New Broom Sweeps Clean After Kansas City Vote

Editor's Note—Years ago, when the Boss Pendergast ruled Kansas, the city was a town renowned for its gaudy ways. Could there be another heady binge now that the reform administration, which wrested control from Pendergast, has been voted out of office?

By CALVIN MANON
KANSAS CITY, Mo. (AP)—Kansas City gave its 10-year-old reform government the boot last month. Now everybody's wondering what the outcome will be.

The chances are there won't be a return to those times. So far the new administration hasn't given any indication that any general opening up is contemplated. In any event, the situation today hardly is comparable with that in the 1930s.

Remembered are the gambling houses which operated so openly some even passed out advertising match books; the night clubs which featured the "business men's lunch," served by waitresses; the burlesque houses with the "dope chorus lines," the dope peddlers and just about every form of vice imaginable.

The afternoon of the switch in administration mean another heady binge similar to the one the city went through under the domination of the old Pendergast Democratic machine two decades ago?

Will the switch in administration mean another heady binge similar to the one the city went through under the domination of the old Pendergast Democratic machine two decades ago?

Custom Credit is the convenient, confidential way to buy what you like, when you like, where you like—simply by writing a check against your personal line of bank credit.

HERE'S HOW IT WORKS. Custom Credit is easy to arrange. You and the bank agree on the amount you can conveniently repay the bank each month over a 20-month period. For example, a repayment schedule of \$10 a month would give you a total line of credit of \$200. You pay nothing until you use your Custom Credit. Then you repay only the amount actually used in easy monthly installments. Payments include low interest charges.

You constantly rebuild your Custom Credit by making agreed-upon monthly payments. You do not have to repay the full amount used in order to write checks on your Custom Credit. No prepayment penalty.

Custom Credit buys anything!

You get a monthly statement.

Free insurance protection.

You fill out only one application.

Anyone may apply!

Your maximum Custom Credit is based on the monthly amount you agree to repay the bank, over 20 months. Here are some examples:

Monthly repayment of...	\$20	\$30	\$40	\$50
Provides total Custom Credit of...	\$400	\$600	\$800	\$1000

The United States National Bank of Portland

A REVOLVING LINE OF CREDIT

Why did the city finally turn on the citizens group after 18 years?

He didn't mention any name in his address before a group of Missouri University students, but it was evident he referred to the election of Charles Shafer Jr., on the coalition ticket. Shafer, elected four years ago with association endorsement, had been dropped by the organization in favor of another candidate.

He then received coalition support and was elected after campaigning as a severe critic of the administration.

Had he been reelected on the association ticket, that group still would have had control of the city.

Playday Set By Posse

The Klamath County Sheriff's Posse will hold a playday on horseback at the fairgrounds May 17 to which it invites all riding groups.

Especially invited, a 10-day Sheriff's Posse will include a barrel race, a Texas barrel race (against time) and a rodeo breakfast from 8 to noon, served at \$1 for adults and 50 cents for children.

The afternoon of fun on horseback will include pole bending and a Texas barrel race (against time) and a rodeo breakfast from 8 to noon, served at \$1 for adults and 50 cents for children.

The program begins with a buckaroo breakfast from 8 to noon, served at \$1 for adults and 50 cents for children.

The afternoon of fun on horseback will include pole bending and a Texas barrel race (against time) and a rodeo breakfast from 8 to noon, served at \$1 for adults and 50 cents for children.

Distributing Of Forms Set

MERRILL — Merrill Boy Scout Troop No. 7 in cooperation with the Merrill Fire Department will distribute to all the homes in the Merrill fire district home fire inspection forms and instruction sheets.

This project as part of the civic activities program is to help home owners to check their homes for fire hazards and make people aware of fire hazards.

A. K. Fell, city fire chief, asks the Merrill citizens to welcome the Boy Scouts as they make their house-to-house campaign.

In addition to distributing the inspection forms, the troop has prepared a fire extinguisher case which is to be placed in the Merrill Recreation Hall. The Merrill Fire Department has furnished the needed fire extinguisher.

Earle Swift is scoutmaster of Troop 7.

Radiation Fiares Told

WASHINGTON (AP)—The general advisory committee of the Atomic Energy Commission said today that average worldwide radiation resulting from all atomic bomb tests so far is less than 5 per cent of the normal radiation in the air.

The group stated also that the radiation from the atomic bomb tests is "less than 5 per cent of the estimated average radiation exposure of the American public to X-rays for medical purposes."

The statement was released in the third day of hearings before a Senate-Atomic Energy subcommittee on radioactive fallout.

It was approved unanimously by the nine committee members. They are civilian scientists and engineers. Warren C. Johnson, vice president of the University of Chicago, is chairman.

One AEC scientist testified Wednesday that, when all the fallout from tests already conducted has reached the earth, radiation from bomb debris will reach 10 per cent of the maximum permissible level set by an international radiation committee.

The evidence brought in so far prompted Sen. George D. Aiken (R-Vt.) to say the hearings have made clearer than ever the need for success of efforts to halt or curtail weapons tests.

Pupils Partake In Music Festival

Several Klamath Union High School music students have been chosen to take part in the select high school band and choir appearance in the Music In May Festival at Pacific University, Forest Grove, this weekend.

Students chosen from the a cappella choir are Kay Detrol, Mona Chenoweth and Barbara Bennett. Those selected from the band are Larry Chitwood, Cheryl Willey, Dale Turner and Bert Willett.

The students left Klamath Falls this morning. They will climax a period of intensive study with a concert Saturday night, May 9.

A second recent honor for the music department is the appointment of Lamar Jensen, director of the marching and concert band at KUMS, to conduct the festival band of 200 pieces at Pacific University, Jensen, at present, state band chairman, has been active in Northwest band circles for 15 years.

Guam, an island in the Pacific Ocean, became a possession of the United States after the war with Spain in 1898.
