

Tulelake Garden Club Host To Klamath District Clubs

EXQUISITE FLOWER arrangements with the touch of artistry found only in the Land of the Setting Sun, Japan, were demonstrated for members of the Klamath District Garden Clubs at Tulelake on May 8 by visiting Mrs. Pricilla (Harry) Uno of Seattle. Representatives were present from the 10 clubs of the district in a building at the Tulelake-Butte Valley Fairgrounds. Mrs. Uno, in handsome imported Japanese kimono and sandals, wove magic into her arrangements. She has studied widely in Japan and this country and has shared her art with many hundreds of flower arrangers on the Pacific Coast. Here, she used white chrysanthemums, rare white broom and asparagus fern in container atop a Japanese stand. Lower shelf holds dainty arrangement of pink blossoms. Tulelake Garden Club was host to district clubs. Mrs. Uno was introduced by Mrs. Hugh O'Connor, Klamath Falls, Oregon State Federation of Garden Clubs landscape chairman, who assisted for Mrs. Charles Thurman, district program chairman.

FLOWER GARDEN of Northern California and Southern Oregon produced a galaxy of blossoms for arrangements made by members for the meeting of the Klamath District Garden Clubs as a fragrant greeting to Mrs. Harry Uno, well-known flower arrangement artist from Seattle, who was present May 8 at Tulelake to demonstrate Japanese art in the use of flowers in the home. A business meeting was held in the morning before the luncheon served by members of the Tulelake Grange in the grange hall. One hundred and five garden club members registered for the meeting.
