

Quips and Quotes

V. I. P.

We've never had a week-end guest
As whimsical as he,
Nor one who seems more unimpressed
With hospitality.

To please him is quite arduous,
In fact he is a champ
At making monkeys out of us—
His doting Gram and Gramp.

—Dorothy Rockwell McWood

Most any husband will jump at his wife's
bidding—if she's his partner at bridge.

—D. O. Flynn

By the time some young men begin think-
ing seriously of a college education, they're
ready to graduate.

—Quote

I'm a Mere Piker, Dear!

I stretch the truth with fish that got away,
Yet my exaggeration isn't carried
As far as yours, my love, when you portray
The virtues of the men you could have
married!

—Hal Chadwick

The Untrained Tongue

What I Wanted To Say

The pressing nature of my business
makes it impossible to accept the nomi-
nation at this time.

Lady, I've been waiting for the doctor
for three hours. You tell him if he
doesn't see me in five minutes, I'm
leaving!

No use flattering me. My income is
not that large! Count me out of this
charity drive!

Cry all you want, but you are not
going to bring that dog home with you!

I work hard all day and when I come
home, I expect to be able to read my
paper in peace.

What I Said

Really! Me the secretary of the PTA!

Pardon me, miss. Got any other
magazines I could read?

You'll take a check, won't you?

Well, what would be a cute name for
him?

Have you got a dry dish towel?

—George C. Schlegel

"... it was a box of flower bulbs, and they mailed it to me a month ago."

Now! Easier,
surer protection
for your most
intimate marriage
problems

Tested by doctors...
trusted by women

1. Germicidal protection!

Norforms are safer and surer than ever! A highly perfected new formula re-
leases antiseptic and germicidal in-
gredients right in the vaginal tract. The
exclusive new base melts at body tem-
perature, forming a powerful protec-
tive film that permits long-lasting
action. Will not harm delicate tissues.

2. Deodorant protection!

Norforms were tested in a hospital
clinic and found to be more effective

than anything it had ever used. Nor-
forms are deodorant—they eliminate
(rather than cover up) embarrassing
odors, yet have no "medicine" or
"disinfectant" odor themselves.

3. Convenience!

These small vaginal suppositories are
so easy and convenient. Just insert—
no apparatus, mixing or measuring.
Greaseless and keep in any climate.
Your druggist has them in boxes of
12 and 24. Also available in Canada.

Don't diet yourself into
CONSTIPATION

As you may know, there's a
good reason why folks who go
on diets often have trouble
with irregularity. For when-
ever you change your eating
habits, and particularly when
you eat less, you may not get
enough good bulk food. And,
of course, lack of bulk in the
diet is one of the common
causes of constipation.

But, fortunately for people
who want to lose weight, there
is a way to get back on sched-
ule naturally—without going
off your diet. A safe, deli-
cious way. It's the Kellogg's
All-Bran way.

You see, just a half-cup of
Kellogg's All-Bran—only 95
calories—provides all of the
good bulk you need for gentle,
natural regularity.

So if you'd like to stay on
a diet, and stay regular, too,
try Kellogg's All-Bran with
milk. It's America's favorite
whole bran cereal, you know
... now by 3 to 1!
