### Sunday School Holds Rites

FORT ROCK — A combination promotion time and Mothers Day observance for the Fort Rock Community Sunday School was held on Sunday evening, May 10.

Pupils received certificates of promotion and those entering the junior class were presented with Bibles. Debbie Whitmire read a poem about the Bible following the presentation. Others receiving Bibles were Roger and Randy Bothern, Bobbie Lee and Kenneth Morehouse, Walter McGee and Bob Heller.

Mrs. Charles C. Miles, the eldest mother in the community and a long time student of the Bible, spoke to the group, emphasizing the importance of the Bible as a source of instructions for living. She urged its daily use, lifted up its contents and message.

Singing and a family film, "A Chance to Grow," were also included.

Dave Whitmire was in charge of presentation of flowers to the mothers. He was assisted by Paul Allison, Bill and Alan Parks, Douglas Hergert and Debbie Whitmire.

Donna Hergert and Bill Parks announced the program. Donna and Wanda Zvir were in charge of refreshments. Planning and conducting the service were responsibilities of the junior high class of the Sunday School who are also 4-H Club members.

Teachers of children's classes the past year have been Mrs. C. W. Boley, Mrs. Earl Lyman and Mrs. Bud Parks.

### Toastmasters Use News Ads

Modoc Toastmasters Club members tried a novel approach to public speaking at a meeting Tuesday morning.

Dr. Mark Kochevar clipped newspaper ads and distributed one to each of the prospective speakers. They, in turn, had to speak impromptu for a minute and a half each, on the merits of the product described in the ad.

Paul McAtee, toastmaster, introduced the five speakers for the morning. They were Bob Davis, Dr. William Holford, Bud Smith, Cecil Drew and Dr. Bob Harrahill.

General Critic Frenchie Richard was assisted by Gene Stratton, Bud Smith, Dr. Raymond Tice, Joe Mercer, Chet Clark and Lee Shafer in evaluating the various speeches.

Dr. Bob Harrahill and Dr. William Holford tied for first place honors in a contest to determine the best speech presentation. They received a trophy from Joe Mercer, last week's winner.

Gene Risse was the day's timer.

### Medico's Death Termed Suicide

PORTLAND (AP)—The body of a Portland physician, who had been missing since April 10, was found in a Portland motel Monday. Police said Dr. Thomas Philip Staats, 49, had committed suicide.

Staats, who last year was head of the medical staff at Portland's Holladay Park Hospital, was making arrangements to move to Des Moines when he vanished last month.

Police said that he had turned up the television sound and placed pillows over his head in an effort to muffle the fatal shot from a .32 caliber revolver.

## A Refreshing Tradition

Your neighborhood tavern is part of the American tradition. Like the inns of olden times, today's tavern provides a friendly haven for relaxation and refreshment. Some equally refreshing traditions have been established in connection with light Olympia Beer. It has been brewed by three successive generations of the founding family ... under the original policies and quality standards ... with the same source of naturally perfect artesian brewing water ... since 1896. The brewers of Olympia salute the modern tavern proprietor for keeping alive the traditions of hospitality for which the tavern has always been noted.

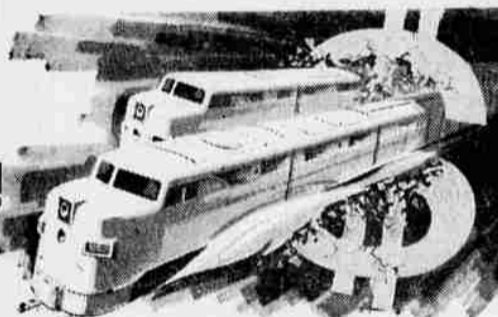

**"It's the Water"**  
that makes Olympia Beer refreshingly different

Visitors are always welcome to "One of America's Exceptional Breweries," Olympia Brewing Company, Olympia, Washington, U.S.A., every day between the hours of 2:00 and 4:30. \*Oly \*B
