

# NAACP To Wage Drive For Voluntary Integration

HOUSTON, Tex. (AP) — The National Assn. for the Advancement of Colored People will seek to avoid lawsuits by urging local voluntary integration of schools in east Texas, an official of the group says.

Executive Secretary Roy Wilkins, New York, told delegates to the NAACP Texas State Conference Sunday the organization will wage a stepped-up campaign with that aim this year.

Plans also call for membership poll tax payment and voting drives in observance of the 50th anniversary of the NAACP, Wilkins said.

Wilkins told newsmen integration must get under way in east Texas and that the collapse

of Virginia's "massive resistance" against desegregation proves state law cannot avoid it.

Informed that the Houston School Board is drawing up plans for desegregation, Wilkins said his group favors such planning in its quest to "avoid lawsuits and arousing of feelings."

Wilkins also termed Sen. Lyndon Johnson's (D-Tex.) civil rights bill as "deceitful and valueless." The bill would set up a conciliation service for civil rights problems.

# Family Dog Saves Texans

SAN ANTONIO, Tex. (AP) — It took firemen an hour to put out the blaze at the home of Elvira Luna after her year-old dog, Bimbo, alarmed the family with his barking.

Damage in the blaze was estimated at \$400 and firemen said it hadn't been for "just plain dog" Bimbo.

Mrs. Luna and her son, David, 7, are not so concerned over the monetary loss.

Firemen said the blaze was started by children playing with matches in a storeroom, where Bimbo was tied and died on his leash.
