Craft, KC Shooting For .500 Year In '59

By HARRY CRAFT
Manager, Kansas City Athletics
Written for UPI

KANSAS CITY, Mo. (UPI)—I'm not setting a goal for the 1959 Athletics like I did last year when we were aiming for 70 victories and beat that by three games. I won't even say that we will be a first division contender. But we will be shooting for a 500 percentage and, if we hit that, we won't be far out.

I believe we can hit the 500 mark this season with a little natural improvement and the bench strength we have added.

Additions like Wayne Terwilliger, John Bella and Dick Williams have given us that bench strength we have sorely needed. They and some other young fellows will give us more maneuverability this season and the competition for jobs this spring will be greater than it ever was.

And a little competition never hurt anyone.

BATTLE FOR FIRST
First base, in particular, will be an interesting position this spring. Fellers like Preston Ward, Harry Simpson, Whitey Herzog, Kent Hadley, Jim McManus, Hal Smith and even Bella and Williams will be out to win it.

If I had to name my first baseman today, I couldn't do it. It wouldn't be fair to those fellows. But pitching is the most important thing to the ball club.

Unless someone changes my mind, we'll start out with the

same rotation that we got going toward the end of last year. Bob Grim, Ned Garver, Ralph Terry and Ray Herbert. My mind is still open on the fifth starter.

Of the young pitchers, I'd say Howard Reed, the big Texan, has an excellent chance of making the ball club. He's got the stuff and good control for having only one year of experience.

Grim could be the No. 1 man on our staff from now he showed in the last two months last season.

Bob Cerv and Roger Maris will give us defense and punch in the outfield.

LOPEZ, DE MAESTRI
Bill Tuttle in centerfield is better and more valuable than the record indicates. He hit only 214 last year, but he got the key base hits and key bases on balls.

I can't say that the rest of the infield is set, but Hector Lopez swings a good bat and showed good improvement when we shoved him in at second base last year; there's no question about the defensive ability of Joe DeMaestri at short, and you couldn't ask for a man to step in and do a better job than Hal Smith did at third last year.

Here's where that bench strength and maneuverability come in. Terwilliger, Milt Graff and Mike Baxes will be in the running for these positions in addition to the fact that Lopez can move to third and Smith could take over at first or behind the plate.

Of course, our catching staff is pretty well manned with Harry Chitt and Frank House.

ALLEYS FOR ATHLETES
LOUISVILLE, Ky. (AP)—Louisville is planning to name two of its bowling alleys after Leonard Lyles and Rudell Stitch. Lyles is a half-back for the Baltimore Colts of the National Football League and Stitch is a welterweight boxer.

VARIED LUCK
BLAND, Va. (AP)—The luckiest hunter in the two-day elk season in Giles County bagged an 1,100-pounder with a 14-point rack. A tractor and a farm cart were needed to remove R. J. Grenier's elk. But S. H. Shrader of Falls Mill was not so lucky. He was shot in the knee. A mule was also out of luck—he was mistaken for an elk by a hunter.

AMBITIOUS JOCKEY
MIAMI, Fla. (AP)—John Sellers is one of racing's most ambitious jockeys. He gallops horses at Hialeah at five in the morning, rides at times at Tropical Park in Coral Gables in the afternoon and studies at night to become a veterinarian. He's taking an extension course program at the University of Miami.

PAR IS 70 FOR OPEN
MAMARONECK, N.Y. (AP)—As has been the case in recent years, par for the U.S. Open golf championship will be held next June 11-13 on Winged Foot's West course has been cut from 72 to 70. The course will measure 6,873 yards with a par of 35 on each side.
