

IT PAYS TO BE ON THE SUNNY SIDE of the highway as these pictures prove. They were both taken a week ago today at the Klamath County line near Diamond Lake. The line happens to be right at the summit of the Cascade Mountains. The two signs pictured above are almost direct-

ly across the highway from each other and are the same height. The only difference is in the amount of snow melt. One runs out of the snow by the time he reaches Diamond Lake.

Egypt Church Faces Split With Naming Of Monk

CAIRO (AP) — The enthronement of a former hermit monk as patriarch of Egypt's Coptic Church is threatening a split with the church's Ethiopian branch.

Gray-bearded Mina Albaramousy Almetawahed, whose last name means "The Solitary," was formally named Kyrillos V, "161st successor of St. Mark, founder of the Coptic Church and beloved disciple of Christ," in a ritual Sunday.

A congregation of 2,000 watched as the 57-year-old prelate was led to the base of seven steps.

Before the altar he shed his black robes for the rich vestments of patriarch and received his crown and golden scepter.

But only two Ethiopians, priests from the Ethiopian mission in Cairo, were present. On the eve of the enthronement the Ethiopian Church sent a letter to the Egyptian Coptic Church saying it did not recognize Kyrillos as patriarch. Egyptian Copts said the Ethiopians are threatening to elect their own patriarch, claiming that they were not fairly represented among the 486 electors who chose Kyrillos April 10.

The Egyptian church numbers more than one million. The Ethiopian branch is estimated at about four million. They have been linked since the 5th century though their relations have been strained since 1948.

President Gamal Abdel Nasser of the United Arab Republic on April 28 issued a decree recognizing Kyrillos. The Middle East News Agency said Ethiopian Emperor Haile Selassie also had sent a message congratulating him.

The new patriarch once worked for a travel agency in Alexandria. He became a monk in 1927 and lived in solitary in a cave in the desert for six years. Later he became abbot of a convent in upper Egypt.

The Coptic Church has been an independent branch of Christianity since the 5th century when it rejected the decrees of the Council of Chalcedon.

Three Drown In Accident

HAYTI, Mo. (AP)—Three passengers drowned Sunday when a speeding motorboat suddenly was swamped. Three others survived the accident on Wolf Bayou.

The dead were William Junior White, 20; his brother, William Wylie White, 14, and Nina Stumbaugh, 16. All three lived near Portageville, Mo.

Ed Crumley, a fisherman from Hayti, rescued Miss Stumbaugh's sister Vickie, and another girl, whose name was not known. The third passenger, Jim Cross of Portageville, swam to safety.

Witnesses said the boat suddenly dipped under water as it sped along the bayou.

Strauss Position Nixing Predicted

WASHINGTON (AP)—Sen. Clinton Anderson (D-NM) says he has a feeling Lewis L. Strauss will not win Senate confirmation as secretary of commerce.

Anderson has been one of the strongest opponents to Strauss in hearings on the nomination.

The Senate Commerce Committee resumes its lengthy hearing today. Sen. Warren G. Magnuson (D-Wash.), chairman of the group, said he hopes the hearing will end by the middle of the week.

The nomination will go to the Senate after the committee makes its recommendation. Several senators have predicted Senate approval.

Allied Chiefs Hold Meeting

BERLIN (AP)—Allied leaders gathered here today to honor the men and women who beat the Soviet blockade of West Berlin 10 years ago.

Soviet barriers on the highway-rail corridor to West Germany came down one minute after midnight May 12, 1949. West Berliners planned solemn ceremonies Tuesday to recall the moment.

Because of the new Communist threat against West Berlin, the long-planned anniversary celebration was turned into a new demonstration of Western support for the isolated city.

Guests of honor are 2 relatives—including 15 children — of 31 American and 40 British airmen who died in airlift accidents.

West Berlin newspapers hailed the return of Allied leaders who served in the blockade days. Topping the list were Earl Attlee and Robert Schuman, prime minister of Britain and premier of France at the time.

Their U. S. contemporary, Har-

ry S. Truman, could not make it. Representing the United States were Gen. Lucius D. Clay, then military governor of Germany and now board chairman of the Continental Can Co., and Brig. Gen. Frank L. Howley, city commander then and vice chancellor of New York University now. The airlift commander Lt. Gen. William H. Tunner, was flying here with some of his airlift pilots. Tunner now commands the U. S. Military Transport Service.

People On Relief To Be Given Aid

CLEVELAND (AP)—With poor relief rolls near their recession peak here, Cuyahoga County today starts handing out federal food surpluses to persons on relief.

It is the first time since the depression of the 1930s that surplus foods have been used here. County Welfare Director John J. Schaffer said some 30,000 persons will be eligible to receive food. This represents 10,000 cases on poor and soldiers relief and aid to the blind, dependent children and disabled.

Earliest known record of a theatrical production performed in England in the American colonies was "Beare and Ye Cub, Ye" in Virginia in 1663.
