

Out of the hospital . . . but not out of money!

*New York Life's lifetime
hospital and surgical expense plans
can help protect you from
being financially "wiped out"
by illness or injury!*

Today, financial recovery from accident or illness can be swift and painless. That is, if you're covered by one of New York Life's lifetime hospital and surgical expense plans. One plan is issued from ages 18 through 60, another from ages 61 through 75. Both are guaranteed renewable for life! Premium rates can't be changed unless they're changed for everyone in your policy class. And benefits can't be reduced—even after you reach age 65! Why go through the years worrying whether hospital or surgical bills will go through your bankroll? Ask your New York Life agent for more information about these plans. Or just mail the coupon at right.
