

COOKIES

"Apricot Buttons" are rich, delicious little cookies, and so pretty they should be featured for a party.

APRICOT BUTTONS

1-3 cup dried apricots

2-3 cup sugar, 1/2 cup shortening, 1 egg, 1/2 teaspoon vanilla, 1 cup sifted all-purpose flour, 1/2 teaspoon salt.

spatula or with thumb, press a deep dent in center of each. Bake in slow oven (300 degrees) about 30 minutes.

EGGS FLORENTINE

Choose your prettiest shallow casserole and spread 2 cups of chopped cooked spinach over the bottom. Make six depressions in the spinach with the back of a spoon and break an egg into each hollow.

CUTEX

When you brush a colored polish over your fingernails and toenails you probably feel right up to the minute. Actually you are only copying a beauty note from the pages of history as manicuring is one of the oldest of beauty professions—as old as the history of beautiful women.

Other fashions still more fanciful were observed, such as the dyeing of the fingers and toes up to the first joint. Sometimes the complete palms of the hands and the soles of the feet were colored.

persons of lowly rank were permitted only the palest colors. Moving up the social scale, nail shades grew deeper and deeper.

The day was saved, so to speak, when liquid polish, the simplest, safest and most satisfactory means of dressing up the nails was devised.

Further, it comes in a Spillproof bottle that eliminates the danger of ruined clothing, furniture and the like.
