapped. "Haven't you ever been spanked before?"

"Spanked?" asked the boy, drying his tears in obvious relief. "Gee, I thought you were going to make me wash!"

The doctor was obviously shocked. The man before him asking for a premarital test was well over 75. Yet he said his bride-to-be was only in her 20s.

"I simply must warn you about this," the

doctor said gravely. "A disparity of that much in ages could be fatal."

The old man took a deep breath and sighed, "Doc, if she dies, she dies."

A youngster dutifully wrote his letter to Santa Claus and, being the unabashed kind, asked for \$100 cash as his Christmas gift. The letter went through various channels, ending up on the desk of the Postmaster General in Washington. Feeling in a Santa Claus mood, the official stuck a five-dollar bill in an envelope and sent it to the youngster. Shortly afterward, he received this reply:

"I see you routed your letter through Washington, Santa, and as usual those guys grabbed their 95 percent."
