WALL STREET

NEW YORK (AP)—The stock market turned mixed late this afternoon after a vigorous start. Trading slackened.

Volume for the day was estimated at 4,000,000 shares compared with 4,760,000 on Friday.

Gains and losses of key stocks were mostly from fractions to about a point.

The market was moderately higher at the start with the ticker tape late for a 42-minute period, falling four minutes behind transactions at worst.

Profit taking nipped the early drive toward another record high.

Early gains by motors were mostly canceled. Steels became irregular following initial gains. American Telephone converted a fractional gain to a small loss.

Selected issues made some good gains. Inland Steel was ahead about 4 and Acme Steel more than 2. Gains of around a point were held by Woolworth, Phelps Dodge, Anaconda, Merck and American Tobacco.

Among fractional gainers were Pfizer, U.S. Rubber, Radio Corp., American Smelting, Union Carbide, General Electric, Southern Pacific, Pan American World Airways and U.S. Gypsum.

Down about a point were Goodyear, Eastman Kodak, Du Pont New York Central and Baltimore & Ohio.

Fractionally lower were Jones & Laughlin, Boeing, International Nickel, Royal Dutch and Standard Oil of Indiana.

U.S. government bonds eased slightly.

CARDINAL PRAISES TV

PARIS (UPI) — Maurice Cardinal Feltin, archbishop of Paris, praised television Sunday for its power to keep families home at night. In a special Mass in Notre Dame Cathedral, the cardinal said, "this little screen keeps many to the family hearth who would otherwise be tempted to look for distractions outside the home."

County Farm Bureau Hears Legislative Discussion

Klamath County Representatives John Kerbow and Carl Yancey, present for a meeting of the Klamath County Farm Bureau, took part in an informal discussion on probable legislative action in this session of the Oregon State Legislature. Sen. Harry Boivin was not present. Kerbow and Yancey were introduced by Wilbur Robinette, Henley, program chairman.

Kerbow, who serves on the house committees for taxes and education, spoke of pending legislation in these fields, stating that legislation will probably be introduced by the Klamath County legislative team in the session, on behalf of needed OTI appropriations.

Yancey, reviewing some aspects of a sales tax, stated he believed it to be necessary for any group favoring such a tax, to make it clear as to whether it was being supported as an additional tax or as an offset to income tax. Collection costs of a sales tax, Yancey pointed out, is as high as 19 per cent in one state.

The need for increased taxes to meet the new state budget has not yet been determined, the two legislators stated. Both Kerbow and Yancey welcome letters from constituents expressing views on legislation. Both said that in the past there has been a dirth of suggestions and ideas which could assist in making decisions of benefit to the community they serve.

County Farm Bureau President Lloyd Hankins reported on his trip to the American Farm Bureau Convention in Boston in December. On a stopover in New York State, and Michigan, Hankins had an opportunity to observe a new approach to farm bureau organization in those two states.

Rather than organize centers, counties form community study groups on specific issues and these study groups help formulate policy at the local level.

Hankins is a past member of the state Farm Bureau board of directors, and was selected and sponsored by the Oregon Farm Bureau as one of five outstanding county presidents to attend the American Farm Bureau convention and study methods of farm bureaus in other states.

Crater Lake Ski Slope Open Now

The ski slope at Union Creek, west of Crater Lake, is open for skiing, Forest Ranger Rex Resler reported.

Some new area has been prepared for skiing and the ski tow will be operated on weekends by the Prospect Ski Club, which has the entire area under permit from the Rogue River National Forest. A charge is made by the club for rides on the ski tow.

Resler also stated that no sleds, toboggans or sliding devices, other than skis are permitted for use on the area. Several serious accidents and one fatal accident from sleds occurred last year.

The ski club plans to construct a class C ski jump and warming hut if their ski tow operation is successful.

A supervised area in some other location for people interested in using toboggans and sleds might be prepared, Resler stated, if an organized group wishes to undertake the project.

Accident frequency is seven times higher for tobogganing than skiing, according to Resler, and accidents are more serious.

