

MARKETS and FINANCE

STOCKS WALL STREET NEW YORK (AP) — The stock market mounted its best rally in about two weeks today as it closed with prices at their best levels of the session. Final trading was heavy. The ticker tape was late. Volume for the day was estimated at 3,200,000 shares compared with 2,900,000 Wednesday. Illinois Central advanced about 2. Gains of more than a point were scored by Southern Pacific and New York Central. Many leading carriers rose fractionally. Thiokol and Zenith were up about 4. American Motors, Pfizer, Standard Oil of Indiana, Chrysler, Kennecott, Royal Dutch, Pennsylvania Railroad and American Telephone. U.S. Gypsum backed away more than a point. International Business Machines eased a point or so. U.S. government bonds were fractionally lower.

Young Dude Cowboy Held For Strangling Bay Girl

LOS ANGELES (UPI)—A young dude cowboy Wednesday night was booked on murder charges in the strangling of a 17-year-old Omaha girl who came to the big city to find thrills. Larry L. Vance, 20, a husky 200-pounder from Victoria, Tex., broke down after five hours questioning and admitted beating Durilla Boyer on the head with an electric iron and then strangling her with the iron's cord as she lay on a bed in her one room apartment. Vance said he knew Miss Boyer, who came here only two months ago from her father's farm just outside of Omaha, had argued with her boy friend. He said he went to her apartment shortly before noon Wednesday after she got off from her all night waitress job. Vance said Miss Boyer was only dressed in a shortie nightgown with blue panties but she allowed him to enter. The Texan, a former airman who affects cowboy clothing and frequently carries a bullwhip around with him, told police Miss Boyer said something which made him angry and touched off the killing. She was not sexually molested, police said. Vance was traced by police through fingerprints he left in Miss Boyer's apartment. Miss Boyer used to tell friends in her brief time here that she got a "kick out of the crazy

U.S. Economy Hits Record

NEW YORK (UPI)—America's resurgent economy climbed to new record highs in the first quarter of 1959 and the outlook is for even greater growth in the next three months. Such key barometers of economic health as industrial production, gross national product, consumer spending and personal incomes all established new all-time highs as the economy recovered all the ground lost in the 1957-58 recession. Among the individual industries, steel, construction, autos, aluminum, copper, and appliances all operated at levels sharply above a year ago, with the first two at record highs. The one dark spot in the economic picture was unemployment, which has held at the alarmingly high level of 6 per cent of the total labor force, compared with a per cent before the recession. Automation, which permits companies to produce more with fewer men, has been blamed for the sluggish unemployment figures. The steel industry, for example, has broken production records left and right during the first quarter, despite the fact that some 200,000 steelworkers still are out of work. An official of the United Steelworkers of America predicted that 100,000 of the unemployed may never return to the mills. A good deal of the steam behind the economy's first quarter upsurge came from strike-hedge buying in such major industries as steel, copper, and aluminum. Companies in scores of industries are rapidly rebuilding depleted inventories to avoid shortages in the event of strikes later this year. The current three-year contract in the steel industry expires at midnight June 30, while the three-year pact in the aluminum industry ends a month later. Economists said this strike-hedge buying will be a major stimulant through the second quarter of the year. New car sales are running well ahead of a year ago as consumers are spending more for durable goods. Auto industry spokesmen, noting a spurt in auto sales during March, are hopeful this is a prelude to a big spring buying push. The construction industry, one of the few to operate at a record level in 1958, has been doing even better this year. Housing starts are strong which should help sales of furniture, appliances and other household goods.

Consul Files Damage Suit

SALINAS (UPI)—The Mexican consul in California has filed a \$1,400,000 lawsuit charging negligence in the death of 14 Mexican nationals burned to death in a farm labor bus accident near Soledad last June. The suit was filed Wednesday by Consul Santiago Campbell on behalf of the families of the dead men. Charged with negligence were bus driver Mike Loya, Salinas, and Robert D. Saunders, owner of the bus, from Soledad. Also named in the suit was the Growers Farm Labor Association, who hired the workers killed in the crash. Most of the workers were trapped in the bus when it caught fire last June 17. The fire apparently started from a cigarette which fell into gasoline spilled from cans on the bus.

