Best way to care for wood floors

***Helpful tips by the world's largest maker of hardwood floors**

Lovely wood floors are so easy to take care of when you use the right method. After years of testing, we learned that dry cleaning is best. And, happily, it's easiest, too.

You just pour Bruce's clean-as-you-wax combination of dry cleaning ingredients and liquid wax on the floor. All the marks, dirt and old wax wipe away easily. The dirt comes up on the cloth while lots of clean, rich wax stays on the floor. A light buffing and you're through in half the usual time—without messy, harmful scrubbing. Heavy traffic areas can be easily touched up again and again without redoing the entire floor.

We recommend BRUCE CLEANING WAX for a rich coat of wax, and BRUCE FLOOR CLEANER where less wax is desired. Both work clean-as-you-wax wonders on linoleum, too. Try this

easier, better method the very next time you wax and see the beautiful difference.

FREE FLOOR CARE BOOKLET! Gives valuable tips on the care of wood, cork, linoleum, vinyl, asphalt tile, rubber tile, terrazzo and ceramic floors. Also wood paneling. Write today to E. L. Bruce Co., Memphis, Tenn., for free copy.

Yreka Women See Style Show

YREKA—"Silhouette of '59" was the theme that marked the social event of the year for Yreka, with the presentation of the 10th annual fashion show by the Yreka Methodist Church, on Saturday afternoon, March 21, which was acclaimed as an outstanding success.

Approximately 350 women gathered at the armory to enjoy a delicious luncheon, highlighted with a musical background of organ music played by Mrs. Cecil Elliott, who also furnished the music for the parade of models, as they showed the fashions for spring.

Decorations were huge silhouettes placed about the walls of the armory. Janice Juhl and Bobbie Brown introduced the individual divisions of the show by carrying huge hoops that held the silhouette of what was to be shown next.

"Between act" entertainment while models were changing, included the "Junior Debs" Julie Townley, Sis Favero, Dede Davis and Nini Behnke, singing two numbers, "May You Always," and "Jamaica Farewell," the latter a clever Calypso number. The girls were accompanied at the piano by Caroline Meamber. A tap dance was presented by Shirley Renning of Weed, while the final numbers were "The Harmonicas," in a quartet, singing their renditions of "Memories Are Made of This," and "Dear Old Girl," members of the quartet being Martin Webb, Howard Buckner, Roy Dunham and Warren Behnke.

Narrator for the show was Mrs. George Wacker. General chairmen included Mr. and Mrs. George Bray, Mr. and Mrs. Robert Buckner, and Mr. and Mrs. Carl Franson. Floral arrangements were by Ellen Sanders of the Yreka Flower Shop.

A dessert course was served, followed with Mrs. Young calling on each speaker.

Donna Morrison, a student at Chico State, spoke on "Needs for College," pointing out to the prospective college students, the essential studies they should concentrate on in preparation for college.

Kathy Haines of Grenada, also a student of Chico State, spoke on how to meet the transition period—from high school to college life, while Diane Freeman, attending Humboldt State College told of the advantages of attending smaller colleges.

Mrs. Ardyece Lytle, not of Yreka High School, but a college student at Southern Oregon College, based her remarks on how to manage college though married.