Two Burglaries Interest Police

City police were called in to investigate two burglaries Monday morning: one at the Tower Furniture Company, 1204 Main Street, the other at the Coca-Cola Bottling plant, 105 North Spring Street.

Manager Gerald Bercovitz of Tower Furniture told officers that the intruders had taken about $250 from an unlocked safe, the cash compartment of which had been broken open. The incident occurred between 5:40 p.m. Saturday and 8:50 a.m. Monday.

Nothing was missing at the Coca-Cola plant, Everett Ball, manager, told police. The entry there also occurred sometime between Saturday night and Monday morning.

HIGH SCORE

High score for women at the Lost River Grange public card party on Friday night was won by Sally Williams and second by Violet Messner. Ernie Geinger was high in the men's division and Leon Crapo, second. Pinochle saw Wilma Angus first and Mrs. O. Campbell, second. The next public card party sponsored by the Lost River Grange will be Friday night, January 23, at 8 o'clock at the Olene Grange Hall.

Auto Wreck Injures Pair

Two Beaver Marsh men were taken to Klamath Valley Hospital early Monday morning after the car in which they were riding crashed into the rock bank two miles south of Modoc Point on Highway 97 after having struck a large rock.

Allen K. Coddington, 34, was driving the southbound car when it ran into the rock which had rolled off the hillside into the middle of the southbound traffic lane. The rock, some five feet long, three feet wide and one foot thick, so severely damaged the steering and braking mechanism of the vehicle that Coddington was unable to stop or to turn.

Completely out of control, the car went 245 feet before finally crashing into the rock bank on the left side of the highway.

Coddington sustained probable fractures of the right wrist and leg. His passenger, Raymond Rogers, 54, suffered numerous lacerations including a severe neck wound. Another passenger, James Fourtner, also of Beaver Marsh, was uninjured.

Coddington was brought to Klamath Falls by Peace Ambulance. Rogers was brought in by a passerby. Both were reportedly doing well late Monday morning.

Mark Warns Of Disability

SALEM (AP)—Gov. Mark Hatfield told the Legislature today it should do something about providing for a successor to the governor in event of the latter's physical or mental disability.

"My proposal," he said, "would be that the chief justice of the Supreme Court be empowered to call a conference consisting of himself as chairman, and including the superintendent of the State Hospital at Salem and the dean of the University of Oregon Medical School.

"These three individuals could, by secret and unanimous ballot, declare a disability to exist at which time succession would proceed in the established constitutional manner."

Hatfield said that when Congress had difficulties trying to find a way for the vice president to take over in case of the president's disability, Hatfield realized Oregon has no provision for running the governor's office when the governor is disabled.

Newest Answer To Lend-Lease

BIRMINGHAM, England (UPI)—Rennie Thomas, 47, sought new ways to raise a loan today after a dozen pawnbrokers declined to lend him $56 with his wife as security.

Mrs. Thomas, 41, the mother of four children, said she had planned to repay the loan by cooking, washing, and cleaning for the pawnbroker. She said the idea was as much hers as her husband's.

City Resident Since 1876 Dies After Long Illness

Funeral services for Mrs. Marion (Amelia) Hanks, 85, who had lived in Klamath Falls since 1876, will be held in O'Hair's Memorial Chapel Tuesday, January 13.

MRS. AMELIA HANKS

at 2 p.m. Mrs. Hanks died at her home, 133 Pine Street, on January 10.

She was a native of St. Louis, Missouri, born November 3, 1873. Her death followed an illness of several months. Final rites and interment will be in the family plot in Linkville Cemetery. The Rev. Robert Groves will officiate.

Her parents were Mr. and Mrs. Otto Ernest Heidrich and her father operated a blacksmith shop near where the present West Side Grocery is located. She was a member of the First Presbyterian Church, Klamath Falls, and one of two remaining first members of the church. She was a longtime member and past matron of Aloha Chapter, No. 61, Order of the Eastern Star, a member of the Past Matrons Club OES, and of the Art Needlework Club, one of the oldest organized clubs in the county. Her husband died in 1934. Until he retired he owned and operated a hardware store here.

