
Staters Cop Win From USC

LOS ANGELES (AP)—It was a magic number—500—and it helped push Oregon State into a three-way tie Saturday for first place in the Pacific Coast Conference basketball race.

Oregon State Friday night knocked off Southern California 61-53, and that was the 500th victory for Slats Gill since he began coaching at OSC 31 years ago.

Gill's record now stands at 500 wins, 351 losses.

The Friday night triumph gave OSC a 2-1 PCC record, and nudged the Beavers into a first place tie with Southern California and California.

Saturday the Beavers stayed in Los Angeles to play UCLA.

The victory over Southern California was doubly sweet, for OSC had bowed to the Trojans last week in Corvallis.

And the Trojans are one of the favorites to win the conference title.

But Friday night Oregon State jumped into a quick 6-0 lead, and built it up slowly to 39-28 before 5,000 stunned fans at halftime.

Southern California rallied though, late in the game. Little Jerry Pimm scored three points and John Werhas drove for a lay-in to chop the OSC lead to 56-53 with three minutes left to play.

The Beavers then, however, went into a semi-stall and blanked the Trojans the rest of the game.

Sophomore Jim Woodland led the Beavers with 19 points, and Steve Flynn and 6-8 Gary Goble dominated the backboards.

Bobcats Triumphant In County Feature

The last unbeaten team among the Klamath County high schools fell by the wayside and the scrap for the lead of the County B basketball league was all tied-up again as the Merrill Huskies fell 35-28 to the Bly Bobcats on the Bly maplewood Friday night.

Merrill, which was maintaining a seven game unbeaten skein and was 4-0 for league action, now shares the lead with the Bobcats who have also won four and lost one.

Malin pounded the Gilchrist Grizzlies 60-25 on the Mustang court to pull into a tie for third place with the Chiloquin Panthers. Both Malin and Chiloquin stand at three-wins and two-losses.

Other action Friday saw the Sacred Heart Trojans hold their position despite a 51-47 victory over the Bonanza Antlers at Bonanza.

In the only non-counter of the night the Chiloquin Panthers measured the Henley Hornets 44-43 on the Chiloquin court.

Chilo. 44, Henley 43

The Hornets almost pulled the game out of the fire as they gained a one point lead, 43-42, with 2:35 remaining on Burrell Gober's three point play but the very determined Panthers charged right to gain their winning margin on Lyle Hall's short jumper.

At the opening whistle the Panthers jumped to an early lead, and held a 15-11 bulge at the end of the first quarter. Chiloquin fast-breaked themselves to a 29-20 lead at the half as pivot man Ron Hoggarth tossed in 11 first half points to lead his team. However, LeRoy Larson, Hornet forward, jumped in 12 counters to lead his team's first half attack.

Henley came charging back at the start of the second half as they tied the game 29-all on a pair of field goals by Ray Jackson, Larson and Phil Swisher, and a free toss by Gober, nowever Chiloquin caught fire and pulled to a 36-31 third quarter lead.

Henley kept within three and four points all the way through the hectic fourth stanza but after Gober's three point play and Hall's winning basket with 2:17 to play the Hornets tried desperately to score but all efforts failed.

In the preliminary contest Floyd Kendall flipped in 23 points to lead the Hornet JV's to a 61-35 win over the Chiloquin JV's.

SHA 51, Bonanza 47

Coach Jerry Kempf's Trojans blasted off to a 19-4 first quarter lead over the Antlers and despite the fact that they warmed up to their jobs before the half was over the margin proved too much for Erv Ellis' squad.

Three Trojans hit in the double figures to withstand the Antler last half surge which was sparked by Bonanzans Gary Dayley and Chet Schooler. The top point producers of the test were SHA's George Hurley and Antler Dayley who hit for 15 each. Tom Amberg of Sacred Heart was next with 13 while Schooler trailed with 12.

After catching up a little in the second period, which ended 29-22 for the Trojans the Antlers moved to within four points midway through the third frame before SHA caught hold again and maintained their nine point spread. The third period ended 41-32.

