New wonder drug cosmetic restores young look to aging skin

You can look younger. The evidence is a matter of medical record — documented by doctors and research scientists, universities, hospitals, clinics. Helena Rubinstein's Ultra Feminine — the first and only wonder drug cosmetic containing both vital female hormones, estrogen and progesterone — actually restores productivity of oil glands and enables cells deep in the skin layers to hold maximum moisture once again! Take advantage of the introductory offer — one jar will convince you!

INTRODUCTORY OFFER

Because Helena Rubinstein believes that Ultra Feminine is her greatest cosmetic achievement, she makes this introductory offer so that you may discover for yourself that you can look younger. One jar will convince you!