Survivors include two daughters, Mrs. E. L. (Ferne) Miner, and Mrs. D. N. (Eva) Clemens, both of Klamath Falls; a brother, Curtis Heidrich Sr., this city; two nieces, Kathleen Malloy of Salem, Mrs. Burrell Webb of Portland; five nephews, Pat Malloy of Klamath Falls, Marion Heidrich of Oakridge, Curtis Heidrich Jr., Redding, William Heidrich, Eugene, and Gary Heidrich of Vancouver, Washington.

O'Hair's Memorial Chapel is in charge of arrangements.

Member Of Pioneer Family Dies After Short Illness

Funeral services for George Maston Miller, 91, who died January 9 following a short illness, will be held at 10 a.m. Tuesday, January 13, from the chapel of Ward's Klamath Funeral Home with the Rev. Silas Jones of the Assembly of God officiating. Mr. Miller had been a resident here for 20 years.

GEORGE M. MILLER

His parents, Mr. and Mrs. George S. Miller, settled in the Willamette Valley near Salem after crossing the plains by wagon train, then came to the Klamath country before the Modoc Indian War. Mr. Miller was a native of Salem, born January 5, 1868.

His father was a friend of Captain Jack, Modoc chief, sentenced to death after the war, who pulled a string of beads from his neck and threw them to his friend before the trap was sprung. The family moved back to the Willamette Valley when young George was 10 and he did not return to this community until 1937 when he went into farming. In the years between Mr. Miller farmed in California, and filed saws for a logging camp.

Survivors include his sons, B. E. Miller, this city, Byron Miller, Los Angeles, Alton Miller, Canby, Minnesota, Fielding Miller, Astoria, and George S. Miller of Portland; daughters, Mrs. Verena Felker, Seattle, and Mrs. Winona Urell of Redmond; also nine grandchildren and three great-grandchildren.

4-H Leaders Meeting Set

A 4-H Leader Training Meeting will be held in Joan's Kitchen at the fairgrounds on January 15 at 10:30 a.m. All 4-H leaders, parents, and others interested are invited to attend. There will be a general discussion of 4-H home economics projects and special emphasis on vegetable cookery and simple clothing construction methods. Bring a sack lunch. For further information contact the 4-H Club office, P.O. Box 231, Klamath Falls or call TU 4-8151.

Red Bluff Livestock Market Prepares For Initial Sale

RED BLUFF—In a feverish last minute rush during which workers are greatly handicapped by incessant rains, the new modern $250,000 Red Bluff livestock auction market located 11 miles north of the famous Northern California cow town, is being readied for the initial sale scheduled to start at noon Tuesday, January 13.

John Weldon, construction chief for Redding contractor John Trisdale, said today that despite difficulties the plant will definitely be sufficiently completed to handle the consignment of more than 1,200 head of sale cattle which branch manager Ell Peek and his assistants have received from cattlemen operating throughout all Northern California, Southern Oregon and Nevada.

Weldon said too, that the sale pavilion including the dining hall, rest rooms, lobby, office and sale ring would be ready. He added that the hydraulic gates are now being installed and a Thursday check out had indicated that they would be ready for use.

In the meantime, the Valley Livestock Marketing Association officials of Stockton, of which the Red Bluff yard is a branch, are completing plans for a limited program to precede Tuesday's sale scheduled for 12:30. Arch Bathurst assistant manager, announced that H. C. (Bud) Jackson, manager of the California Farm Bureau Livestock Marketing Association at Visalia, the largest livestock marketing association on the West Coast, is scheduled to make a few preliminary remarks at noon.

Jackson will be introduced by L. W. Feldmiller, general manager of the Valley who will also express the appreciation of his organization for the fine cooperation given the new facility by hundreds of Northern California livestock producers.

Bathurst also stated that the State Division of Highways was revamping access and egress to the old concrete Highway 99 so as to aid in an orderly flow of the hundreds of vehicles expected on sale day.

He said also that the Tehama County Road Department was installing scotch-lite road signs indicating the turnoff to the new auction yard road on both the north and south approaches and opposite the new county road.