The Bonanza club hit .300 from the field and 9-15 from the free-throw line while the Trojans notched .400 from the floor and were successful, 15-22 at the charity line.

Bonanza won the JV prelim, 50-25.

Malin 60, Gilchrist 25

Malin had an easy time with the outgunned Grizzlies as coach Bob Croft used his entire bench and tried a number of different combinations in piling up a 60-25 victory.

The Gilchrist crew kept within shooting distance during the first half; the half time measure was 25-15 for Malin, but the 35 point barrage in the last half of the action was more than the Grizzlies could handle.

Mustang Randy Miller regained his shooting eye, topping all the point producers with 13. The Gilchrist quintet was paced by guard Harold Simmons with 12 points, a total that was matched by Malin's Harry Wilson. Running fourth in the scoring was Mustang Rick Illian with 11. With the exception of two men each Mustang broke into the point column. The Mustangs fired at a .350 clip from the field and .630 from the free throw line. Gilchrist hit .290 from the charity stripe.

Bly 35, Merrill 28

The first and third place men in the County B scoring race were held to virtual standstills in one of the toughest defensive displays seen in league play to date as Al Samples' Bobcats extended their home-court jinx over the Huskies with a last minute surge to win 35-28.

Bobcat ace Jerry Patzke, who has been counting at a 24 point per game clip, picked up only seven tallies, while Bruce Brickner, the 6-5 sophomore center for Merrill, was way below his 12.6 average with two tallies, both free throws.

The Huskies, who were led by coach Jerry Groenevelle in the absence of Al Keck, couldn't buy a bucket in the early part of the first quarter. Bly got off to a 4-0 bulge, managed a 10-7 lead at the end of the first period then stayed from one to three points ahead all the way, except for a seven second, one-point Merrill lead midway through the third quarter.

At this point however a pair of buckets by Patzke and Jerry Henderson regained the Bly command. The longest lead of the game was the seven point stretch at the very end of the contest. The halftime count was 16-14 for Bly.

The big gun for the night was Jim Patzke who broke loose for 14 points, all from the field. Bobcat Carson Chase trailed him with eight while Jerry Patzke and Bud Maupin were next with seven each.

Ace Nabs Nod Over Ed Dixon

NEW YORK (AP)—Eddie Dixon, the fighting cop, is due back on the beat Saturday in Newark, N.J. If he takes the advice of Gene (Ace) Armstrong, he'll stay there.

Armstrong, a unanimous decision winner over Dixon Friday night, wasn't talking about his opponent's ability as a fighter. His advice was strictly financial.

"If this guy doesn't get any more fights than I do," he said. "Please, tell him to stay a cop. At least you get a regular pay day."

Although Armstrong has won 16 straight and still is unbeaten, he had only two fights all last year. He gets by because he has a side job stacking bottles for a gin company.

Jack Barrett, the Madison Square Garden matchmaker, said he will try to pair the Elizabeth, N.J. boxer with Gene Fullmer, Joey Giardello or Spider Webb. Armstrong and his manager, Willie Robinson, will be most happy if he does.

"In a couple of days, I'll know better," said Dixon after the fight when asked if he made up his mind between fighting or a police career. "A man needs a couple of days to think."

"It has to be one or the other," said his manager, Bobby Nelson. The police director of Newark, Joseph F. Weldon, couldn't agree more.

Weldon advised Dixon last week that department regulations forbid a man from holding two jobs. Dixon first told Weldon he wanted to be a cop and then said he felt he had an obligation to live up to his contract for the fight.

Weldon has refused to say what disciplinary action, if any, might be taken.

Dixon, 160¾, had a weight edge on Armstrong, 155½. He got about $5,000 for the fight compared to his police annual salary of $4,600.

All three officials had Armstrong an easy winner. Referee Ruby Goldstein scored it 7-2-1, Judge Tony Castellano 8-1-1 and Judge Joe Agnello 7-3. The AP card also was 7-3 for Armstrong.

