## Owls Set To Open OCC Play

ONTARIO, Oregon (Special) — Northwest Nazarene's point Crusaders rolled to their seventh win of the season here Monday night by whipping the Oregon Technical Institute Owls of Klamath Falls, 85-62 in a non-conference basketball game.

The loss marked the third straight of the Techmen's current road trip and sent them home record bound with a 3-6 season record. OTI dropped two games to Westminster College of Salt Lake City Friday and Saturday nights.

Northwest Nazarene's win over Tech was the third taken from the Owls this year. Earlier in the season, NNC captured two games played at Klamath Falls in convincing fashion, just as was the case here Monday night.

Monday evening's game was close through the first 10 minutes, but at this stage of the contest the Crusaders displayed their power in pulling away from the Owls.

Sparked by little Tom Tracy, the Nazarene's 5-10 playmaker, NNC was never in trouble in the remaining three quarters of play.

Tech managed to knot the score on Northwest Nazarene four times in the first half's opening minutes, but after the count was tied at 16-16, OTI trailed. Tracy's basket from outside the Owl defenses broke open the tie game and put the Crusaders ahead for keeps.

Northwest Nazarene held an 11-point, 43-32 cushion at halftime.

At the start of the second half, Gene Oberg, former Roseburg (Oregon) high school standout, swished two straight field goals through from close in and Bob Peppley pumped home four more goals from the field as the Nampa Crusaders were off and running.

With just about half of the second period gone, the Crusaders were in command 60-39.

Tracy led all scorers with 25 points. OTI's Paul Layher sparked his team with 18. Charlie Wilson and Jim Ramseyer, the Owls' starting guards, each accounted for 10 points.

Oregon Tech now moves into Oregon Collegiate Conference play on their home court this weekend. In games billed for Friday and Saturday nights, the Owls take on favored Portland State College in two games.

Tech has won the conference for the past two years, but Portland State is expected to roll through the OCC season to the championship this season. Eastern Oregon, which plays at Southern Oregon this weekend, is classed as the toughest foe for the Portlanders face in their search for a conference title.

The Eastern coaches picked Dolph Schayes, John (Red) Kerr and Larry Costello of Syracuse, Woody Sauldsberry of Philadelphia and Richie Guerin of New York.

The Western coaches named Jack Twyman of Cincinnati, George Yardley and Dick McGuire of Detroit and Larry Foust and Dick Garmaker of Minneapolis.

## Oscar Gets Held As Cincy Tips Bradley; Iowa Victor

By THE ASSOCIATED PRESS  
It turns out the Cincinnati Bearcats' basketball roster doesn't begin with Oscar and end with Robertson.

The mighty Big O of Cincy had some help last night as he and his mates survived their second Missouri Valley Conference test of the season. With Ralph Davis and Mike Mendenhall, Cincinnati battled through two overtimes to nip the previously unbeaten Bradley Braves, 65-64.

Previously Cincinnati turned back touted St. Louis 57-50 in the Bearcats' Missouri Valley opener. All-America Oscar led the scoring with 28 points (sliding his average to 34.3) but it was Mendenhall's rebounding and Davis' five-point spurge in the second overtime that got the job done.

Together, they also combined for 37 points, with Mendenhall getting 19.  
The Cincinnati-Bradley match

of power was the feature of a Monday college program that had eleven of the nation's top 20 teams in action. Only Bradley (No. 9 in this week's AP poll to No. 7 for Cincinnati), and fifth-ranked Michigan State fell from form.

The Spartans lost a big 10 match to Iowa, 60-68, indicating another topsy-turvy season among the Western Conference schools.

Among the other rated elite, Auburn (No. 6) ran its national leading winning streak to 20, nine this season, 60-47 over Mississippi; fourth-ranked Kansas State fought off Iowa State's rally for a 59-56 Big Eight victory; and eighth-ranked Northwestern stayed even with Illinois (No. 20) in the early Big 10 race with an 83-78 decision over Michigan; 11th-ranked West Virginia swamped Southern Conference Furman 100-66; and 12th-rated Mississippi State whipped Alabama 81-64 in Southeastern Conference play. St. Louis,

No. 14, and Marquette, No. 15, scored romping victories, the Billikens 79-62 over Pitt despite All-America Don Hennon's 30 points, and Marquette, now 11-1, over Chicago Loyola 70-59.

In other MVC games, Houston whipped Tulsa 84-66 as Ted Lucuk-enbill scored 29 points, and Wichita hit 47 per cent in downing North Texas State 65-78.

