Dunsuir BPW Installation

DUNSMUIR — "Harmony" was the theme of the installation ceremonies of the Dunsuir Business and Professional Women's Club held on the evening of March 27 at the Travelers Hotel.

Mrs. Ruth Walter, incoming president, was escorted forward by Mrs. Maudine Adams, retiring president, and presented with the symbol of her office by her mother, Mrs. Emma Smith, a BPWC member and also a past president of the Dunsuir group.

Mrs. Grace Pickthorn presided at the installation ceremonies and gave an introductory address on harmony in color and music and in business and social relationships. Each incoming officer was given a blank scroll, symbolic of a new chapter in the club's history.

Mrs. Marie Glover, vice president; Mrs. Marjorie Young, secretary; and Virginia Martin, treasurer, were also installed.

Dieter Heinrich, American Field Service student, was the guest speaker of the evening. He showed colored slides of his home city, Frankfurt, Germany, and of other parts of his native country. Members had an opportunity to see older parts of Frankfurt and portions restored following the war damage. Dieter also explained the

plight of German citizens living in Russian occupied Germany and the influx of refugees to West Germany. Several of his relatives have escaped to West Germany, he said, and he thus has a first hand knowledge that those remaining are given no choice but to conform to the Russian policies.

Richard Bastiani, a student of Mrs. Ottilia Schabacker's, played a piano selection. The tables were decorated with driftwood, musical notes, miniature ballerinas and spring flowers.

In the business session, Mrs. Adams gave a resume of the conference in Anderson, summarized the activities for the year and expressed her appreciation to the membership for their assistance.

Upon taking office Mrs. Walter announced the following chairmanships for the ensuing year: Signe Gilson, career advancement; Grace Pickthorn, international relations; Eleanor Harrison, finance; Emilie Gibson, emblem, Ruth Asher, political promotion; Esther Penman, small business promotion; Elsie Ellington, women in public office; Mildred Childs, health and safety; Ottilia Schabacker, music; Maudine Adams, national security; Golda Huddle, public relations; Winnie Sherman, public affairs; Nellie Masson, partitions; and Emma Smith, membership.

VOLATILE
NEW YORK (UPI)—If warmed brandy doesn't flame when you pour it over cold food, you may have heated the brandy too much before igniting it. A few seconds in a shallow pan over a low flame are usually enough to raise brandy to the correct temperature without burning away the alcohol prematurely.

A BRIDE SHOULD REMEMBER
NEW YORK (UPI)—The volume of beaten egg white is increased when eggs are at room temperature.

SUIT CONTRAST
The white hat is sparkling contrast for a spring suit, or coat in a vivid color. And shoes sometimes are matched to hosiery in color, blue, blue or apricot.

ception of Mrs. James Periera's dancing students for the purpose of raising funds for the treatment of cystic fibrosis.

If you have trouble getting the bottom pie crust to brown, try a dull finish glass or aluminum pie plate.
