PTA NEWS

BIEBER—Big Valley Joint Parent-Teacher Association was hostess unit to the members of the Modoc Council on Monday, April 20, at its annual meeting which was conducted by Mrs. Marion Fisher of Alturas, president. All meetings and a luncheon were held in the Veterans' Hall. Pledge of allegiance to the flag was led by Mrs. Dolin Southard of Nubleber. Mrs. Oral Gerig of Bieber gave the thought for the day. Address of welcome was given by Mrs. Evan Guttry of Bieber. Mrs. Howard Baugh of Redding, California Congress recreational chairman, was the guest speaker. She pointed out how certain legislative bills, if passed, would defeat the recreational use of state public parks and urged the units to write Assemblywoman Pauline Davis to consider the interest of children and youth before voting on those bills. Mrs. Baugh also advised unit representatives regarding printed pamphlets available through the state congress for recreational use by all ages of people. During the coffee hour, members and guests became acquainted through nameplates pinned on them by the registrar, Mrs. Roy E. Darnell. The Indian maiden heads, fashioned with yarn, feathers, and hand painted faces, were attached to blue and gold satin ribbons and were designed by Mrs. Darnell. Mrs. Baugh suggested that delegates from this area to the state convention in Los Angeles next month wear these miniature Modoc Indian maiden decorations because they are typical of the name Modoc. Child participation included vocal numbers by the sixth grade pupils directed by Charles Brockman, accompanied by Kristine Holl. Mrs. Clarice Holl accompanied her class of first grade pupils in a group of songs. The hostess unit served luncheon at beautifully appointed tables decorated with cut flowers. The nut cups were underlined with colored paper oak leaves decorated with acorns and miniature men, symbolic of the national organization. The highlight of the afternoon business session was the presentation of the gavel to Mrs. George Christiansen of Eagleville by Mrs. Fisher, retiring council president. Mrs. Kelth Vance, junior past president of the council, installed Mrs. Christiansen and the following council officers: Mrs. Ray Ward of Adin, first vice president; Mrs. Ethelbert Harris of Lake City, second vice president; Mrs. Jackson Tuteur of Likely, secretary; Mrs. Loyd Laver of the South Davis Creek unit, treasurer; Mrs. Charles Demick of Alturas, historian; and Chris Starr of Alturas as auditor. Mrs. Christiansen's acceptance speech was followed by the presentation of a past district president's pin to Mrs. Fisher from the council. Mrs. Vance presented Mrs. Fisher with a gift on behalf of those present.

Dinner, Show Held By PTA

MONTAGUE—Approximately 350 persons attended the buffet dinner and variety show, presented by the Montague Parent Teacher Association, at the Montague Auditorium last weekend. Betty and Peggy See, 14-year-old twin daughters of Mrs. Alice See, dance director and performer of the show, were cue card girls and also sang a Floradora number in the finale. Jack Churchill, mayor of Montague, delivered a welcoming address. Two parodies were sung by Alice See and Morris Dittner. Mrs. See also appeared in a tap routine with Mildred Florian of Yreka and in a solo tap routine and song. Four members of the Montague Volunteer Fire Department appeared in a 10 minute skit. Fire Chief S. A. "Penn" Messner portrayed himself as fire chief. Others in the skit were Jack Churchill, Donald Gordon and Al Paulazzo. Jerry Dittner sang several numbers as did Bob and Eleanor Akin and Irene Paul and Vera Clement. Others in the show were Tom Williams, Joe Burch Jr., Lester Owens, Ardyce Brewer and Virginia Churchill. Joyce Sanderson was accompanist for the musical portion of the show and she was assisted by Pete Griffith at the drums. Jim Dow furnished the public address system. Dorothy Swain and Carolyn Andrews were in charge of the makeup department. Betty Dow was publicity manager. The food for the dinner was provided by contributions from the women of Montague. Serving was furnished by room mothers and other members of the PTA.

