Dope Charge Jails NY Man

ATLANTA (AP)—A short chubby man was arrested aboard an airliner arriving here early today after a telephoned bomb threat uncovered heroin valued at about \$500,000 on the illicit drug market in luggage at a New York airport.  
The man carried a New York driver's license issued to Richard Alston Jr., 44, of Jamaica, Long Island. He was held for investigation, Police Supt. J. L. Tuggle said.  
Federal narcotics agents and Atlanta detectives took Alston, a Negro, off the Capital Airlines Viscount when it arrived in Atlanta at 2:52 a.m. with 13 other passengers aboard.  
Police were alerted after the narcotics were found in an unclaimed brown overnight bag taken off the plane at New York's La Guardia Airport as a result of the bomb hoax. Fifty-one packets of heroin were found in the bag.

'Perfect Marriage' Feud Set For Airing In Court

By JAMES BACON  
AP Motion Picture Writer  
LOS ANGELES (AP)—Debbie Reynolds goes to Superior Court today for a divorce that will cost singer Eddie Fisher \$40,000 a year alimony plus a \$135,000 house and a bundle of other community property.  
Fisher will not appear in court to contest the suit.  
The hearing is expected to follow the no-firesworks tradition of Hollywood divorces in which a pre-trial settlement has been reached.  
That could mean that the name of Elizabeth Taylor will not be mentioned in Debbie's testimony.  
In her suit, Debbie accused Fisher of extreme cruelty but made no mention of Miss Taylor. That was an anti-climax to the sensational charges Debbie hurled last year at the raven-haired star.  
Miss Reynolds charged then that her marriage had been happy until her husband consorted the young widow of showman Mike Todd with a tour of New York nightclubs.  
Fisher and Miss Taylor are constant companions now.

Under California law, neither Fisher nor Miss Reynolds will be free to remarry until the divorce becomes final a year from now.  
That would seem to rule out a quickie decree in Nevada or Mexico for Fisher. Gossip columnists have hinted that the 30-year-old singer would take such a step so that he could be free to marry Miss Taylor, 26.  
However, the two could not live as man and wife in California.

Redmond Slates Daily Gun Duels

REDMOND (AP)—May Day will mark the start of daily gun duels—to establish the fastest cap gun in this central Oregon town. The duels will be held daily as part of Redmond's celebration of Oregon's Centennial.  
Other plans include putting in false fronts and otherwise changing the business district to give the appearance of a town of 100 years ago.  
There will be a cattle drive and a sheep drive through Redmond, as well as medicine shows and weekly square dances.

NEW YORK (UPD)—The National Association for the Advancement of Colored People celebrates its 80th anniversary Thursday with meetings, dinners and other ceremonies across the nation.

SALEM (AP)—The House Fish and Game Committee was told Wednesday that the special \$1 angling fee for one day has depressed the state Game Commission's revenue from fishing licenses.  
R. C. Holloway of the Game Commission said there was a drop of \$26,000 last year in revenue from angling licenses. He attributed it to the \$1 fee put into effect for the first time last year for all fishing.  
The \$1 license had involved only salmon until then.  
Holloway told the committee that Oregon is the only Western state and probably the only state in the country with the special \$1 daily license.
