RAMBLER
"AMERICAN"
Today's BIG BUY
In SMALL CARS!

This is the car that really makes sense... combining Big Car Comfort features (plus many features not found in the bigger cars) with Small Car Economy and Ease of Handling!

This car was built in response to popular demand... in response to an expression of protest by the American people against the ungainly size, unusual power and unreasonable cost in automobiles. This is the car that you asked for, and
