

Rookies Could Make Difference For Nats

ORLANDO, Fla. (UPI)—What can you say about the Washington Senators after you say you're sorry?

They are the sorriest excuse for a major league club around and no one knows it better than their manager, Cookie Lavagetto. However, with a straight face he says he hopes the club will win 70 games this year, which still would probably leave them in the cellar.

That would be nine more victories than they scored in 1958 when for the third time in the last four years they finished eighth.

"I'm hopeful we'll win more this year because our kids have had another year's experience, and if they live up to their potential, we should be better," Lavagetto said.

He singled out rookie outfielder Bob Allison, infielder Reno Bertoia and third baseman Harmon Killebrew as "three players who could make a difference."

Beavers Win Two From PU

CORVALLIS (AP)—The undefeated Oregon State College baseball team ran its string of consecutive victories to 13 by sweeping a doubleheader from the University of Portland Saturday.

Oregon State had to go 13 innings to win the first one, 3-2, but took the second contest, 4-2, in the regulation college seven innings.

A double by Larry Baker scored Kim Bradshaw, who had walked, to decide the opening contest. It broke up a tight pitching duel between Portland's left-hander, Bill Love, who allowed only eight hits, and Gary Moore, who scattered 11 Portland blows.

Oregon State got all the runs it needed for the second game in the first inning. The Beavers scored three times on singles by Dan Luby and Jerry Droscher, a walk to Grimm Mason, a wild pitch and a two-run single by Baker.

Wally Panel drove out a home run with one man on base to account for Portland's runs. Luby had three hits in four times at bat.

Ray Lund pitched the distance for Oregon State, allowing only four hits.

The first game victory was the third of the season for Moore, whose wife gave birth to a baby Friday night. Portland 000 000 001 0-2 11 2 OSC 000 000 010 001 1-3 8 1 Love and McCallen; Moore and Luby.

Portland 000 020 0-2 4 2 OSC 300 100 x-4 8 1 Eisele and Williams; Lund and Luby.

Art Wall Leads Golf Money Race

DUNEDIN, Fla. (AP)—With the \$15,000 he pocketed for winning the Masters Tournament, Art Wall Jr., has taken a huge lead in the PGA money derby.

The Masters' prize more than doubled Wall's earnings for the year, bringing his total to \$29,830. That's nearly as much as the total earnings of Gene Littler, Arnold Palmer and Cary Middlecoff, who are second, third and fourth, respectively, in the winnings department.

Littler, of San Diego, Calif., has won \$12,165. Palmer, of Ligonier, Pa., last year's leading money winner, has collected \$9,800. Middlecoff, of Hollywood, Fla., has picked up \$8,500 while playing in only two tournaments.

Allison hit .307 at Chattanooga last year with only nine homers but had 93 runs batted in. Lavagetto plans to play him in left field if he uses Washington's hitting star, Roy Sievers, at first. Otherwise, Allison will be in right instead of big Jim Lemon.

Little Albie Pearson, the American League's 1958 Rookie-of-the-Year, will be in center.

Lavagetto would like to keep Sievers in left field, but he isn't sure that Norm Zaichin can make it at first base. Zaichin hit only .228 last year, but will get a shot at the job again. The only first baseman available is Julio Becquer, who was used mainly in pinch hitting roles.

Bertoia, obtained from Detroit, will play second if Killebrew, one of the three bonus players in Washington's history, can make it at third. Otherwise, Bertoia will take over third with Herb Plews, who held down the position last year but hit only .258, at second.

DESPERATE FOR SHORTSTOP

Ken Aspromonte, a disappointment last season after the Senators acquired him from the Boston Red Sox, and Bob Malkmus, whom Lavagetto was so high on last spring, are other second base candidates. Malkmus hit a lowly .186.

The Senators are in desperate need of a shortstop. All they have now is Ron Samford, who may not be ready by opening day because of arm trouble, and Jose Valdivielso. Samford hit .301 at Charleston, Valdivielso .308 at Phoenix and later in the year .222 at Minneapolis.

Clint Courtney, who rated as the No. 1 catcher, broke a bone in his right leg, is expected to be ready for the season's opening game. Ed Fitzgerald, J. W. Porter, who also can play first base or the outfield, and Steve Korchek are reserve receivers. Their 1958 batting averages were: Fitzgerald .263; Porter .200 with Cleveland, and Korchek only .078 with Washington.

WEAK IN PITCHING

Lavagetto has two ace starting pitchers in Camillo Pascual (8-12) and Pedro Ramos (14-18) and a fine reliever in Dick Hyde (10-3). But all three have been mentioned in trade talk.

As other possible starters Lavagetto lists, in order, Truman Cleveland (9-9), Chuck Stobbs (3-9) (overall with the Senators and Cardinals last year), R. U. Kemmerer (6-15), Vito Valentini (5-6) (with Detroit and Washington) and Bill Fischer (4-10) (with the White Sox, Tigers and Senators).

If not needed as a starter, Cleveland will be in the bullpen with Hyde. Another relief possibility is southpaw John Kralick, who spent most of last season in semi-pro ball.

It doesn't add up to much pitching, or anything else for the Senators.

Time Out

"I like these early spring games... Notice how their jaw muscles are still weak and flabby from the winter layoff?"