Red-Tibetan Fighting Told

TAIPEI, Formosa (AP)—Nationalist China's official Central News Agency reported today that Tibetan rebels and Chinese Communist troops are still fighting 165 miles northeast of Lhasa as well as near the Tibetan capital. Central News said the report came from intelligence sources in Lhasa. There was no way of checking its accuracy, but Peiping radio said speakers at a meeting in Lhasa urged the Red army "to continue mopping up the rebels in remote areas of Tibet." The Central News Agency report said more than 100 Communist troops were killed Monday and Tuesday in the Heibo area, and fighting was still in progress. Communist reinforcements from Sinking, bound for Lhasa, were reported to have arrived at Heibo, a small highway town 165 miles northeast of the capital and 60 miles from Tibet's frontier with the Chinese province of Tsinghai. The report also said the rebels controlled the highway between Lhasa and Shigatse, the second largest town in Tibet 140 miles southwest of Lhasa and the site of the lamasery headed by the Panchen Lama. This report, if correct could mean that the Panchen Lama, named by the Communists to replace the Dalai Lama as head of the Tibetan local government, so far could not reach the capital. The Communist radio had reported they still in Shigatse on Monday. There was a possibility, however, that the Reds plan for him to "govern" from Shigatse since his following in Lhasa presumably is small. Communist reports charged that the rebels put the torch to a 300-year-old Moslem mosque and burned at least 20 huts of Tibet's Moslem minority. Usually reliable sources at the Indian border town of Kalimpong said the Reds were moving 100 truckloads of Tibetans out of Lhasa daily, taking them to unknown destinations. The report said Tibetan officials along roads leading south to India were being arrested.

Honor Due Pair At Reception

MACDOEL — Mr. and Mrs. Charles Cross will be the honored guests at a reception Sunday, April 5, at the Oklahoma schoolhouse in celebration of their 50th wedding anniversary. Hosts will be their children, Mrs. Ted Johnson, Vernon Cross, Mrs. Rosie Sammis, Mrs. Lora Truax and Clarence Cross. All friends of the pioneer couple are invited. Charles Cross homesteaded his ranch on Sheepy Creek, east of Dorris, in 1902. On March 31, 1909, he and Lucinda McKay were married at Long Prairie, near Red River valley, and came to live on the homestead. They moved into their present home on land adjoining the original homestead in 1916.

Blood Bank Car To Be In Weed

WEED—Blood donors are reminded of the Irwin Memorial Blood Bank donor car stopover in Weed Tuesday, April 7, between the hours of 11 a. m. and 7 p. m. The Weed Lions Club will be the hospitality sponsors of the donor car here with the ladies of the Lions taking over the reception duties. The Siskiyou County Medical Society is sponsor of the donor car to Siskiyou County and invites those who can give to assist with their contribution to the blood supply on hand. The blood received here will be stored in the Irwin Memorial Blood Bank at Los Angeles and insured a steady supply for use in this area.

FINAL NOTICE! All portrait negatives by FLOYD'S STUDIO will be disposed of May 1st. If you wish your negatives preserved you may purchase them for \$2.50 per individual sitting; includes all negatives and proofs in sack, as is. Phone TU 4-4526 for additional information.

Church Group Holds Tea

HORN BROOK—A colorful Easter bonnet parade was one of the highlights of the Easter Bonnet tea given last week by the Hornbrook Women's Society of Christian Service, which was attended by approximately 50 persons. The event was staged in the Hornbrook Methodist Church, and program consisting of various musical selections and readings was presented. Musical selections consisted of piano, electric organ and accordion numbers played by Penny Barnum, Janet Benson, Marcia Cavinn, Shirley Moffett, Marsha Simmons, Linda and Lydia Greene. Vocal renditions were by Paula Eastman, Paula Fox and Linda and Lydia Greene. Mrs. Harry Chapman, Mrs. Ivon Howard, Mrs. Fred Mills and Mrs. P. G. Rines gave various readings. The Easter bonnet parade featured hats made by members of the W.S.C.S. The prettiest hat award went to Mrs. Ardon Burns, modeled by Mrs. Grace Quigley. Mrs. Frank Bear was the recipient for the most original hat award, with Wanda Thomas as the model. Shirley Moffett was the winner for the most comical hat design, modeled by Mrs. Lester Nye. The fireside room of the Hornbrook church was beautifully decorated with spring blossoms and the Easter theme, and the buffet table from which refreshments were served carried the same theme.

