National Walkout Threat Denied By Union President

MINNEAPOLIS, Minn. (AP)—Although he said he favors system and industry bargaining, Teamsters Union President James R. Hoffa says his union never would call a national walkout.

He denied making the threat of such a strike in a talk at Brownsville, Tex., and reiterated an earlier claim that he had been misquoted.

But, Hoffa added, he does not feel to have been "victimized" by the press because "I can handle myself."

Hoffa, here to talk with Minneapolis and St. Paul Teamsters, said his union would abide by any restrictions Congress imposes in new laws. "Burt," he added, "we reserve the right to have the advantages as well as the disadvantages of any new legislation."

Told that Sen. John F. Kennedy (D-Mass.) had made a speech Thursday night in which he ac-

used Hoffa of a "public-be-damned" attitude, he said Kennedy would "do well to examine his own remarks to see whether he is talking in the best interests of the working man."

Holding himself to be a responsible labor leader, Hoffa told a news conference that a man is entitled to any position the people he represents want to give him. He complained that about a third of the last 18 months he has spent contending with the Senate committee studying labor racketeers.

Hoffa repeated that he would be willing to appear before that group concerning his Brownsville remarks about a national strike.

At that time, he was quoted by Whitey Sawyer, Associated Press reporter, as having said, with respect to possible restrictive laws: "The only answer is that if such a law is passed, we would have all our contracts end on a given date. They talk about a secondary boycott. We can call a primary strike all across the nation that will straighten out the employers once and for all."

The same quotation was carried by at least two southeastern Texas newspapers.

Secretary of Labor James P. Mitchell called the threat the most arrogant and brazen thing he ever heard.

CHILD SUPPORT
LOS ANGELES (AP)—Fernando Lamas, 43, husband of actress Arlene Dahl, must pay \$1,500 a year for support of his 12-year-old daughter by a previous marriage. The Argentine-born actor agreed to that amount after conferring in court with his ex-wife, Lidia, 34. Their daughter, Alexandra, lives in Buenos Aires.

All members will reassemble at the hall for a banquet following the meeting.

Sen. Kennedy Blasts Hoffa

BUFFALO, N.Y. (AP)—James R. Hoffa, president of the Teamsters Union, is mistaken if he thinks the threat of a nationwide strike will block legislation he doesn't like, Sen. John F. Kennedy (D-Mass.) says.

The union president has been quoted as threatening such a strike if Congress should pass restrictive labor legislation. He has denied the statement, which was attributed to him in a speech at Brownsville, Tex., last Tuesday.

Kennedy, in a speech here Thursday night, said Hoffa's threatened strike was "a general strike such as those which have paralyzed less stable nations with less powerful governments in the past."

Hoffa was reported to have said that a nationwide halt would be ordered if Congress placed unions under antitrust laws.

"I have never favored placing unions under antitrust laws," Kennedy said.

Police Chief Said Missing

OSWEGO, N.Y. (AP)—Police Chief Howard Branning, his wife and their young son are missing from this Tioga County seat, a center for much of the investigation of the notorious Apalachin gangland conclave.

Branning, 35, has not been seen since Monday. His wife and son John left their home by automobile Thursday.

"I don't know where the chief is," Mayor John Day said. "He certainly is missing."

On Monday, two auditors from the state comptroller's office began checking records of the Oswego Police Department. The auditors would tell newsmen only that they had been ordered to examine village records.

Police said Branning and a patrolman left here Monday morning to drive a new police patrol car to an Endicott garage for a checkup. The patrolman reported that the chief left the garage and said he would get another ride back to Oswego. The distance is 13 miles.

His wife told a reporter she had no idea where he was.
