NEW YORK (NEA) — Girls, they're going to let us look like women for a change. Empire or not, we've got our waistslines back and curves are apparent again. Most New York designers show the Empire line in modified versions for resort wear. This means the line is indicated but not exaggerated. It also means that dresses handled in this fashion are highly wearable, as dresses should be.

This Empire look is achieved in many ways: With thin lacings above the midriff; with curved belts, bands and buttons.

While the silhouette remains slim it is also rounded, which is to say curvy. And high, sculptured bodices are used in combination with beautiful necklines. The waistline is well-defined in these Empire sheath dresses.

Part of this new and daring movement in the direction of letting women look like women is a tendency to colors that are flattering rather than shocking. Soft greens, turquoise, a whole family of creamy beiges, and citrus yellow are all intended to do the most for sun-kissed skins.

Many thin, textured fabrics play an important role in these resort collections. There are lightweight wool knits, slubbed silks, nubby wool tweeds, soft silk-and-wool blends and vivid printed silks.

Nestle Promotion

Nestle's EverReady Cocoa and marshmallows are a natural combination and Kraft's new regular size marshmallows dissolve so readily and make such a good topping.

Nestle's is offering a 25 cent cash refund if you mail the word EverReady from the front label of a pack of Nestle's EverReady and one label from any brand of marshmallows or marshmallow creme to The Nestle Company, Inc., Box 4-D, Mt. Vernon 10, New York.

Nestle's Nescafe (Instant Coffee) has a special price and Nestle's Nestea (Instant Tea) offers a refund of 25 cents for returning the innerseal from the top of one jar of new Nestea Instant Tea.

Here is Nestle's recipe for a heavenly milk chocolate-marshmallow treat:

KING MALLOWES
Break 2 Nestle's King Size bars of Milk, Almond or Crunch into pieces. Place over hot (not boiling) water until bars just begin to melt. Remove from heat and stir until completely melted.

Spread one-half of the melted chocolate into a lightly greased 8x8x2-inch pan.

Sprinkle 2 cups miniature marshmallows over the chocolate in the pan. Press down slightly. Spread the remaining chocolate over the marshmallows.

Chill at least one hour before serving. Yield: approximately 1 1/2 pounds.

CURIOSITY AND COOKS
Curiosity is an essential quality for a good cook. She reads cook books because she is curious. Curiosity makes her try new recipes. And cook books make about the finest reading available.

TEA LORE
The Chinese have one kind of tea to stimulate conversation, another kind to drink while playing chess, one to cure a cold, another to inspire poetry reading — but they believe all tea must be made with freshly boiling water. If the water boils too long, the tea will taste flat.

COTTON KNITS
Cotton knits are making a strong bid for resort wear with really stepped-up styling that gives cotton knits new fashion standing. One and two-piece dresses are seen in increasing numbers.

KITCHEN COMFORT
New dish towels made of terry cloth toweling save on ironing and are now available in shades and patterns to match your kitchen decor.

FIG MUFFINS
Simmer 1 cup cut-up dried figs with 1/2 cup orange juice. Cool slightly. Fill muffin pans with bran muffin batter and spoon the fig mixture on top of each, pressing down slightly in center. Bake as usual and serve piping hot.

CROUTONS
Soup croutons from leftover bread: spread slices of partly stale bread with butter, sprinkle with your favorite herb and just a trace of curry; broil until lightly brown; cut into 1/4 or 1/2-inch squares and let become thoroughly crisp and dry before serving.

FROZEN FOODS
When buying frozen broccoli, you'll probably get a larger proportion of the head in a packed of "chopped broccoli spears" than in one marked "chopped broccoli."

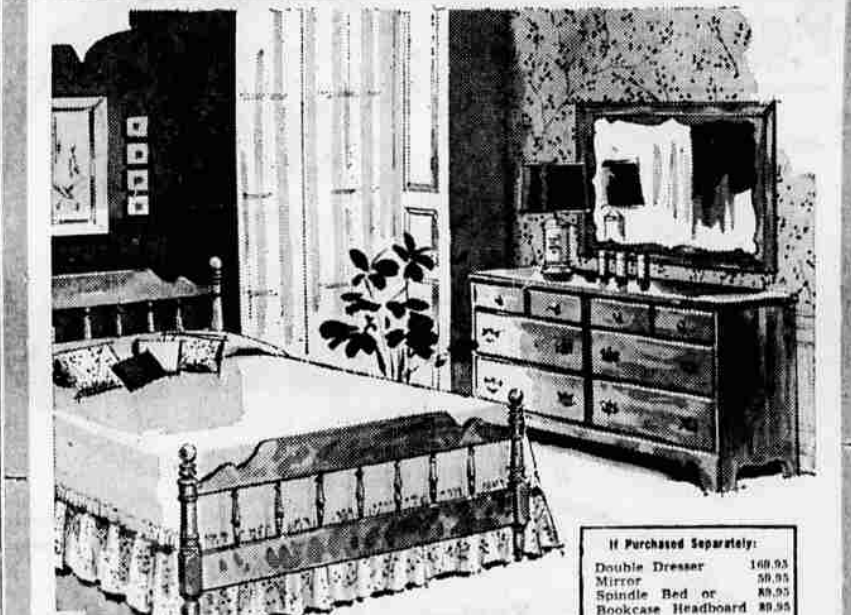

ARITHMETIC
If you have a favorite baking pan that is an odd shape or size, find out how much it holds so that you can judge whether it fits the recipe to be used.