Aviation Club Hears Speaker

FORT JONES—Frank Revallier, young son of Mr. and Mrs. Frank Revallier of Fort Jones, was guest speaker at the April 17 meeting of the Scott Valley Airmen Flying Club. He demonstrated his air foil and air flow exhibit which took top honors in the boys' sophomore division of physical science at the sixth annual Central Valley Science Fair held in Chico earlier this month. Frank explained that he constructed the device from wood and sheet aluminum using a squirrel cage fan and a monometer panel. He said it was actually a miniature wind tunnel which demonstrated Bernoulli's Law showing that air pressure from its flow around an airplane in flight lifts from the top, rather than from beneath the wings. The Revallier boy also expressed appreciation to the Scott Valley Boosters and to the airmen for sponsoring his successful trip to the science fair. His award was a plaque and a blue ribbon. He also mentioned that all eight entries from Siskiyou County won prizes in Chico. Woman Renamed To Farm Group YREKA — An announcement from the office of Governor Edmund G. Brown disclosed that Mrs. Edson Foulke of Gazelle was the only member of the 10th District Agricultural Association to be reappointed by the governor for another four-year term. Mrs. Louis Hessig of Montague was named for a four-year term, replacing Homer Atchley of Yreka; John Janson, Yreka, and Blair Smith, Gazelle, were named to three-year terms, replacing Mrs. Laura M. Cawley, Yreka, and F. N. Giger, Grenada. Also appointed by the governor was Lynn B. Thompson, Mount Shasta, to fill out the remaining one-year of the unexpired term of the late James B. Rohrer of Little Shasta. SCHOLARSHIP PROGRAM McCLOUD—Mrs. Eloise Mosely and Mrs. Addie Mason, McCloud Women's Club scholarship committee members, recently explained the club's scholarship program to high school senior girls. They pointed out any interested girl may send letters to Mrs. Mosely, prior to April 30, including records of scholastic ability, participation in high school extracurricular activities and contributions made to community service during high school periods. Each student must indicate her plans for advanced education.

Pleas Of Guilty Given In Cases

DORRIS — Raymond Lewis Riddle, Chiloquin, who was charged with drunken driving, using an operator's driving license not his own and other lesser charges, entered a guilty plea and Judge Chase gave him a fine of \$500 or a sentence of 100 days in the county jail. Lester Jefferson Tecumseh, Beatty, pled guilty to charges of being intoxicated in an auto and permitting another person to use his operator's license. Judge Chase sentenced Tecumseh to serve 20 1/2 days in jail, or pay a fine of \$103. William E. Plumber, Bly, was sentenced to a fine of \$50 or 10 days in jail. Plumber will serve the time. In the case of Riddle and Tecumseh, the father of Tecumseh drove from the court to Klamath Falls to get the money for the two fines. A total of \$603 was paid upon his return two hours later.

DENTAL CONVENTION

FORT JONES — Dr. and Mrs. E. H. Hovenden of Fort Jones are attending a dental convention in San Francisco this week. Their plans include a visit with their daughter and son-in-law, Mr. and Mrs. Ronald DeRosa of Redding. The couple expects to return in a few days. IN COMPETITION McCLOUD—Paul Hamilton, McCloud High School senior, competed with nine other students from Northern California for the Bank of America award in liberal arts at Redding Thursday. The winner in each category will compete with others at Sacramento at a later date. Mrs. Frances Hugin, McCloud High School teacher, accompanied Paul on the trip.

Growing Via Criticism Aim Of Friendly Art Club

DUNSMUIR — Growth through comparison, criticism and appreciation is one of the objectives of the Friendly Art Club, a recently organized group in Dunsmuir. "But primarily, we get together once a week to paint," Mrs. Nellie Masson says of herself and her fellow artists. The group has started meeting informally on Wednesday afternoons at the Masson home, a historical landmark in Dunsmuir. Mrs. Masson says her home, the old stage coach stop at Upper Soda Springs, was chosen because there was plenty of room to spread out. Recently some of the members were doing pastel landscapes in the living room, others were painting still life in oils in the dining room and the water color artists were in the kitchen. A trio of prospective members were examining some pastel still life work in the front bedroom. Everyone seemed intent on certain objectives but not too busy to comment or appraise another's work when requested to do so. So far the club has no formal organization. Mrs. Masson explained. Anyone interested in painting or drawing is invited to spend Wednesday afternoons in creative activity. No dues are levied upon the membership but plans are being made to purchase both instructional and fine art books and possibly invite professional advice at a later date, Mrs. Masson said. The group has grown to 12 members in its two months of existence and those interested in allied arts are also expressing interest. Mrs. Masson said she is thinking of opening her home for a craft group too or possibly holding an evening art session. Present members of the group are Beverly Young, Berniece Dodwell, Lucille Newton, Minnie Armstrong, Margaret Mullenix, Lisa Green, Nellie Masson, Marie Glover, Robert Betzel, Flossie Bonderson, Maude Selva and Grace Bascomb. Mrs. Masson says since her retirement from school teaching, she is finding many enthusiasms. She lives alone in the principal remaining building of the Masson property, one of the first structures built in the community. A gracious hostess, she is willing to discuss art with a chance caller or show her extensive old fashioned gardens or point out the early landmarks in the vicinity.