Police Crack Filth Ring

OAKLAND, Calif. (UPI)—Police said today they had broken up the source of a nationwide indecent photograph and motion picture ring that allegedly used 40 East Bay housewives, college girls and secretaries as models. Two men were arrested Wednesday on charges of violating the indecent photographs and motion picture section of the state penal code. They were Douglas Seal, 38, Berkeley, owner of Domingo Studios in Berkeley, and Leonard J. Ackerman, 48, Oakland, owner of Ackerman Film Laboratory in Berkeley. Officers said they seized at Ackerman's laboratory 1,000 reels of film, several lockers of photographs, and a small quantity of pornographic literature. Also found was a card file with the names of 40 part-time models including their telephone numbers, measurements and types of pictures they would pose for. At Ackerman's laboratory police seized a mailing list of customers all over the nation. Also taken were brochures describing prices of photos and film. Lt. Ted Brown of the Oakland vice squad said the case came to light after two girls, who posed for pictures in an Oakland motel room, went to police. Brown said he would describe some of the film and photos as pornographic. Some of the movie film was in color with sound. Both men admitted their parts in the operation, but said they were producing art, not pornography, according to police. Ackerman and Seal were released on \$500 bail.

VFW, Aux Will Install

YREKA—A joint installation of new officers to Veterans of Foreign Wars, Post 3813, and the Ladies Auxiliary to that post, has been scheduled for April 11, and plans for the event were discussed at a special meeting held by the Ladies Auxiliary, which was conducted by Mrs. Homer Haley, current president of the group. Commander-elect W. C. Hickman conducted a discussion concerning the installation ceremony. Final plans were set up as follows: social hour from 6 to 7 p. m.; dinner to be served from 7 to 8 p. m., followed with installation of officers-elect. The remainder of the evening will be spent dancing. Introduced as a guest at the recent meeting was Mrs. Florence Kennedy, member of the Klamath Memorial Auxiliary No. 4473 at Hamburg. Initiated as new members were Mrs. William Farmer and Mrs. William Fifer. Letters concerning annual reports and membership were read from Mrs. W. D. Houston, district president, and Mrs. Erik Hansen, district membership chairman, from Senator Randolph Collier, Governor Edmund G. Brown and Assemblywoman Pauline Davis, all pertaining to the Field Bill. Announcements were made that the next 20th district meeting is to be held in Yreka on May 17, and that the state convention will be held in San Jose on June 14 through the 18. On April 26, Arts and Crafts and a Hobby Fair will be held at the VA Domiciliary, Camp White, Oregon, in buildings 223 and 224. The Yreka Auxiliary was awarded a citation from the Veterans Administration Services for voluntary work done at Camp White Veterans Domiciliary at Camp White, Oregon. The meeting was concluded with the serving of refreshments by hostesses Mrs. Erik Hansen and Mrs. Homer Haley.

Senate Approves Vet Tax Measure

SACRAMENTO (UPI)—A bill to cut the time veterans have to file for veterans property tax exemptions was in the Assembly today after receiving Senate approval. The bill was by Sen. A. S. Rodda (D-Sacramento) and would cut the time for filing by one month, setting it from the first Monday in March until the first Monday in May. Rodda said the change would enable county officials to bring their tax rolls into shape quicker.

Last Rites Pend For Officer

WEED—Funeral services are pending at Upton's Mortuary for Theo Lockett, 48, Weed, resident officer on the Weed police force, Siskiyou County sheriff's deputy and employe of the Siskiyou County General Hospital. He had lived here for 35 years. Death in the Mount Shasta Community Hospital April 3 followed surgery for lung cancer. He had been ill only a brief time. Mr. Lockett was born December 13, 1910, in Franklin, Louisiana. Known relatives include two brothers, Joe Lockett of Segest, Louisiana, and Frank of Edwardville, Kansas; and a sister, Mrs. Lubertha Poledore, Jeanerette, Louisiana.

