MOON STAR

HOLLYWOOD (UPI) — Spring Byington, the sweet grandmother type of movies and TV, is one of Hollywood's most informed space age people. She startles her co-workers in the "December Bride" series (CBS-TV) with data about the earth satellites. She also is a stargazer of long standing and has a huge collection of science-fiction books.

HOT WATER

HOLLYWOOD (UPI) — Milo Frank left work late one day at MGM and, noticing a new drive-in telephone, decided to try out the new gadget as well as let his wife, actress Sally Forrest, know he'd be late for dinner. He won't do it again—at least not with the car radio going. Miss Forrest said it might have been the car radio but that it sounded like a juke box at the corner bar.
