Have You Tried Our New BEEF SAUSAGE?

We make it ourself in our spotless new meat plant, and it is a treat we are sure you will enjoy. We make it from 100% "USDA CHOICE" steer beef. We season it "just right" to give it a mild, delicate flavor. This wonderful flavor will be enhanced if you will remember to use a lower heat when broiling or frying than you normally would for ground beef or pork sausage. Do not overcook. When it is a light golden brown - it's just right! Take advantage of this special introductory low price.