Linfield, Cats Sweep Games

By THE ASSOCIATED PRESS

Linfield and Willamette Saturday were a big stride toward another Northwest Conference championship—an honor they shared as co-titlists last season.

And one of the early favorites—College of Idaho—still was looking for its first triumph.

Linfield ran its conference record to 2-0 Friday night at McMinnville by nicking Whitman 79-68 behind the 24-points of little Jack Riley.

And at Salem, Willamette rolled to a 70 - 57 triumph over College of Idaho, an early favorite and now winless at 0-2.

The third conference game Friday night saw Lewis and Clark trip Pacific 67-54 in Portland in the first conference game of the season for both teams.

Riley again was the spark for Linfield Friday night, and his field goal brought the Wildcats int oa 24-23 lead they never lost.

Whitman's Max Johnson got 32 points.

Larry Lynn also sank a crucial field goal that brought Willamette ahead to stay at 41-40. But the game's top scorer was C of I's Bob Moreno, who scored 21 before being ejected from the game.

SEATTLE (AP) — The powerful University of Oregon wrestling team tromped the University of Washington Friday night, 32-0. The visitors swept all matches.

Southern Cal Plans To Appeal Decision

CINCINNATI (UPI) — The National Collegiate Athletic Association, after strengthening its enforcement program Friday, considered Saturday an appeal from the University of Southern California against penalties imposed for athletic recruiting abuses.

USC's President Norman Topping sent a long telegram to the NCAA deliberations here Friday night, seeking reconsideration of "the unnecessarily heavy sanctions imposed by the previous council."

The new NCAA president, H.J. Dorricott, said as soon as it is received it will be brought to the attention of the NCAA officers and the council.

Several days ago the NCAA slapped a two-year championship sports ban on Southern Cal for alleged recruiting irregularities. Topping's wire complains on four major counts: that the penalties are severe compared to the minor infractions; that the NCAA denied a request for delay until April in punitive action; that there was insufficient time to examine and respond to the evidence received January 5; and that the NCAA apparently gave no consideration to USC's action to comply with the code since September of last year.

In a long day of business, the NCAA:

—Tightened rules against "red shirting," or stretching an athlete's eligibility by keeping him out of school for a period of time. The new rule: "An athlete must complete his seasons of participation within 10 semesters or 15 quarters of residence from the beginning of the semester or quarter in which he first registered." Armed forces and church mission time-outs do not count.

—Elected the youngest president in its history, 45-year old H. J. Dorricott, assistant to the president at Western State College in Colorado. He succeeds Dr. Frank Gardner of Drake University.

—Made it unethical for college athletic officials to get pay for scouting players for professional sports.

—Approved an amendment prohibiting any member institution from making contact with other schools' athletes without permission of that institution's athletic director.

—Elected Brig. Gen. Robert R. Neyland of the University of Tennessee as a member-at-large and chairman of the NCAA Football Rules Committee. Neyland replaces Fritz Crisler of the University of Michigan.

—Established a national collegiate soccer championship.

—Approved an amendment requiring colleges to give the student athlete written statements of the amount, duration, condition, and terms of grants-in-aid.

Tacoma Eyes PCL Franchise

TACOMA (AP) — City officials, civic and business leaders met Friday to study the steps necessary if the city of Tacoma desires to obtain a coast league baseball franchise.

On hand to advise the officials were Clyde Perkins, executive vice president of the Portland Beavers, and Dewey Soriano, former Seattle Rainier general manager.

The study was prompted by the fact that the Sacramento franchise may become available. Fred David, president of the Solons, is expected to announce his decision on the club's future on Jan. 20.

Pierce County and city officials are expected to discuss possible remodeling of Cheney Field soon with Ben Cheney, owner of the park. It has been suggested the field might be suitable for PCL baseball.

Minors Working For Fans

CHICAGO (AP) — Assured of sufficient major league backing, the minor baseball leagues Friday announced a super-market advertising campaign to bolster lagging attendance.

