Park Department Chief Submits Report For 1958

A report for the year 1958 was submitted by Superintendent Bob Bonney to members of the Park and Recreation Department Board, at their regular February meeting.

The report gave a picture of the many activities of a department which administers 20 different properties and a number of recreation programs.

It listed 35 different administrative considerations for the year 1958, and 26 major items on a program report. Thirteen new activities for 1958 were enumerated.

These considerations and activities come to the attention of the public as they occur. As an example of the type of items covered, the 1959 objectives might be cited. Under administrative considerations these are:

1. Reappraise all phases of department operation.
2. Develop master plan.
3. Establish written policy.
4. Evaluate unfinished business of 1958, and plan course of action.
5. Long-range planning.
6. Coordination with Kingsley Field (Base-Community Council).
7. Develop brochure of community service projects and distribute to all community organizations.
8. Encourage gifts and bequests.

Of more interest to the general public, no doubt, would be these program objectives for 1959:

Evaluate and appraise summer playground program.

Implement youth physical fitness emphasis within framework of present sports and athletic program.

Day camp program at Moore Park: (1) emphasize outdoor living, nature study and conservation in addition to utilizing present sports facilities; (2) invite conservation, forest and wildlife, authorities to present educational sessions at elementary age level (3) explore possibility of utilizing school bus for transportation.

Develop schedule for skin and breathing - apparatus diving - at swim pool.

Explore possibilities of Golden Age organization.

Develop fixed schedule for tennis instruction at Moore Park.

Organize program of training for summer staff—planned staff meetings, workshops, possible participation in OSC leadership training workshop.

Encourage greater volunteer leadership: mothers to supervise wading pools; neighborhood interest in program planning.

The deficiencies under which the department labors were cited as follows:

1. No long-range development program.
2. Inadequate full-time staff.
3. No community recreation center.
4. No adult program.
5. No cultural program.
6. No golden age program.
7. No formal teen-age program.
8. No consideration for future development of municipal golf course.
9. Budget of approximately $2.70 per capita is inadequate.

In addition to a maintenance and development section, dealing with 1958 and projects for 1959, the report included a statement of estimated attendance at its various facilities in 1958. The grand total of attendance for the year was set at 893,693 (the number of individual utilizations of facilities).

During the course of the meeting at which the report was presented, held on the afternoon of February 18 in the department's office in the city hall, the following actions were taken by the board and James Barnes, its chairman:

Appointed Martin Brauner to chairmanship of the finance committee, which will also include Mrs. Dena Backes, Amos Burnett and Stan Miller.

Appointed Burnett and Dick Hicks to a policy committee to be headed by Gene Favell. (This committee is to draw up an overall policy directive for approval by the board and submission to the city council.)

Heard City Manager G. S. Vergeer discuss the possibility of charging the department for the use of labor by prisoners at the city jail. (Barnes summed up his board members' reactions by telling Vergeer that if it came to that, the department—with its present budget—would simply have to refuse to use prisoner labor.) The city manager suggested that the department might present him with a budget request for money from the general fund, which he would submit to the city council.)

Authorized purchase of frames for the construction of 20 new picnic tables.

Agreed to invite the Boy Scouts, Girl Scouts, Camp Fire Girls, YMCA, Basin Boaters and Klamath Sportsmen to serve on a committee headed by the Klamath Archers which is seeking to construct a multiple-use building near the archery range at Moore Park. Favell was named to represent the board on the committee.

Accepted a recommendation from the city manager that street light fixtures be installed on three existing poles at Moore Park.

Approved Bonney's proposed summer program and authorized him to study the possibility of using school buses for transportation to department-sponsored activities.

KU Musicians Slate Benefit

Klamath Union High School's Symphony Orchestra assisted by the a cappella choir will appear in benefit concert Friday, February 27, at 8 p.m. at Mills Auditorium.

Funds from the concert will help finance appearance of the young musicians at Pacific University, Forest Grove, Queen Anne High School, Seattle and the Northwest Convention of Music Educators, Seattle, in early March.

Admission to the concert is 50 cents.

Soloists for the choir will be Lynn Ferrell and Charlton Currin. The antiphonal group will include Judy McFarlan, Lynn Ferrell, Mikell Thurston, Carolyn Bullard, Cheryl Crabtree and Virginia Leaming.

Andrew Loney Jr. will direct the choir. The orchestra will play under the baton of Dale Hallack.

Music Series Set March 2

The renewal of memberships for the 1959-60 Community Concert Series will begin on March 2, the date of this year's final concert, it was announced by Andrew Loney Jr., president of the association.

All workers in the membership drive are urged to contact Mrs. George Kovich, membership chairman, sometime this week. Loney also urged that all members wishing to renew their memberships should do so immediately because of the limited number of memberships available.

The Pelican Theater, site of past concerts, has been closed for public performances, and as a result concerts will be held in Mills Auditorium next year. This will reduce the seating capacity about one-half. The membership fee has been raised to $7, and student reduced memberships have been eliminated, in order to maintain a high caliber of programs in spite of the reduced seating capacity. Those wishing to renew memberships immediately, may do so by sending their checks to Miss Eva Dickson, 424 Main Street.

KU Homemakers To Attend Meet

The Future Homemakers of America chapter at Klamath Union High School will be one of the 106 Oregon chapters participating in the annual state meeting March 6 and 7 at Oregon State College.

Future Homemakers of America is composed of high school girls taking home economics classes. State membership now totals 3,804 girls. Approximately 400 chapter representatives and advisers will take part in the meetings at the college.

Betty Taggart is president of the local chapter. Adviser is Mrs. Clara Fink.