Site Scanned For Camp

YREKA—A new 30-acre site, 45 miles west of Red Bluff in Tehama County, is now being considered for the multi-counties boys camp by authorities in Siskiyou, Shasta, Tehama and Butte counties. This decision is the result of statements from officials from Butte County that indicated they would withdraw their support if the previous site in Modoc County was selected as the location for the camp. Supervisor Earl Ager of Tulelake stated that the Modoc officials were not in favor of the proposed site at Newell, but were agreeable to locating a camp at Hackmeador, about 40 miles south of Tulelake. Ager, who met with other county officials, last weekend at Woodland, California, stated he was not impressed with the recommended site in Tehama, since it lacked water and power facilities, and he further pointed out it would cost considerable money. Siskiyou County's share in the cost and operation of the proposed four-county boys camp will be 16 per cent. Estimated construction costs have been set at approximately \$120,000.

Area Student Honor Slated

FORT JONES — James Heinke, son of Mr. and Mrs. Olin Heinke, is to be awarded the Bank of America Trophy as outstanding student of his graduating class at Fort Jones High School, Principal Merlin McGinnis announced recently. Selection was made by school officials on basis of scholastic achievement, character, and participation in school activities. Heinke maintained a 2.75, or B plus scholastic average. He also holds three letters for participation in football and basketball at FJHS, and serves as secretary of his class. Other activities include study of the violin. Future plans include college, where Heinke plans to major in engineering or some other branch of science. Heinke's records were sent to the Regional Achievements Awards Committee in Redding. On the basis of these records he was selected to participate in regional competition at Shasta College April 23. Prizes will be awarded to three top fine arts, vocational arts, sciences and mathematics, and liberal arts students. Heinke will be competing with seven other trophy winners in the field of science and mathematics for a cash award and an opportunity to participate in the final selection event at Sacramento, May 15. Certificates of Merit were awarded by the Bank of America to Sandra Crader, daughter of Mr. and Mrs. Frank Crader, for achievement in vocational arts, and to Dean Chrechriou, son of Mr. and Mrs. John Chrechriou, for achievement in liberal arts.

Date Scheduled For Jury Trial

DORRIS — Judge Les Chase of the Dorris Judicial Court has set the date of May 12 for a jury trial for Donald Cunningham, 20, stationed with the 827 A.C. and W Squadron, Keno Air Force Station, Keno. Cunningham was arrested with four other young airmen last February by a California Highway Patrol officer. He was charged with driving under the influence of alcohol, speeding and possession of beer, to which he asked for time to get an attorney before entering a plea. He was given until February 27 to enter a plea and was released in the custody of Capt. Robert J. Bernard, operations officer of the Keno Air Force Station. The other four youths pled guilty to charges of possession of beer in a car. Judge Chase stated that the beer could not be considered in their physical possession as it was reported by California Highway Patrol to have been on the floor of the car. Judge Chase then set aside the guilty pleas. Shasta Students Tour College MOUNT SHASTA—Mount Shasta High School faculty member R. B. Manley Wednesday took a delegation of 16 Mount Shasta students on a tour that included both Chico State and Shasta colleges. The students, members of California Scholarship Federation, are being given an opportunity to see these schools with a view of choosing one for further studies. In years past Professor Manley has led delegations to both University of California and Stanford. Students from Mount Shasta are now enrolled at both these big colleges. HAM DINNER McCLOUD — Flake Willis, Mormon church official, said about 250 persons attended the fund-raising ham dinner held at the McCloud dance hall kitchen on April 18. Proceeds from the dinner are to be used for completion and furnishing of the Mount Shasta Branch Chapel.

Appeal Made For Clothing

MONTAGUE — An appeal for clothing is now being made by the American Friends Service Committee, Northern California Regional Office, to aid Algerian refugees. The regional office is experiencing an all-time low in clothing gifts. Of a 100,000 pound commitment for the year ending September 30, the association has shipped only 43,000 pounds. The need overseas is now principally heavy weight clothing for men, women and children. Mr. and Mrs. George Chandler of Yreka, members of the AFSC, are extending the appeal in Siskiyou County. Anyone wishing to contribute clothing may do so by taking it to the Serv-Ur-Self laundry at 180 East Miner Street in Yreka where the clothing will be washed and processed without expense to the donors. Mrs. Chandler may be contacted by writing to her at P.O. Box 483, Yreka.
