MALIN — The combination of some "clutch" pitching on the part of Malin hurler Rick Illian and a display of faulty fielding in the fifth inning by the visiting Henley Hornets, led to a close 3-2 victory for the Mustangs here Monday afternoon.

Coach Len Weber's Hornets had Illian in trouble in every inning of the seven-inning contest except the fourth. The Mustangs junior hurler, while striking out 11 and giving up only three bases on balls over the entire route, held the visitors to a mere two hits, both coming in the fifth inning when Henley chased across their only pair of tallies of the game. Illian's counterpart, Gary Beber, also did a creditable job on the mound for Henley as he yielded only three safeties and struck out six while walking three.

Jim Owens led off the Malin half of the fifth by drawing a walk off Henley pitcher Gary Beber. After little Don Micka struck out, Randy Miller was safe at first on an error by second baseman Dick Reiling. While Don Johnson was at the plate, Owens stole home on a close call for the initial Mustang tally. Johnson then hit a bouncer to Henley third sacker Ray Jackson who booted the ball for the second Hornet miscue of the stanza, allowing Miller to score the tying run.

Beber then wild pitched Johnson to second. After Kirkpatrick whiffed, Illian was given an intentional walk. Big Ron Mullanix, the Mustangs centerfielder, smashed a high fly to left field where Lawrence Lugo dropped the catch. Johnson scored from second on the miscue however. Illian was cut down at the plate on the relay from Lugo to shortstop Joe DeGrande to catcher John Crumrine.

Henley scored the pair of runs in the second as LeRoy Larson led off the inning by being hit by a pitched ball. Tom McBride drew a walk and both he and Larson scored on Crumrine's long single into left field. DeGrande rapped a force out and Jackson rapped a single to center to keep the rally going but DeGrande was thrown out at the plate by a perfect peg from Mullanix, while trying to score on the hit.

# Baby Joe Gans Dies Monday

MILWAUKEE (UPI)—Baby Joe Gans, 59, a boxer and trainer since the age of 14, died Monday of a heart attack.

Death came only a few hours before Gans was to "second" two of his boys on a professional card at La Crosse, Wis., Monday night. Gans, whose legal name was Gerald Slaughter, began fighting professionally in 1923. Among the boxers he fought were Barney Ross, Vince Dundee, Jackie Fields and Lou Brouillard.

Boxing's original Joe Gans, who held the world lightweight title shortly after the turn of the century, died in 1910.

# Eisele Pitches 3 Hit Shutout

PORTLAND (AP)—Don Eisele allowed only three hits Monday as he pitched Portland University to a 1-0 shutout over Tri-City of the professional Northwest League.

Day Gray, former Willamette University pitcher recently optioned to Tri-City by the Portland Beavers, gave up eight hits to the winning Pilots.

# LA, SF Hockey Debut Hinges On Matter Of Money, Months

SEATTLE (AP) — Entry of Los Angeles and San Francisco into the Western Hockey League Tuesday hinges on a matter of money and months—money to install an ice plant into the Cow Palace and months in which to do the job.

And the man who holds the key to both is Jack Perrin, wealthy Winnipeg businessman who now owns the Winnipeg franchise in the nine-team league.

Perrin has said he has the money, up to a point, to install the plant and the time in which to do it. But at Monday's opening session of the two-day WHL annual meeting, he didn't have the firm contracts or estimates to back this up. Directors said frankly they were disappointed.

A suggestion arose that the original estimates on cost might be cut by \$125,000 and if correct this would double the first figures, putting cost at \$250,000. At that price, Perrin indicated he can't or won't take on the task.

Monday the directors put the question over until Tuesday to give Perrin time to reach Nye Wilson, Cow Palace manager, and obtain firm figures on the problems in question.

League president Al Leader said Monday indications are that if Perrin brings in the necessary answers and the firm estimates are within his reach financially, San Francisco and Los Angeles

# DeMarco Happy Over Comeback

BOSTON (AP)—Tony DeMarco says his comeback is moving along just fine, thank you.