"It's Fun To Be A Fan" will be the theme of the campaign which calls for widespread use of posters, billboards and radio and television interviews with major league stars.

That and the fact that the majors will back 20 minor leagues for the 1959 season is expected to give the lower leagues a much needed shot in the arm.

The minors operated with 24 leagues last season. At least 20 will be operating this year with three others seeking a little more help to remain intact.

Looking for aid are the class C Arizona-New Mexico and California leagues and the class D Georgia-Florida League.

"I would say we have helped minor league baseball here today," said George M. Trautman, president of the National Assn. of Professional Baseball Leagues, after a three hour meeting of minor presidents and major league farm directors.

The minors announced promotional program was approved by the major league's committee to aid the minors which has a $500,000 working fund. The financial committee will put up money from the $500,000 for selling the game to the public.

Trautman was critical over the television situation.

"We have always been and still are not in sympathy with Sunday television network games," he said. "The thinking is joined with all the league presidents and club owners we have. Sunday afternoon baseball is the minor league's payday."

Representatives of both the majors and minors also discussed new legislation and working rules which will be presented to the fall meeting in St. Petersburg, Fla., Dec. 1, 1959.

Victory Clubs Slate Action

Eight teams of Victory League basketball players, boys of high school age not playing on a school team, have noted their intention of entering the 1959 league action, it was reported by Bob Bonney, Klamath Falls Park and Recreation director. This season marks the 15th anniversary of the association.

At a league meeting held Wednesday at KUHS the league participants chose Monday and Thursday as the playing dates. All games will be played in the Mills School gym.

The group also set Wednesday, January 14, as the deadline for additional teams wishing to join the league. Play will start Monday, January 19.

Teams or individuals interested in joining are requested to contact Shocky Hungate for the necessary forms.

It was noted that only three of the eight teams now entered have sponsors. They are: Farmer's Sand & Gravel, DeMolay Blue and DeMolay Gold.

Ernie Banks Signs Cub Pact

CHICAGO (AP) — Ernie Banks, the slender Chicago Cubs shortstop who led both leagues in home runs and runs batted in, signed his 1959 contract Friday for an estimated $40,000.

Terms were not disclosed but Vice President John Holland said Banks received a nice increase. Banks, who batted .313, hit 47 homers and drove in 129 runs, said he was very satisfied with the contract.

KU Matmen Trip Valley Wrestlers

The Klamath Union varsity wrestling team, like the Pelican cage squad, did their bit to help assuage the feelings of the KU gridders who were clobbered by the Medford Black Tornado last fall, as they swarmed over the Medford matmen 49-6 on Pelican Court Friday afternoon.

Following Milo Crumrine's victory in the opener by forfeit, the Pel grapplers pinned seven of the Medfordites in the remaining 12 matches.

Medford won only two bouts, each of those by decisions. The victory is another in the unbeaten season to date for the Pelicans.

State Champion Lyle McFarland set the shoulder-pinning trend of the day when he nailed Medford's Chambers easily in the third contest of the afternoon.

Other KU muscle benders to follow his example were Ray Johnson, Larry Bender, Glynn Michaels, Bill O'Neill (who substituted for Steve Schultz who showed up with the measles), Larry Alexander and Larry Badorek.

The Pel Jayvees also collected a triumph as they trimmed the "Little Wind" 55-39. Juniors scoring pins were Milo Crumrine, Warren Olson, Trenton Douglas, Gary Boling, Dan Ross, Larry Wishart and Duane Fitzsimmons. Winning by decisions were Fred Tracy, Bob Petersen, Dave Gonzales, Bob Addington and Joe Cox.

Hoopster Stops Basketball Game

NEW BRUNSWICK, N.J. (AP) —Joe Schenck stopped a basketball game, literally, all by his lonesome Friday night.

The 19-year-old player lunged his 6-foot-6 frame toward the basket for a shove shot. He ripped the basket from its moorings, shattered the glass backboard which fell in a shower on several teammates, and ended the game. It was a city recreation contest.
