

SOME LIKE IT HOT

Chili is a food about which there are definite opinions. Some like it hot and some like it a little milder. Nalley's, Inc., in its 41st year of producing good food flavors for the Pacific Northwest, came out with two types of Nalley's Chili last year. One is the Mexican type and it is hot. The other is the mild Western type. Combine the two and you get the Klamath Falls type and enough to serve four persons. The good, lean meat is cooked until it is just tender, combined with cooked beans and the chili sauce to make the finest chili you ever ladled out onto a plate. If you have served the bottle of Tabasco along with chili in the past, now you can serve extra hot chili with the true Mexican flavor. If the youngsters in the family find it a little too peppery for their taste, buy the mild Western type for them. Nalley's Beef Stew is another wintertime favorite — even if the Klamath country didn't have any winter this year. Now is the time of year to serve the hearty foods and remember to keep some extra cans on hand for the fishing expeditions and impromptu buffet meals. Nalley's chose Klamath Falls as the top market in Oregon to feature its Hot Chili and its Western Chili and Nalley's Beef Stew this month. See the big ad in color in Friday's Herald and News.

FREE TICKETS

Both Market Baskets have a special offer this weekend in support of the fund-raising campaign to send the KUHS orchestra on a five-day trip in March to Forest Grove and Seattle. A free dinner ticket for one adult will be given with each order of \$10 or over at Market Basket No. 1 or Market Basket No. 2 on Thursday, Friday and Saturday. The tickets are good at the dinner to be held on Thursday, February 12, at the Klamath Union High School Cafeteria, sponsored by the parents' committee made up of parents of members of the KUHS Symphony Orchestra.

The dinner will feature ham and turkey, vegetables, rolls, relishes and home made apple pies. Mrs. Jim Wells is chairman of the general committee, Mrs. Laco Gregory is chairman of the donations committee and reports the outstanding cooperation of all business firms and individuals which have been asked if they wished to contribute to this event. It is expected to cost approximately \$1,600 to send the 60-member orchestra by chartered bus on this five-day trip. See the Market Baskets' ad in today's paper for details of the free ticket offer.

VEGETABLES

When the mid-winter selection of fresh vegetables is limited, remember to serve canned blue lake green beans often. They are economical, flavorful and ready to use. For a change, serve them heated and drained, then tossed with bottle Roquefort dressing for an easy and quick dinner vegetable.

fourth prize is a fourth of the amount of money in addition to the car and the fifth prize is a 1959 Plymouth Belvedere Convertible without any money.

In addition to the five major prizes, there will be 75 other prizes including mink stoles, choice of wrist watches, etc.

The winners or tying contestants will be notified by mail about eight weeks after the close of the contest which is midnight on May 1, 1959. A list of winners will be available upon request about three months after the contest closes.

There is a special bonus if your winning entry is accompanied by Ivory Soap wrappers from each of the three size bars, large, medium and personal.

There are entry blanks at your grocer's, also, each carrying a picture of the stacks of silver dollars and the bags of silver dollars, the total amount of which you are invited to estimate.