Negro Takes Board Post

HOUSTON (AP)—A Negro housewife takes her place on the Houston School Board tonight, the first Negro elected to public office here since Reconstruction days.

Mrs. Charles E. White, wife of an optometrist, will be sworn in on the new board composed of four women and three men.

She polled some 36,000 votes to about 29,000 for the white incumbent, Dr. John Glen, in an election last November.

Houston, the largest school system still segregated in the South, has about 160,000 students enrolled.

Mrs. White, who had the backing of liberal factions, advocates peaceful integration of public schools.

Federal Court Judge Ben C. Connally in October, 1957, ordered the school district to integrate "with all deliberate speed."

Senator Shuns Red Forecast

WASHINGTON (UPI) — Sen. Alexander Wiley (R-Wis.) today labeled as "wishful thinking" Soviet Deputy Premier Anastas Mikoyan's prediction that socialism was "inevitable" in the United States.

"Socialism will go down — not freedom," Wiley said.

Mikoyan made his forecast in a speech in Chicago last week.

Wiley, the top-ranking Republican on the Senate Foreign Relations Committee, said socialism "subordinates the individual to the state, or to an autocratic group."

He said that by repressing freedom, the Communist nations were "creating 'human atomic bombs'—with unpredictable time fuses—that may one day explode and blow the leaders off their dictatorial thrones."

Guard Assumes Sailor Drowned

ASTORIA, Ore. (AP) — The Coast Guard says a seaman apparently drowned after vanishing from a freighter making its way up the Columbia River.

The man was Allen G. Sampert of Portland, an electrician aboard the Hawaiian Fisherman.

The Coast Guard said that Sampert vanished shortly after someone cut the ship's power.

Ship personnel later found his slippers in a passageway and his hat on the fantail, the Coast Guard said.

The vessel at the time was en route from Eureka, Calif., to Portland.

Yule Clearing Bureau Gets High Rating

Capt. Lewis Kendoll of the Salvation Army reported to members of the Inter-Agency Council on the successful functioning of the 1958 Christmas Clearing Bureau. Captain Kendoll was responsible for receiving calls for Christmas cheer prior to Christmas and for calls from those organizations and individuals who offered help.

In the statistical breakdown there were: 210 applicants for assistance, involving 922 individuals; 28 groups using the bureau as a clearing house including the Salvation Army, Moose Lodge, National Guard Wives Club, Carpenters Union, Peace Memorial Church, Kingsley Field, Rainbow Girls, Boy Scout Troop No. 8, Eagles Lodge, Elks Lodge, Mrs. Harold Girly Auxiliary, American Legion Auxiliary, Blue Birds, Sons of Norway Lodge, Seventh-day Adventist Church, WAABI (Tavern Owners Wives).

Beta Sigma Phi, Venture Club, Job's Daughters, Janitors Club (KUHS), Suburban Fire Department, Licensed Practical Nurses, Jaycees, Moose Lodge, Klamath Temple, Y's Men, Free Methodist Church, Jaycee Girls, OTI Faculty Wives, Cub Pack No. 4, and the Klamath Falls Garden Club.

A total of 176 Christmas dinner baskets and 530 toys were distributed.

Suggestions were made for improving the program this year.

The business meeting followed installation of the 1959 officers: Bob Bonney, president; Wilbur Womer, vice president, and Lillian Hoffman, secretary-treasurer.

Career Post In Havana

WASHINGTON (AP) — The next United States ambassador to Cuba probably will be a career diplomat, diplomatic sources indicated today.

Earl E. T. Smith, who had been in disfavor with Fidel Castro's revolutionary movement, resigned Saturday as American ambassador to Cuba.

The resignation came unexpectedly, only a few days after Smith had returned to Havana from a series of State Department consultations here.

President Eisenhower expressed regret in accepting the resignation. He did not say when he would name Smith's successor.

Castro had accused Smith of working with ousted Cuban Dictator Fulgencio Batista, but Washington officials had denied the charge.

The United States recognized the new provisional government in Havana a week after Batista's overthrow.
