

**A HEFTY SHOOTIN' IRON**, the 75 millimeter "Skysweeper" antiaircraft cannon will be manned by its keepers, members of the Klamath County National Guard unit, at an Armed Forces Day display at Kingsley Field Saturday. Guardsmen in the picture are, from left, Sp-3 Bert Hegler, M.Sgt. Allan Cosand and M.Sgt. LeRoy Lofdahl. The Guards early warning surveillance radar equipment also will be on display.

### Timber Men Protest Tax

EUGENE (AP) — A protesting caravan of 100 log trucks rumbled around the Eugene Hotel Thursday night as Gov. Mark Hatfield spoke inside.

"Taxation Without Representation," read huge signs plastered on the big rigs, driven by members of the Independent Log Truck Drivers' Assn.

The drivers objected to Hatfield's recent veto of a Legislature-passed bill that would have brought them under the Oregon Public Utilities Commission, given the commissioner power to fix rates and require PUC permits to operate in Oregon.

Hatfield, inside, was fully aware of the demonstration, but did not see it.

He told members of the Willamette Valley Hoo Hoo Club, a lumbermen's fraternal group, he vetoed the bill on the advice of the public utilities commissioner and after checking with officials in Washington and California where such laws are on the books.

The governor said he would call a conference "to prepare some ideas that might more properly be enacted into law."

As he spoke city, county and state police joined in an attempt to keep traffic moving as the trucks thundered around and around.

### Merrill Soldier In Reich Named To Army Rifle Team

MERRILL—Donnie Heaton of Merrill, stationed with the Army in Germany, has been selected a member of the Fourth Armored Division All-Army Team Marksmanship Detachment.

He competed with the division's team in the Army's European rifle and pistol matches in Grafenwohr April 20 through 24 with more than 500 of the Army's best marksmen, stationed in Europe.

Sp4 Heaton will compete in all-Army competition in June and in the national rifle and pistol matches in August and September at Camp Perry, Ohio.

He and the detachment will arrive in New Jersey May 19. They will report to Fort Benning, Georgia and will then tour the country for four months demonstrating their marksmanship skill. The 20-man team will be in the U.S. until September 18.

During the period, Heaton plans to visit his parents, Mr. and Mrs. Norby Heaton of Merrill; his wife, Claudia, and his young son, also of Merrill.

Heaton is regularly assigned to the Fourth Armored Division's Marksmanship Detachment in Erlangen, Germany. He entered the Army in March, 1957 and arrived in Europe the following November. He was graduated from Merrill High School in 1954.

### ICC Cool Toward Meet

WASHINGTON (AP) — Rep. Walter Norblad's suggestion for a conference with Oregon officials and representatives of railroads and shippers drew a negative response Thursday from the Interstate Commerce Commission chairman.

Kenneth H. Tuggle, the ICC chairman, in a reply to Norblad, an Oregon Republican, discounted the effectiveness of such a conference as a possible means of easing the annual shortage.

Tuggle said he gladly would meet with the Emergency Transportation Committee established by Oregon's Gov. Mark Hatfield and other interested parties.

In view of steps already taken by the commission, he said, "I seriously question whether a general conference of the kind suggested in your letter would be fruitful in increasing the supply of cars to meet shipper demands in Oregon."

Tuggle said large quantities of cargo originate in states other than Oregon and these points must be considered.

"Much of the burden for making cars available," he added, "rests with the railroads, in the areas serving destination and hold points, to see that cars are not needlessly delayed."

### Oregon Weather

### Over The Garden Gate

CHEMULT — Chemult Garden Club members installed new officers recently in a ceremony conducted by Mrs. William Taylor, past president.

Mrs. Verne L. Brader was installed as president; Mrs. William Matt, vice president; Mrs. Conley W. Elms, secretary-treasurer. The newly elected officers will take office at the next meeting of the club on May 29 at the home of Mrs. Ralph Bell.

Outgoing president, Mrs. Grant W. Damon, was presented with the Oregon State past president's pin and congratulated on her successful year in club work. Under her guidance, a Christmas lighting program, junior program in which two posters went on to state competition, husbands night and a flower show were held.

