KF Delegates Attend Meet

Eulalona Chapter, Daughters of the American Revolution, Klamath Falls, was represented at the 48th annual state conference of the Oregon State Society, DAR, held at Hotel Gearhart, Gearhart, March 5, 6 and 7, by Mrs. A. O. Roenicke, Eulalona Chapter, regent; Mrs. J. M. Ager, vice regent; Mrs. Dick Owens, flag chairman; and Mrs. H. A. Pedersen, past regent.

The memorial service on March 5 included tribute to two charter members of Eulalona Chapter who died during 1958, Mrs. Wilbur Jones and Mrs. D. V. Kuykendall. At the Centennial luncheon on March 6, the society learned of a donation made by Mrs. Dell Caples Houghton of Columbia City. Mrs. Houghton has donated the old Charles Caples family home in Columbia City to be restored as a museum. Money and furnishings for the restoration were included in the gift.

The national defense banquet on the evening of March 6 featured an address by Mrs. Ray Laverne Erb, Washington, D.C., chairman of the National Defense Committee NSDAR. Saturday's breakfast program included a quiz on Oregon state history. The luncheon that day included a report on the Newell house restoration. Numerous cherished gifts have been received for the restoration and the formal opening has been set for July 11.

You can change the color of your eyes to blue, green or brown.

That's the information brought back from Seattle by Dr. D. R. Thorsness, a local optometrist, who attended the second Northwestern Optometric Contact Lens conference February 22 and 23.

He says he learned a good deal about latest development of the newfangled contraptions. The contact lens specialist says lenses are available, now, with bifocals. Some are smaller than an aspirin tablet and can be worn all day without removal.

He added that developments have led to correction of many more eye disorders through the use of contact lenses.

OH, MY ACHING BACK

Now! You can get the fast relief you need from nagging backache, headache and muscular aches and pains that often cause restless nights and miserable tired-out feelings. When these discomforts come on with over-exercising or stress and strain—you want relief—want it fast! Another disturbance may be mild bladder irritation following wrong food and drink—often setting up a restless uncomfortable feeling. Don't's Pills work fast in 3 separate ways: 1. by speedily relieving action to ease torment of nagging backache, headache, muscular aches and pains; 2. by soothing effect on bladder irritation; 3. by mild diuretic action tending to increase output of the 15 miles of kidney tubes. Enjoy a good night's sleep and the same happy relief millions have for over 60 years. New, large size saves money. Get Don't's Pills today!

NEW YORK (UPI)—David Levy has been elected a vice president of the National Broadcasting Co. Board Chairman Robert W. Sarnoff announced Sunday that Levy will be in charge of programs and talent for the NBC TV network.

Building Bill Introduced

A resolution setting up an interim committee to study financing of school construction and remodeling was introduced into the House of Representatives recently by Rep. Carl Yancey, Klamath Falls Democrat.

The committee would be instructed to study stock plans and model units with an eye to making the best of them available to local school districts for possible cost savings.

It also would be empowered to consider the advisability of the state hiring an architect to be made available to local districts for professional advice.

The seven man committee would be composed in the majority of laymen. The governor would appoint three persons, none of whom could be a teacher or an architect. The president of the Senate and the speaker of the House each would appoint two legislators from his department.

Grange Raps Poison Usage

Members of the Fort Klamath Grange unit, apparently incensed over indiscriminate use of poisonous baits to lure rodents and predators, recently passed a resolution calling for a law to prohibit use of poison against predators and urging more careful placing of rodenticides.

Copies of the resolution were sent to the Klamath Pomona Grange unit and to the Herald and News.

The document blasted "various attempts to eradicate certain field populations," referring, presumably, to the war on field mice that have ravaged crops in the Klamath Basin in recent years.

A clause of the resolution urges that poisons be placed in protected places not likely to be accessible to livestock, such as holes, burrows and bait stations.

And a further clause states that predators, such as coyotes and bobcats are proving of more value than otherwise, and that a law prohibiting poisoning them should be drafted.

Two Suits Filed In Clerk's Office

These suits have been filed in the county clerk's office:

E. R. and Nico Lindskog seek foreclosure of a mortgage on two lots offered as collateral for a \$2,500 promissory note signed October 7, 1957, by Lloyd M. Dent.

Electric Products Corporation of Oregon seeks full payment of a neon sign erected for August and Leta Tikkanen, doing business as Tikkanen's. The suit maintains the Tikkanens owe \$506 on the sign under terms of the contract; and that the defendants also owe \$90 sign rental at a rate of \$15 monthly.

Pelicana Slates Second Auditions

A second audition for those who did not participate in the first one, is slated for Friday, March 13, 8:30 p.m. in the girls gym of KUHS. All Basin talent is cordially invited to attend this last audition. Pelicana, the annual array of Basin talent sponsored by the Exchange Club, is scheduled for April 10.

This year Judy Wheeler, senior at KUHS, is chairman of Pelicana. Charles Woodhouse is the producer and John Ginter is the director. Pelicana is free and will be presented in two big shows at Mills School Auditorium.

ELECTRONICS GRADUATE
Ramon G. Steele, Navy seaman, graduated Friday from the Electronics Technician School at the Navy's Treasure Island base in San Francisco Bay. Steele is the son of Mr. and Mrs. G. D. Steele of Gilchrist.

Geographic center of the North American continent is near Devils Lake, N.D.

Democrat Aids Republican Foe

LANSING, Mich. (AP)—John B. Martin, Republican National committeeman from Michigan, got a helping hand from Gov. G. Mennen Williams, a Democrat and long-time political foe.

Martin's car was stuck in the snow in downtown Lansing Tuesday. The governor, coming from a meeting, saw Martin's predicament and with three others got behind the car and pushed it free.

"Just charge this up to the Republican State Central Committee," Williams said to Martin.

Legislators Ask Trade Renewal

SALEM (AP)—Nine legislators, headed by Sen. Dan Thiel (D-Astoria), sponsored a memorial Tuesday asking that trade in non-strategic materials be resumed with Communist China.

The memorial is addressed to President Eisenhower and Oregon's congressional delegation.

The memorial says that the United States "has traditionally traded in non-military goods with the nations of the world without approving or disapproving of their leaders or forms of government."
