

2 Children Die In Fire

ROCHESTER, N.Y. (AP)—Two of four children, left alone in their home, were burned to death Tuesday.

The others were in critical condition today with severe burns. Fireman Kurt Giehs braved the smoke and flames twice to rescue them.

The dead are Diane Brooks, 5, and her brother, Tony, 21 months.

The injured are John, 4, and Sheryl, 6 months.

Authorities said that a neighbor, Veola Sykes, had been asked to keep an eye on the children, while their mother Ruth Brooks, 33, went for dental treatment. Mrs. Brooks is separated from her husband.

Mrs. Sykes, 35, told fire investigators she looked in on the children once and then returned half an hour later and found the house in flames.

Gal Breaks Male Circle

ANN ARBOR, Mich. (AP)—Things are different now in the naval architecture classes at University of Michigan.

The men no longer tell salty stories, and they outdo themselves in being polite.

Prof. Harry Benford says, "I used to begin my class sessions by saying 'Men, today you will... Now I begin by saying, 'Ladies and gentlemen.'"

Pretty red-haired Judy Robinson of Monroe, Mich., was the first coed to break in the exclusive male circle. Now a senior, she broke down barriers in the Naval Architecture and Marine Engineering Dept. for Susan Ott of Dearborn, Mich., and Darlen Piney of Libertyville, Ill., who are sophomores.

"I was scared to death at first because the fellows pretended to be rather unhappy about my being here," says Judy. "But I guess I've been accepted by now for they elected me, appropriately enough, purser of the Quarterdeck Society."
