

HEADLINERS at the April 18, 1959, show to be presented by the Klamath Falls Society for the Preservation and Encouragement of Barbershop Singing in America, will be the Bay Town Four of San Francisco, champions of the Far Western District. This year's musical entertainment is expected to outshine any previous appearance of the best barbershop talent in the West. The Bay Town Four, left to right, Don McDaniel, baritone; Fred Anderson, bass; lower row, same order, Dave Baughman, tenor, and Dick Saylor, lead.

Jaycees Seek Young Farmer

KLAMATH AGENCY — Any person in the community who knows of an area-outstanding young farmer is asked by the Klamath Reservation Junior Chamber of Commerce to nominate him for possible awards and recognition as the Jaycee — sponsored Outstanding Young Farmer project is underway. Anyone having a possible candidate should consult project chairman Gordon Givan in Beatty or any Jaycee member.

The farmer search is aimed at honoring the community's agriculturalists who have made exceptional career progress without neglecting good conservation practices or responsible roles in community life. Jaycees also hope that a better understanding of the farmer and his problems will result, and that more young people will become interested in farming as a lifetime career.

Merrill Aux Holds Meet

MERRILL — Committee reports were heard by 14 members of the Merrill VFW Auxiliary during a business meeting January 7, at the Merrill VFW Hall.

A board of trustees report made by Virginia Lampkins related that all auxiliary books had been audited to date. Margaret Moore reported that Christmas gifts had been sent to the auxiliary's "adopted" veteran living at Camp White.

The painting of the VFW Hall kitchen was reported to be progressing satisfactorily by Ida Fleck and Myrtle Rippey. Other reports on the final Lions Club dinner and the skating rink were also heard.

Marian Knox, auxiliary president, submitted for consideration her resignation as president. The resignation was prompted by her moving from Merrill to Lakeview in the near future.

The next meeting, scheduled for Wednesday, January 14, will be the "dress up" party.

Awards Meal Scheduled

KLAMATH AGENCY — The Klamath Reservation Jaycees will hold their fourth annual awards banquet on January 24 at the Masonic Hall in Chiloquin.

Among the awards to be presented that evening are the Distinguished Service Award to an outstanding local young man between the ages of 21 and 36; the Outstanding Young Farmer Award, also to a young man from 21 to 36; the Senior Citizen Award presented by the local PTA; and the Key Man Award to the outstanding Jaycee member chosen by the president.

Main speaker of the evening will be County Judge Charles Mack of Klamath Falls and emcee for the affair will be National Director O. W. "Corky" Corbett of Burns.

The menu will be crab prepared by the ladies of the Eastern Star. The banquet is open to the public, but only a limited number of tickets are available. Tickets are \$2 each and can be obtained from any Jaycee member or from Kircher's Hardware Store on Main Street in Chiloquin.

December Said Mild

MOUNT SHASTA — Southern Siskiyou County experienced its warmest December in nine years, and the second warmest in 96 years, Frank Asbell of the Mount Shasta Weather Bureau stated in summarizing last month's weather.

The average daily temperature in Mount Shasta was 43.1 degrees or 8.4 degrees above normal. Unusual highs were recorded during the first week of December with top temperatures of 72 degrees in Mount Shasta and McCleod and 70 in Dunsmuir.

Readings dipped toward the end of the month with 22 degrees at Mount Shasta on December 22 and 18 degrees in Weed on the morning of December 23. On December 28 and 29, the mercury slid to 12 degrees at the Mt. Shasta Ski Bowl.

Less than half of the normal moisture was recorded during December, all of it after mid-month. The storm beginning December 20 which broke the prolonged dry spell brought 2.39 inches of rain to Mount Shasta bringing the seasonal total to 6.88, about half the normal 12.91.

The last week's storms, not yet summarized, have obliterated the seasonal moisture shortage. Asbell concluded.