Clarence Wordlaw had 25 points and Dave Gunther 21 in Iowa's victory over Michigan State that cleared the way for Northwestern and Illinois to assume to Big 10 lead with 2-0 records. Willie Jones hit for 26 for Northwestern and Illinois got 18 apiece from Governor Vaughn and John Wessels in bouncing Wisconsin 77-51. Indiana, with Frank Radovich scoring 27, toppled Purdue 77-69.

Auburn, top challenger to top-ranked Kentucky in the SEC, outclassed Mississippi with a balanced attack led by Henry Hart's 16 points. Mississippi State, its 10-game streak shattered by Auburn Saturday, bounced back to beat Alabama behind Bailey Howell's 26 tallies. Florida surprised LSU 69-63 and Georgia measured Tulane 70-63 in other league games.

## Willie Mays Sounds Warning Of Pirates

NEW YORK (UPI)—Willie Mays says "Look out for those Pittsburgh Pirates!"

Like a growing legion of others, the slugging San Francisco Giants center-fielder feels the Pirates have a good chance to run off with the National League pennant this year.

"Man, they really played great ball last year and all it takes is a little improvement for them to do it," said Mays, relaxing in front of the television set at his home here.

"I think our ball club still needs more pitching," he added. "We lost an awful lotta games we could've won if we just had a little better pitching."

"We finished third and Pittsburgh came from nowhere and every time we played 'em, they looked like world champions to me."

Mays, already in the \$70,000 salary bracket, will remain here until it is time to sign his 1959 contract and then he will return to San Francisco.

"My first year in San Francisco wasn't too bad," he grinned. "I didn't know too many people out there when I first arrived, but it was the same way when I first came to New York. I was getting used to California when the season ended."

Willie batted .347 last season losing the batting crown to Richie Ashburn of the Phillies by only three points, but he says he wasn't the least bit disappointed.

"How can anybody be disappointed hitting .347?" he asked. "I was mighty happy that I did as well as I did."

But he boomed on occasion in San Francisco.

"Didn't bother me a bit," he said. "They booed me at the Polo Grounds too, once in awhile, but I never pay any attention. The people pay their money and they can do what suits them. I don't disturb me."

The only disturbing element Willie did encounter in San Francisco, he said, was the weather.

"It got kinda cold there occasionally," he said, "and you know, I'm a hot weather player."

## Cooper Next Patterson Foe

NEW YORK (UPI) — Heavyweight champion Floyd Patterson has tentatively picked Henry Cooper of England for his next challenger, if Cooper beats Brian London next week.

"Man, they really played great ball last year and all it takes is a little improvement for them to do it," said Mays, relaxing in front of the television set at his home here.

"I think our ball club still needs more pitching," he added. "We lost an awful lotta games we could've won if we just had a little better pitching."

Carty, 6-foot-6 and from China Lake, Calif., also helped the Rooks demolish the backboards. Bob Allord, formerly of OSC, hit 15 for the AAU squad.

The Rooks now have a 2-0 record.

NEW YORK (AP) — The league's most prolific scorer, Bob Pettit, and teammate Cliff Hagan are providing the St. Louis Hawks with the most potent one-two punch in the National Basketball Assn.

Pettit, the former LSU star, remained in first place in the loop's individual scoring race for the fifth straight week. League statistics released today showed he has hiked his total to 941 points for a 28.5 average, a clip exceeding George Mikan's 28.4 record pace set during the 1950-51 campaign.

A couple of notches below in sixth place is Hagan, the former Kentucky ace, who has amassed 764 points (or a 23.2 mark. No other team has two stars so high on the list of top producers.

Trailing Pettit are Paul Arizin of Philadelphia and Elgin Baylor of Minneapolis, locked in a tie for the runner-up spot with 632 points, in figures counting games through Sunday.

Arizin has the edge percentage-wise over the Laker rookie, sporting a 25.2 average to Baylor's 23.3. Next in line are Jack Twyman of Cincinnati, 608 and 23.8 and Detroit's George Yardley, 770 and 22.0.

## Toronto Signs Idaho Lineman

MOSCOW, Idaho (AP) — Pete Johnson, a 20-pound tackle who captained the 1958 Idaho football squad, said Monday he had signed to play football with the Toronto Argonauts of the Canadian Big Four league this year.

Johnson was a draft choice of the Cleveland Browns of the National Football League.

