Bob Says -

**YOUR WATCH
TELLS MORE
THAN TIME!**

Watches, like clothes, "make the man" (or woman). At work, at play, at new leisure-time activities. And well-dressed people tend more and more to fit the watch to the occasion. We are now exhibiting a wonderful choice of new jeweled-lever Swiss watches precisely suited to your every need. Slender and elegant dress watches, streamlined sports watches... watches that perform astonishing feats of timing, measuring - or winding themselves with the gentlest action of your wrist. You'll find a full selection of leading watch makes.
