Three of Oregon's top-ranked prep basketball teams will see action on Pelican Court this weekend when the KUHS Pelicans play host first to the Medford Black Tornado in a return match on Friday night then face the Bend Lava Bears, in the first meeting of the two schools in a number of seasons, on Saturday evening. The Medford-Klamath Falls match is a conference test, and an important one. The Bend contest will have no bearing on the SOC standings but will be eyed closely by A-1 schools throughout the state as perhaps a hint of the possibilities come state tournament time next March.

Reserved seat tickets to both games are on sale at the chamber of commerce now. The cost is \$1.25. The Pelicans moved into the top spot on the Southern Oregon Conference ladder by virtue of their decisive 82-46 victory over the Grants Pass Cavemen on the Grants Pass court last Saturday. The victory nullified what had appeared to be a jinx of sorts held by the Cavers. Grants Pass met the Pels in Klamath Falls in the league opener and dealt the KU club a 62-51 whipping and was also the only team to beat the 1958 champions last season. Coach Dean White's KU squad also holds a one game edge over Medford off a 70-61 beating administered at Medford in the second conference start of the season.

The Medfordites, in their last outing, pushed the Grants Passers down into the No. 3 position by thumping them 57-41 last Friday, on the Cavemen's home floor. According to the dope sheets the Tornado-Pelican clash should give a fairly true indication of which teams should earn state tourney berths come the end of the season. Bend, undefeated in 11 games this season, established an all time state A-1 scoring record when they blasted the Central Point Crater Comets 99-50 last Friday. In a general comparison, the Pelicans defeated the Comets by a count of 62-40.

# Top College Clubs Face Jinx When Basketball Play Resumes

By THE ASSOCIATED PRESS

Kentucky, North Carolina and Kansas State, beware!

The record shows that top-ranked college basketball teams times slump when facing their first stiff tests following the mid-year examinations.

A year ago at the mid-term hiatus, West Virginia had a 13-0 record and was the nation's No. 1 team. The Mountaineers won their first game following the break.

Kansas, No. 2 a year ago, had won 12 games and lost two. But the Jayhawks dropped a 79-75 verdict to Kansas State and were beaten twice more to finish with a season mark of 18-5.

Kentucky, which was ranked third, the same position they hold in the latest Associated Press ratings, was 12-1. State suffered four setbacks in the second half of the campaign and wound up with 22-5.

The current top three teams are idle until next week. Kentucky and Kansas State swing back into action Monday and North Carolina on Friday. Kentucky faces

Georgia Tech, Kansas State meets Iowa State and North Carolina plays Clemson.

The only major game on tonight's schedule pits unbeaten Auburn (11-0) against Georgia. Auburn is the No. 5 team.

In last night's games, VMI won its first Southern Conference game in seven starts by edging Virginia Tech 81-78, Bowling Green handed Kent State its first Mid-American Conference loss 68-59 and Murray, Ky. whipped East Tennessee 73-62 in the Ohio Valley Conference.

VMI made good on 30 of 50 field goal attempts. The Keydets jumped into a big first half lead and cut off Tech's last gasp in the final moments. The winners had a one point lead with six seconds remaining until Chuck Cotton, who made good on 17 of 19 free throws came through with a pair from the foul line for the final margin.

Kent State's defeat enabled idle Miami, Ohio to take over sole possession of the conference lead.

Bowling Green broke fast after the intermission to snap a 23-all deadlock and pull away by 13 points. Bowling Green's overall record is 10-4 while Kent State is 6-8.

# Clowns Play At Chiloquin

CHILOQUIN — The touring Negro Iowa Ghosts and Harlem Chics invade Chiloquin Thursday night for a pair of exhibition basketball games in a program that promises lots of basketball and comical routines.

In the first game, Chiloquin Parks will meet the Chics, a top-notch women's team. In the featured game, the well known Ghosts trade shots with the Chiloquin Thunderbirds.

Game time for the first game is 7 p.m., followed by the Iowa Ghost-Thunderbird scrap at 8 o'clock.

# Large Crowd To Witness Fight Card

From all appearances the Little League Ball Park benefit boxing program slated for the Klamath Auditorium Thursday night at 8 o'clock will draw a capacity crowd. The 15 bout amateur card, which has been constructed by co-matchmakers Buck Davidson and Jerry Jennings, with all proceeds to go to the Little League Ball Park Benefit fund, is the first boxing show to have been held in Klamath Falls in over two years.

Appearing on the program are fighters from Klamath Falls, Henley, Kingsley Field, Chiloquin and Lakeview. The bulk of the card is built around matches pairing the Lakeview Police Athletic League fighters with their counterparts from the Klamath Falls area.

Advance ticket sales have been going well in all areas according to Davidson. He notes that a caravan of spectators and fighters from Lakeview is planning to make the trip for the fights.

Admission prices are \$1.50 for ringside seats, \$1 for general admission, with students and military personnel permitted for 50 cents. They may be purchased from Dick Reeder's, Hal's Sports Shop, and the Klamath Billiards, as well as from members of the Klamath Union "K" Club.

The K Club, a group of lettermen from the high school under the leadership of President Gary Kraneburg, have volunteered their services to help make the program a success.

In addition to their ticket selling activities, the K Club and members of the Klamath Union basketball team will work with KU Athletic Director Jim Johnson in handling the concessions at the auditorium.

A great number of local business houses have lent a helping hand as have a number of individuals.

Among those lending support are the Pepsi Cola Bottling Company, Belcastro's Medo-Bel Creamery, the Coca Cola Company, Hal's Sports Shop, the Klamath Billiards, Dick Reeder's, The Herald and News, Oregon Tech, Klamath Union High and others.

Serving as officials for the matches are Colonel Jack Williams of Kingsley Field, Sheriff Murray Britton, George Miller, OTI track coach, Ralph Carr, OTI, Andy Knudsen, KUHS, Dr. J. Martin Adams, Dr. W. F. Dean, Floyd Wynne and Clayton Hannon of the Herald and News, Davidson and Jennings.

Off duty city firemen under Chief Roy Rowe will serve as ushers for the matches while the city police and sheriff's office will handle the setting up and tearing down of the ring and seating facilities.
