DO AS I SAY

HARTFORD, Conn. (UPI) - State agency heads chuckled on receiving an economy order from the budget department to use plain paper instead of costly stationery for inter-departmental notes. The order was on a formal letterhead.

THAT'S THE TICKET

ALLEGHENY, N.Y. (UPI) - Issuing a reckless driving ticket ended up costing state policeman Robert McGinty two dollars. He shelled out the money for a marriage license to wed Geraldine Giardini, who consented to be his bride two years after he introduced himself by way of giving her a ticket.

TEAMWORK

ROCHESTER, N.Y. (UPI) - Police accused Alvin Lancaster, 49, and his two sons of conducting a family shoplifting business in a big way. They said the trio would enter a store and while one engaged a clerk in conversation, the other two would gather up merchandise and cart it out to their pickup truck.

INNOCENT TIL PROVED

NEWBURY, V. (UPI) - When the janitor of the grade school here was indicted on first degree murder charges, the school board voted to let him continue on the job during non-school hours.

KEEP TO THE RIGHT

ALBANY, N.Y. (UPI) - Driving on the wrong side of the road causes more fatal accidents than any other traffic violation except speeding. Because of this New York State now has a law requiring drivers to keep to the right for 100 feet before coming to a railroad crossing, a bridge, a viaduct or a tunnel.

Cold Weather Starting Tips

CHICAGO (UPI) - The Chicago Motor Club offers these suggestions for cold-weather starting:

- Allow a 30 to 60-second rest period for the battery between starter tries. Continuous use of the starter for more than 30 to 45 seconds harms the battery.
- Avoid constant accelerator pumping when the starter is engaged.
- To keep the gas line from freezing, add eight ounces of grain alcohol or approved commercial equivalent to every other full tank of gas.
- Shift to neutral and accelerate the motor when standing in traffic. This counteracts the heavy battery drain imposed by lights, windshield wipers and other electrical accessories.

KEEPER'S HELPER

CAIRO (UPI) - Visitors at the Cairo zoo were startled when the parrot they were looking at shouted "please get out" several times. Somebody looked at his watch. It was closing time. The guard had taught the phrase to the parrot so he could be spared the trouble.