## Comets, Pelicans To Clash

SOUTHERN OREGON CONFERENCE

	W	L	Pct.
Grants Pass	2	0	1.000
Klamath Falls	1	1	.500
Central Point	1	1	.500
Medford	0	1	.000
Ashland	0	1	.000

After seeing an 18-game win streak snapped by the Grants Pass Cavemen here on Friday night, the Klamath Union Pelicans roared back into the win column Saturday night by trouncing the Medford Black Tornado 70-61 on the Medford's home court, thus establishing themselves a definite threat for the balance of the Southern Oregon Conference season.

Their 1-1 mark for league play earned them a second-place tie with the Crater High Comets. Crater dropped Ashland Friday night then stumbled before the Grants Pass quint on Saturday. The victories over Klamath Falls and Crater boosted Grants Pass to the top of the heap.

The Pelicans get an opportunity to dissolve the tie this coming weekend when they host the Craters in Pelican Court Saturday night. There is no action scheduled for the KU quintet on Friday.

Coach Dean White had termed the Whitebird debut in conference play, "one of the most important series we will face — one that could mean a state tournament berth," prior to the Friday meeting with Grants Pass; indicating perhaps that the GP club was to have been the lesser of the two opponents, while unbeaten Medford seemed to be the most probable stumbling block, if there had to be one.

The Cavemen, however, felt differently about the situation and proceeded to deal the Pelicans their lumps in spite of a brand-new, experimental offensive unleashed by the KU squad.

On Saturday, White and the Pelicans shelved the new offense, went back to their old style of ball and smashed the vaunted Medford team, thus salvaging their confidence and getting themselves off to a running start, a day late, for the remainder of conference action.

The Pelicans will face Medford and Grants Pass each three times more before tournament time arrives. They will meet Grants Pass there on January 17 and Medford here on January 23.

Reserved seat tickets to the Klamath Falls-Central Point game Saturday night have been placed on sale at the chamber of commerce, according to KU Athletic Director Jim Johnson.

## Celtics Top Minneapolis

United Press International  
The Boston Celtics can thank the Minneapolis Lakers for their success over the last two seasons in the National Basketball Association.

The Celtics, who won the Eastern Division title last season and currently are running far in front of the New York Knickerbockers, Philadelphia Warriors and Syracuse Nationals, whipped the Lakers for the 14th straight time 118-106, Monday night.

Bob Cousy, who has regained his shooting eye after a slow start, led the Celtics attack with 30 points, while Bill Russell picked up 23. Eighteen points each by Tom Heinsohn and Bill Sharman and 12 by Jim Loscutoff made it a total of 101 by the starting five. The other 17 points were scored by Frank Ramseyer, Lou Tsioropoulos and Sam Jones.

Rookie Elgin Baylor tied Cousy for scoring honors by canning 30 for the Lakers while Larry Foust had 26.

It was the only game played Monday night.

## Aliwar Leads Auction Prices

POMONA, Calif. (AP)—Aliwar, a speedy 4-year-old, brought top price of \$42,000 at an auction disposal of the thoroughbred holdings of the late Harry M. Warner.

James Garibaldi, of Maywood, Calif., got Aliwar after a spirited bidding duel with Travis M. Kerr of Oklahoma City.

Kerr paid the second highest price of the night, \$40,000, for the Broadmore Admiral's Lark, which is in foal to Alibhai.

## Oregon State Turns Back Stanford Tribe

CORVALLIS, Ore. (AP) — A pair of sophomores led an Oregon State offense that buried Stanford 69-56 here Monday night in a Pacific Coast Conference basketball encounter before 4,739 fans.

Jim Woodland, who led the Beavers all the way, and Steve Flynn teamed to put Oregon ahead to stay in the second half after a nip and tuck first period. Flynn, who was on the bench for the first half, started the second period. With OSC leading 29-27, he threw in four field goals in four minutes to give the Beavers a lead they didn't lose again.

Then Woodland, who tied for high scoring honors at 26, netted four field goals in the next four minutes.

Stanford remained in the running through the efforts of Paul Neumann, who tied Woodland for game scoring honors.

Neumann hit on 11 of 16 field goal attempts and scored 16 of his 26 points in the second half. Dick Haga, 6-5 senior, added 13 for the Indians.

Lee Harman scored 15 points for OSC before he fouled out late in the game and Flynn had 10. Coach Stans Gill juggled his starting lineup, adding Ted Miller and Roy Critser, who hit six and four points respectively.

The Beavers sank 23 of 51 field goal attempts for an average of 45.0 compared to 18 of 42 for .429 for the Indians.

Oregon State moves into action again Friday when the Beavers journey to Los Angeles to play Southern California, then remain to play UCLA Saturday.
