

Souchak Leading Tourney

LAS VEGAS, Nev. (AP)—Pace-setting Mike Souchak mastered par for the third straight round Saturday, shooting a 4-under-par 68 to strengthen his lead to 1 stroke in the \$46,820 Tournament of Champions.

The muscular ex-football player, with previous rounds of 66 and 70, had a total of 204 strokes for the 54 holes of play.

Mike goes into Sunday's final round with a commanding lead over his nearest challenger, slender Art Wall Jr.

Playing the 7,073-yard, par 36-36-72 Desert Inn Country Club course, Souchak made the tour in 33-55-68 despite another afternoon beset with gusty wind.

Wall, recent winner of the Masters Tournament, made a gallant bid to keep up with Souchak, but the best the stylish professional from Pocono Manor, Pa., could do was 34-35-69 for 209.

One by one, with the exception of Wall, the opposition faded and fell back.

Souchak started the round with a 4-stroke lead over Wall. Julius Boros, John McMullin and Ernie Vossler.

Boros, after shooting a 35 on the front nine, took a 40 for 75 and a total of 215. Vossler had a 74 for 214 and the 23-year-old McMullin shot a 76 for 216.

Tied at 214 were Stan Leonard, last year's winner, who had a 70 Saturday; 5-time winner Gene Littler, with a 71, and Vossler.

Tied with McMullin at 216 was Doug Sanders with a 72 and at 217 were Arnold Palmer with 74 and Tommy Jacobs with 79.

Ken Venturi with 62 and Billy Maxwell with 73 were tied at 218 while further down the line were Cary Middlecoff, 75, Billy Casper, 73, both for 220.

Golden Bears Whip U of W

SEATTLE (AP)—California whipped Washington 72-39 in a track and field meet Saturday despite two disqualifications of its quarter-mile, Jack Yerman, for cutting in.

He cut sharply on Terry Tobacco of Washington as the two went into the second turn of the 440, then slanted in front of Tobacco again at the start of the relay's anchor lap.

Washington was awarded both races and its relay time of 3:15.3 was a meet record, beating the 4:15.9 clocking of California's 1958 team. Yerman beat Tobacco by four feet in the relay and Cal's time was 3:15.2. He had a wider margin in the 440 and a 47.8 time, compared to Tobacco's 48.5.

20 Year Bowlers

A special handicap singles bowling tournament for all Klamath Falls area bowlers who have at least 20 years' bowling experience behind them is scheduled for Lucky Lanes Thursday, April 30, at 7:30 p.m.

Entrants, who will be granted a 2-3 of 200 handicap for three game series, will vie for numerous cash and merchandise prizes, it was reported by a Lucky Lanes spokesman.

LITTLE LEAGUES GET BIG BOOST—Klamath Falls Exchange Club secretary-treasurer J. L. (Cal) Calhoun beams broadly as club president Bill Cooley, center, happily presents a check for \$739.22 made out to the "Little League Ball Park Benefit Fund" to Herald and News Sports editor, Wayne Scott, for deposit in the ball park account. The check represents the Exchange Club's entire profits from the Ken Jensen circus presented by the group March 28. The Exchange Club, one of the first local service clubs to endorse and support the intended Little League project, expect to make the circus an annual affair. The circus plan, instigated during the tenure of Noel Flynn as club president, was chairmanned by Paul Buck who was aided by the entire Exchange organization.

Good Golfing With Good

By Clark Good, Reames Golf Pro

This past weekend saw Reames Country Club taste defeat in the first event of the young golf season when Laurewood Country Club of Eugene eked out a 20-19 team victory in a match last Sunday.

Laurewood was led by Woody Ball who shot a 75, followed by Harvey Hixon. Laurewood pro with a 76. Yours truly led the Reames contingent with a 69 closely followed by L. Bill Gregory's 72.

The next team match will be a three way set to with Ashland and Grants Pass May 17, at Grants Pass. This will be the first meeting between the clubs.

The annual Basin tournament will end this afternoon. Carl Woods is back to defend his championship in the gross division but Andy Knudsen, KU football coach will pass the chance to defend his net division crown.

Qualifying for the President's Cup, our annual spring handicap play, is well underway with Ray Beeber's 76 leading the pack. Golfers will have through April 30 in which to qualify. Bob Harrahill is defending champion and poses a real challenge to anyone wishing to unseat him. Each player will play a match a week until eliminated.

The Reames Junior Golf group started its sessions Friday evening. This year the advanced group meets Friday afternoons. The intermediate and beginners groups meet Saturday mornings.

Three of the juniors, Mike and Denny Soran and Steve Good, are playing in the Basin Medals. We are hoping to have a bigger group of boys and girls enter the State Junior Championships in Portland later this year.

It was gratifying to see the largest group of women golfers ever to assemble on the course, Friday morning—at least since I have been on the job at Reames. Yours for Good Golfing.

Sugar Ray To Defend Boxing Title

NEW YORK (AP)—Sugar Ray Robinson, a former vaudeville hooper, danced away from a pair of light or elite ultimatums Saturday by agreeing to defend his middleweight boxing title against Carmen Basilio at the Los Angeles Coliseum Sept. 21.

Announcement of Robinson's acceptance came from Roy Warner, a San Bernardino, Calif., promoter, and was confirmed in New York by George Gainford, one of Robinson's managers.

Robinson was unavailable for comment. Gainford, however, said Robinson had agreed to a third—and long delayed—meeting with ex-champ Basilio for 45 per cent of the gate. Basilio, who would receive 20 per cent under current plans, had not agreed but Warner said he planned to go to Syracuse, N.Y., next week for further talks with Johnny De John, one of Carmen's managers.

Robinson's agreement came exactly on the April 25 sign-off by the National Boxing Assn.'s Executive Committee and three days after a similar edict set by the New York State Athletic Commission for May 7, was upheld by the New York State Supreme Court.

Robinson has not fought since he regained the title from Basilio on a 15-round decision at Chicago Stadium, March 25, 1958. Basilio took the title from Robinson by outpointing Sugar at Yankee Stadium, Sept. 23, 1957.

Caravan Totes \$\$ For Park

A caravan highly reminiscent of the days of Jacksonville, and so on, slowed traffic on the main street of Klamath Falls Saturday afternoon as it traveled to the U.S. National Bank on the corner of Sixth and Main streets with better than \$200 to be deposited in the account belonging to the Little League Ball Park Benefit Fund.

The caravan, consisting of a pair of obstinate, definitely obstinate burros, and Mary Bothwell, Beth Briggs, Orval Musgrove, Ed Gernue, Jim Holloway, T. C. Griggs, George and Audrey Thomas, came out of the hills with the "gold."

The gold was actually the result of a number of leagues bowling at Lucky Lanes, occasionally but not too well. Persons missing spares and blowing frames were required to ante up a certain stipend. The pot, bowling luck considered, amounted to the above mentioned sum.

The Little Leaguers who will ultimately benefit the bowlers' money raising plan, almost found their money being sidelined. Inconsiderate type mules. Slated to move down Main Street with the booty on their backs, the burros got a different impression of the proceedings.

What they did was refuse to budge, somewhere near the vicinity of East Main and Alameda.

With a little ulterior planning, the burros were finally convinced that Sixth and Main was their destination. They made it—and the ball park fund was richer for their effort.