Hostesses for the evening were Mrs. Cap Jessup and Mrs. R. E. Jessup.

Plans were made to attend the state convention in Portland and

it is hoped to have several members attend.

Mrs. Verne Brader, Mrs. Grant W. Damon, Mrs. Jane Priest and Mrs. William Forster attended the Cascade District meeting in Culver and visited the Cove State Park in the canyon of the Crooked River near to the point where the Crooked River joins the Deschutes on its way to the Columbia.

### BRIGHT NOT SUNNY

LONDON (UPI) — Mr. Bright complained in court Thursday that Mr. Cave shut out the sun from Bright's house.

Reginald Cave put his house in a permanent shadow, Albert John Bright charged, when he built a second story on his shop.

Bright settled for \$980 in damages.

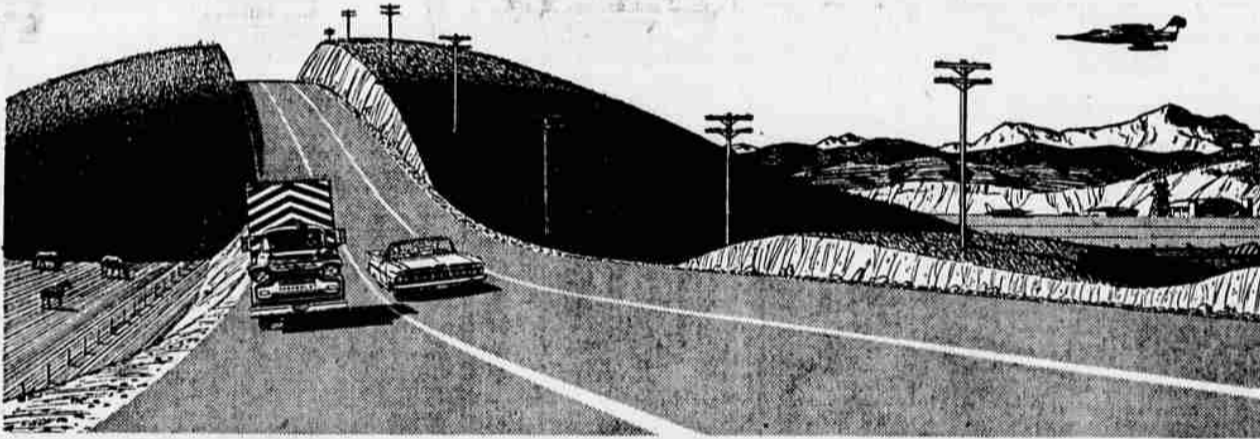

The U.S. Air Force Academy near Colorado Springs represents an investment of 136 million dollars.

### ACTRESS GETS DIVORCE

PARIS (UPI)—Shapely French movie queen Martine Carol was granted a divorce Wednesday from the producer-husband she said she "never saw." A French court concluded the 35-year-old blonde, who became famous for her movie nude scenes and husband Christian Jacque were guilty of "reciprocal wrong" in neglecting each other.

## CHEVY'S THE HOTTEST ONE AGAIN!

## HOTTEST LOOKING, HOTTEST SAVING,

A V8-powered Impala Convertible... unmistakably '59!

## HOTTEST SELLING OF THE LEADING LOW-PRICED 3

What we mean—this new Chevy's gone and whipped up a one-car heat wave. Its fresh, flashing style (nothing warmed over here!) caught on right away, of course. And on no other American car will you find a V8 that actually puts out better

than one horsepower for every cubic inch of displacement. As for getting the most out of a gallon, a pair of Chevy 6's came in one-two in their class in this year's Mobilgas Economy Run—ahead of every other full-size car. And the winning average

over the Los Angeles to Kansas City route was a hot 22.38 m.p.g. But, impressive as these records are, they can only hint at why Chevrolet's '59's hottest selling car. To really find out, just drop down to your dealer's and drive one.

No wonder more people are buying Chevrolets than any other car!

Try the hot one—see your local authorized Chevrolet dealer!