Pins and Strikes

By SAMMY SORETHUMB

There was some very nice bowling the past couple of weeks. Probably one of the most outstanding performances was the terrific 661 series rolled by Audrey Herrick in the Moose Ma's League, a new high for the 1958-1959 season.

Also, the beautiful 257 game bowled by Mary Bothwell in the Lady Bug League is also a new high for the season. Mel Robinson of the Klamath Tractor Team bowled a nice 685 series in league play while trying hard for another 700 series. Mel returned a few nights later and, bowling in a match doubles set with Jack Solberg, rolled a 705 series.

Eldon Kaylor, bowling with the Interstate Pump team, turned in games of 216, 208 and 202 for a 626 series. Ralph Barnett, bowling with Lewis Chevrolet team, also had beautiful series of 212, 197 and 225 for a 634.

Merle Smith with the Landry Insurance team had a nice 255 game and a 613 series. Bob Victorin had games of 211, 177 and 226 for a 613 series while holding an average of 201 plus, the highest in Klamath Falls league play.

Here's one for the books. Floyd Wynne, bowling with the Herald and News team, had 10 strikes in one game but it only added up to a 218. Someone moved the fowl line, no doubt, because the ball was a beauty right in the pocket. That sort of thing really upsets one, but Floyd came back with three in a row to end the game.

A bit of National News. Frank Baker, secretary of the American Bowling Congress, anticipates a new high on sanctioned league teams will be in excess of 625,000. The previous high was 591,933 teams for the 1957-1958 season.

Atoll Victor At New York

NEW YORK (AP)—The Elkam Stabls Atoll outlived the Brookfield Falls. Intentionally in a torrid duel Saturday and won the \$25,000 Gotham Stakes in the fastest time ever hung up for the event for 3-year-olds.

Eddie Arcaro rode Atoll, while Willie Shoemaker was aboard Intentionally, setting up a duel between two of the nation's top jockeys.

Both colts are hot contenders for the \$75,000-added Wood Memorial here next Saturday, the final Eastern test for the May 2 Kentucky Derby at Churchill Downs.

Seven 3-year-olds started in the mile and one-sixteenth race. Atoll, a brown son of Flushing II-Coral Island, was clocked in 1 minute, 43 seconds. The fastest previous time in the Gotham was 1:44 by Laffango in 1953.

Atoll beat Intentionally by three-quarters of a length. It was five more lengths back to Open View, a stablemate of Atoll.

Atoll paid \$4.90, \$2.10 and \$2.10.

Finsterwald Tops Carolina Open

GREENSBORO, N.C. (AP)—Dow Finsterwald, who has won only one tournament since becoming National PGA champion last summer, shook up the Greensboro Open golf field Saturday with a 65 that gave him a 54-hole total of 201 and a 4-stroke lead.

The 29-year-old Athens, Ohio, native who plays out of Tequesta, Fla., was 6 under par Saturday with a 33-32 performance. It carried him from a three-way second place tie into a commanding lead going into Sunday's final round of the \$15,000 tournament.

Mike Fitchick of Yonkers, N.Y., the leader through the first two rounds, slid a stroke over par with a 72 to drop into second place with 205.

Masters champion Art Wall Jr. of Pocono Manor, Pa., posted a 70 for 206 and third place.

Tied for fourth, six shots behind Finsterwald at 207, were Tony Lema, San Leandro, Calif., and Canadian Stan Leonard.

Mickey Vernon Goes To Braves

CLEVELAND (AP)—First baseman Mickey Vernon was traded to the Milwaukee Braves Saturday for pitcher Humberto Robinson, the Cleveland Indians announced. It was a straight player swap with no cash involved.

Robinson, a 28-year-old right-hander, had a 2-4 record with the Braves last season.

The 46-year-old Vernon, who also has played at Washington and Boston, was in his 19th season in the American League. He batted .293 last season in 119 games.

Webfeet Down Raiders Twice

EUGENE (AP)—Good pitching helped the University of Oregon baseball team to a doubleheader victory over Southern Oregon here Saturday, 5-1 and 7-6.

Oregon hurlers allowed only 10 hits all day, nine of them singles. In the opener, Fred Ballard of Oregon struck out eight men and allowed only three hits.

Wait Baren's home run with two aboard in the 3rd inning helped Oregon's cause along in the second contest.

First game: Southern Oregon 000 000 1-1 3 2 Oregon 102 101 x-5 6 0 D'Olive, Steelman (4), McCabe; Ballard and Olson.

Second game: Southern Oregon 015 000 0-6 6 4 Oregon 043 000 x-7 4 3 Vannit, Dannie, McLemore (2), Walter (5) and McCabe; Todd, Urhammer (3), Loy (4), Springer (7) and McLain, Walt (5).

This total would boost our individual membership to approximately 300 million bowlers.

Klamath Falls has also set a new record when they gained from 82 teams for 1957-1958 season to 114 teams and in individual membership from 452 to a new high of 841 for the 1958-1959 season. Thanks to the 19 new Brunswick Alleys at Lucky Lanes, I'm sure this record will be short lived, however as new bowlers show up every day. Don't forget to sign up for summer league bowling now.

The success of said bonds will be furnished with an opinion as to the validity thereof by the law firm of Shuler, Sayre, Winters & Rankin, Portland Trust Building, Portland 4, Oregon.
