"MY BACK IS KILLING ME"

—why put up with sluggish kidneys... when relief is often so swift and easy to obtain?

Backache, dizziness, lack of energy, restlessness, getting up nights, may be caused by functionally sluggish kidneys, mild bladder irritation.

For 50 years people have found swift, effective relief with DeWITT'S PILLS. This famous diuretic stimulant 1) flushes congestive waste material out of kidneys;

2) increases circulation of blood through the area; 3) reduces irritation of kidneys and bladder; 4) fights infection and resists reinfection.

You can see that DeWITT'S PILLS are at work when "the blue comes through." Get DeWITT'S PILLS today without prescription.

the happy philosopher

I WAS TEACHING in a village school in the Ozarks when I met him. He was an old man, but he still had a twinkle in his eye. His favorite pastime was taking long walks through the hills. I often met him on the road and he always had a friendly greeting, which invariably consisted of, "It's a fine day, isn't it?"

One Winter day I was hurrying home through a blinding sleet storm. On the way, I met the old man. As usual, he said, "It's a fine day, isn't it?"

This was too much, so I blurted, "How can you call this a fine day?" "Well," he said, pausing slightly, "It's the finest day of its kind I've ever seen."
—Otto Rayburn, Eureka Springs, Ark.

the soft sell

WHILE VISITING in England last Summer, we were charmed with the casual salesmanship of the British. We could browse as long as we wished; the salesladies, if asked, would discuss any article, even pointing out its weaknesses. The advertisements and salescards were all of a "soft-sell" kind. We still laugh over the neat card in a window of a large department store which announced what we Americans would call a "bargain day" or a "moment of madness." Instead, with customary British restraint, it quietly announced, "Rather Special Day."

—Lucille Elgin, Texarkana, Tex.

mutual sitters' society

AFTER MOVING to a new neighborhood, I learned about a unique baby-sitting club.

Each mother has the telephone number of every other member, and whenever she wants a baby-sitter she calls until she finds a mother who is free for the needed time. The member sits for nothing, but is given credit for the total number of hours she donates. Then when this mother needs a sitter, she calls someone else, and so on.

It operates on the honor system, of course, since each mother is expected to contribute an equal amount of time. This way no one pays anything, yet each is assured of a dependable sitter. It works wonderfully for us.
