These are the basic recommendations from William Barr, a man who operates downtown parking lots in six Illinois cities, has a reputation as the nation's "No. I Doctor of Parking," and made a quick but keen survey of Klamath Falls' situation.

Without meter-feeders, each one of those spaces should accommodate six cars an hour, not one a day, he said.

Ways to cure this, he said, are quick but keen survey of Klamath and a fine of \$5 and costs the first time a driver is caught refeeding a parking meter.

What Klamath Falls needs to solve its traffic congestion and parking problems, he said, are:

1. Tandem - pair parking on downtown streets to make parking easier, "until all street parking has to go."

2. Cooperative, merchant - financed off-street parking downtown where shoppers can park for nothing."

Here's what he thought about:

You've got 750 parking meters in town. Let's say 400 of these are desirable downtown parking locations. Id say, conservatively, that 40 per cent of these fall to meter-feeders—people who stay there all day and feed nickels to one meter."

Even so, Barr said, "we'll have o recognize that sooner or later parking meters along streets will have to come out"—streets will be needed just to move traffic.

Six Ministers Resign Iragi **Cabinet Posts**

BEIRUT, Lebanon (AP)—Iraqi Premier Abdel Karim Kassem, wooed by both Communists and Arab nationalists, apparently is facing a new political crisis with the reported resignation of six Cabinet ministers.

the reported resignation of six Cabinet ministers. Informants arriving from Baghdad said one of the six who quit was Foreign Minister Abdul Jabhar Jomard. The others were Fuad Rikabi, minister of state; Baba Ali, communications; Col. Nagy Taleb, social affairs; Saleh Mahmud, health and Seddik Sensiel, national guidance. The significance of the resignations was not immediately clear.

Kassem has been under pressure from supporters of the United Arab Republic's President Nasser to strengthen ties with the U.A.R. and from Communists to lean toward Moscow. The Communists are the larg