O'erpass Section Over Creek Falls

LARKSPUR (UPI)—A 67-foot section of overpass freeway, being constructed over Corte Madera Creek on Highway 101, mysteriously collapsed Thursday, only minutes after a 20 man work crew had left. Damage to the \$1,800,000 construction project was estimated at \$100,000. The supporting uprights stood, but the staging form for the highway surface, and the concrete poured into it Wednesday, fell. The overpass was the final link in a new freeway section to San Rafael.

New County Jail Facilities To Cost More Than Slated

YREKA—Siskiyou County Board of Supervisors was faced with a new problem on Tuesday, when they learned from county surveyor or Tony Cansino, and consulting engineer, Oscar Piemme, that the original estimated cost of \$2,000 for new county jail facilities for women and children may cost \$150,000 instead. Plans for the remodeling of the old jail building, constructed in 1906, were made four years ago by Piemme, and Cansino pointed out to board members that since that time the required needs have outgrown those original plans. He also informed the board that upon investigating the old structure, which it was planned to remodel with facilities to handle 20 women and juveniles, the mortar joints of the sandstone blocks disclosed signs of having been weakened from recent tremors, and he doubted the feasibility of placing more weight on the walls. Present facilities for women and juveniles in the county jail, consist of one cell for women and one for juveniles, and the District PTA headed by Mrs. Edna Barr, president, brought considerable pressure to bear that these conditions be remedied. Probation officer Jess Brewer and Sheriff Al Cottar also have strongly pressed the need for better facilities for women and juveniles. County Administrator Jess O. Roke agreed that the remodeling of Sheriff Cottar needed repairs, and he stated that to construct an entirely new, permanent three story structure, costing about \$150,000, would permit room for expansion and would allow for 100 prisoners instead of the 60 considered under the original \$50,000 proposal. Supervisors will still be faced with the construction of a juvenile hall, and Supervisor S. C. Jackson brought out that it would cost about \$300,000 to construct both buildings. Supervisor Don Ayer suggested the selling of bonds to cover expenditures for both proposals. It was agreed by the supervisors to have state engineers inspect the structure of the old jail for safety, regarding the old sandstone walled portion before proceeding with remodeling plans. Other actions of the board at Tuesday's meeting included voting to amend the county building ordinance, increasing the minimum size of structures needing building permits for 100 square feet and \$500 to 200 square feet and \$1,000. The board accepted the resignation of George Black, constable for Sawyers Bar, to be immediately effective. They gave authorization to County Administrator O'Roke to proceed with the installation of a microphone and speaker system in the board chambers. The board further accepted, subject to approval by the Civil Aeronautics Administration, a low bid from W. E. Treadwell Co. of Redding in the amount of \$26,744.04 for paving of Weed Airport. Two sheriff's deputies at Happy Camp will receive an increase in salaries of \$37 per month to meet the abnormally high rental costs in that area. And the board supported the Dunsmuir city council in a protest against closing of the Railway Express Agency in Dunsmuir.

Police Crack Filth Ring

OAKLAND, Calif. (UPI)—Police said today they had broken up the source of a nationwide indecent photograph and motion picture ring that allegedly used 40 East Bay housewives, college girls and secretaries as models. Two men were arrested Wednesday on charges of violating the indecent photographs and motion picture section of the state penal code. They were Douglas Seal, 38, Berkeley, owner of Domingo Studios in Berkeley, and Leonard J. Ackerman, 48, Oakland, owner of Ackerman Film Laboratory in Berkeley. Officers said they seized at Ackerman's laboratory 1,000 reels of film, several lockers of photographs, and a small quantity of pornographic literature. Also found was a card file with the names of 40 part-time models including their telephone numbers, measurements and types of pictures they would pose for. Both men admitted their parts in the operation, but said they were producing art, not pornography, according to police. Ackerman and Seal were released on \$500 bail.

Bank Theft Nets \$6,200

SACRAMENTO (UPI)—A slender 42-year-old transient held up the Merchants National Bank here and escaped with \$6,200 Thursday, but was taken into custody 10 minutes later. Police identified the suspect as Frank J. McCartney. They said he also admitted robbing banks in Los Angeles and Cincinnati, Ohio. Officers said McCartney brandished an automatic pistol in front of teller Mrs. Norma Gilmore and ordered her to "give me your money." He was spotted about a block from the bank by Police Officer F. W. Cameron. He was booked at city jail on an armed robbery charge pending federal action.
