TWIN BILL

NEW YORK (AP)—Maurice Evans is eyeing a London twin-bill for his next starring Broadway venture. The two plays are "The Dock Brief" and "What Shall We Tell Caroline," by John Mortimer. Evans previously appeared on Broadway in 1949 in the Terence Rattigan duo "The Browning Version" and "Harlequinade," played here last year in a revival of "The Apple Cart."

AGE DIFFERENTIAL

ITHACA, N.Y. (UPI)—A psychologist says poor thinking tends to cause accidents among young people while a lack of coordination and dexterity leads to mishaps among older folk. John Whitfield, a visiting professor from England, says a study of accident-proneness among a group of miners found a "distinct difference" between younger and older workers.
