### New Members Join Legion

Nine new members were initiated into American Legion Post 8 in ceremonies conducted Tuesday night at the post by officers of Paul Bunyan Vulture 222 of the 40th.

All but one of the new members, Paul Robertson, who served in the Navy in both World War I and II, did their military service during World War II. Five of them — D. Crandall, D. W. Fay, Robert F. Brown, J. Claude Bowden and William E. Lloyd — served with the Army. Paul Dalrymple and James P. Inglesby were in the Navy, and James A. Rushing was in the Air Force.

Paul Bunyan officers taking part in the initiation were Elton Mickelsen, commander; Cecil Haggreen, first vice commander; Fred Heilbronner, second vice commander; Charles Poteet, past commander; Ted Coker, sergeant at arms; and James Herbert, chaplain.

New appointments to chairmanships of standing committees with-

in Post 8, announced by Commander Warner Fett, were: Cecil Haggreen, membership and post activities; Oscar S. Nissen, Americanism and community service; Carl Michelson, rehabilitation; Joe LaClair, child welfare; Richard Gallagher, junior baseball; Boy Scouts and Sons of the Legion; Roy Tidwell, Boys' State; Ed Stonebreaker, high school oratorical and school awards; Charles A. Poteet, V.A.V.A. and "Gifts to the Yanks;" and Fred Heilbronner, legislative.

Refreshments were served after the Tuesday meeting by the ladies of the auxiliary.

**KOVACS WANTS BOY**  
HOLLYWOOD (UPI) — Asked why he expected his third child, due in June, to be a boy, comedian Ernie Kovacs said: "My wife, Edie Adams, and my two girls, Betty and Kip, spent four hours the other day reviewing girls' names."

**ATTACKS BUDGET REQUEST**  
MANILA (UPI)—Philippine Congressman Jose Roy has attacked President Eisenhower's budget request of nearly 25-million dollars to settle the Philippines revaluation claims, the Manila Chronicle reported today.

The newspaper quoted Roy, who is chairman of the House Ways and Means Committee, as saying his country should receive far more than the amount recommended. The claim was made following the devaluation of the U.S. dollar in 1934.
