Red Bluff Rodeo Set

Another exciting racing program of five thoroughbred and quarter horse races has been scheduled for the 1959 Red Bluff Roundup on April 18 and 19, rodeo headquarters announced today.

The racing program will include a four and one half furlong and a three quarter mile handicap for thoroughbreds; a quarter horse race and an additional quarter mile race for both thoroughbreds and quarter horses. Final race each day will be the exciting one and a half mile relay race.

Entries for the racing program already received indicate a record field of horses from throughout Northern California and surrounding states.

The racing program is in addition to the Championship rodeo arena events which will see top cowboys from throughout the nation competing for \$6,500 in prize money.

In 1957 a record of 643 billion car-miles was chalked up by American motorists. Live better by far with a brand new car.
