Bomb-Toting Youth Caught En Route To Castro Rally

NEW YORK (AP) — Police seized a young man carrying a homemade bomb Friday night as he tried to climb a barrier on 200 feet from where Fidel Castro was addressing a huge rally in Central Park.

They quoted the young man as saying later that he intended to touch off the bomb "for excitement."

"It was just for kicks. I didn't intend to hurt people," he said. The police bomb squad estimated the bomb had an effective radius of 300 feet.

The Cuban Prime Minister was addressing a cheering crowd of 35,000 from a band shell in the park. The shell was set off from the dark surrounding woods by dozens of police floodlights, and the heaviest police guard in New York City history surrounded Castro.

A wall of police separated him from the crowd in front, and behind the shell police had set up barriers to keep the area clear.

It was here, unknown to Castro and the crowd, that a blond, crew-cut young man wearing a pale blue windbreaker and cotton wash pants tried to climb over a barrier into the enclosed space. Immediately he was seized by a patrolman and a detective.

In a hip pocket they found a bulky metal tube, sealed at both ends. Police later reported it was a section cut from a vacuum cleaner handle, which had been filled with a mixture of sulphur and zinc, and sealed at one end with plaster.

The other end had been partly sealed with plaster, and contained several wooden matches and a cigarette, which police said was probably to act as a slow fuse.

While one of the policemen held

Old Method Of Branding To Be Shown At Lakeview

LAKEVIEW—Lake County will have an old-fashioned branding on May 16 at the 70 Ranch, owned by Warren Maxwell and Don Hotchkiss. The branding will start at 10 a.m. and last until 4 p.m., and is open to the public. Reservations should be requested through the Lake County Chamber of Commerce office in Lakeview.

A free barbecue, under the supervision of that well known Klamath Falls expert, Gib Fleet, will be served between 11 a.m. and 2 p.m. Jess Roberts of Lakeview is donating a 1,000-pound steer and another is being given by a Plush ranch. There will be plenty of food and drink for all. The beef will be served on wooden platters furnished by the local branch of the Western Pine Association.

This branding will involve the old method of head and heel roping and is not to be confused with modern methods. The affair is under the joint sponsorship of the Lake County Centennial Committee and Elks Lodge 1536. The Elks are making all the arrangements for the barbecue and the entertainment of visitors, as well as underwriting part of the cost. Bobby Howard is chairman for the organization.

Special invitations have been sent to all nearby chambers of commerce as well as cattlemen's associations.

As an added attraction, there will be a convention of the officers of the State Federation of Square Dance clubs. Many of these people will attend the barbecue and part of them will participate in the Saturday night festivities, which it is hoped can be held on the city streets in Lakeview.
