

Already baked the way you'd make them...airy light...
tenderly crisp...buttery rich

NABISCO VANILLA WAFERS

OREO CREME SANDWICH.
America's favorite cookie
— crisp, chocolate-y rich,
brimming with creamy
filling.

FIG NEWTONS CAKES. Lots
of moist golden fig jam
wrapped in fresh, tender
cake — one of the world's
most wonderful flavors.

IT TAKES THE BEST TO MAKE THE BEST... PURE NABISCO COOKIES!

Let's Draw Easter Eggs

Ann Davidow

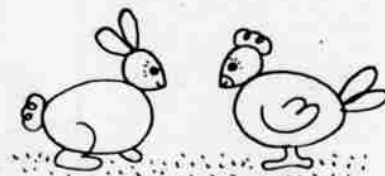

Two Easter eggs that seem to match
Surprise us when you make them hatch.

This hen and bunny hatch together—
One is fur and one is feather,

One is white and one is red,
One's tail is on the other's head,

Which proves it's wrong to make
the claim
That eggs alike will hatch the same!

Try A Tongue Twister

Say these quickly five times

1. If a noisy oyster annoys an oyster,
what annoys a noisy oyster?
2. The rustling rushes rustled.