"I was very pleased with my first win and I'm very happy with this one," the soft-spoken former welterweight champion said Monday night after his workmanlike 10-round decision over Eddie Connors.

It was DeMarco's second triumph in a comeback that started last month with a knockout of Curley Monroe. He had retired in January 1958 after taking two severe beatings from Virgil Atkins.

His victory over his former sparring partner Monday night was convincing but unspectacular.

DeMarco weighed 150½, Connors 151. Both are from the Boston area.

The field events are scheduled to commence at 1 o'clock while the running events will begin around 1:30 or 1:45.

Fresh cinder mentor, Gene Strehlou, will also have a few members competing in the meet.

Klamath's Don Story tops the listings in the 100-yard dash with a time of 10.3. Following closely are Henley's Dave Ragland and Don Say of Chiloquin, both having been timed at 10.4 this year. The same three men have the best time in the 220 this year. Story once again on top with a mark of 23.2 while Say is second with a time of 23.5. Ragland is third with an even 24 seconds flat.

KU's Don Isensee heads the 880 entrants with a time of 2:07 while Henley's Long with 2:12 and Chiloquin's Doug Van Warner with a 2:20 are the next closest in the county.

Van Warner also leads in the mile with a time of 4:58 while KU's Bill Sproat is next with a 5:05.

Big Bob Drace of Klamath is expected to sweep through both the high and low hurdles events with his biggest competition expected to come from Henley's Burrell Guber and Merrill's Charles Roller.

Malin's Abe Kirkpatrick has the best leap in the county in the broad jump, 20 feet, one inch, while Story of KU is next in line with a leap of 19 feet, 11½ inches. Bonanza's Gary Daley is third with a 19 feet, 1 inch leap.

KU's Drace has cleared an even 6 feet in the high jump while Henley's Don Mills and Guber both have jumps of around 5-6 this year.

KU's Ron Olivera has cleared 11 feet in the pole vault while Malin's Rick Illian has his best mark at 10 feet, 6 inches. Bonanza's Alvin Brooks is also figured in the top listing of that event.

Gary Hancock of Klamath and Henley's Phil Swisher, both have heaved the discus 128 feet while Chester Schooler of Bonanza has a top mark of 128 feet.

Les Husted of KU has tossed the shot put 45 feet this year while Ron Hoggarth of Chiloquin and Tom Ellis of Bonanza both hover around the 40-foot mark.

# Helsinki Cop Nabs Victory In Two-Mile

BOSTON (AP)—Powerful Eino Oksanen of Finland has capped a comeback and stamped himself as a leading threat for next year's Olympic marathon crown by winning the Boston Classic.

The 27-year-old Helsinki detective on larceny detail broke up a two-man race a mile from the tape and beat Johnny Kelley by 30 yards Monday in a withering sprint. The time was 2:22.42.

The Boston A.A. test was only the second for Oksanen in more than a year. A severely sprained ankle kept him out of action until late in '58 and his previous effort was poor.

The sturdy redhead tried his first marathon in October 1955 and came off with a remarkable 2:25:47 victory in his native land. Oksanen's second effort was a third place behind countryman Antti Viskari and Kelley in the 1956 B.A.

Kelley's consistency makes him America's top Olympic marathon hope. In the past four years the 28-year-old Groton, Conn., school-teacher won in 1957 and was second each of the other three. His time was 2:23:43.

Another upcoming marathoner is Gordon Dickson of Hamilton, Ont., who finished strong to take third place. Dickson finished seventh in 1956 and 1957.

Rounding out the first 10 were Velko Karvonen of Finland—1954 winner and Oksanen's teammate—Osvaldo Suarez of Argentina, Robert Pape of England, Nobuyoshi Sadanaga of Japan, James Green of Saugus, Mass., Al Conalante of Wakefield, Mass., and Australia's Geoffrey Watt.
