DIFFICULT COLORS

Some colors are difficult to wear in any season. Deep purple. Dark green. Very bright red. Electric blue. Deep pink. These are the ones to pass by no matter how much they may tempt you as bargains. They're bargains because other women find them hard to wear, too.

RINSE OFF SOAP

Leaving soap lather on the skin after washing makes the skin taut and also may make you feel itchy. It also makes little sense, because the lather holds the loosened dirt that you were trying to wash off in the first place.

Grand Officer Visits Auxiliary

YREKA—High point of the May meeting of the Siskiyou Ladies Encampment Auxiliary No. 15, was the official visit of the grand matriarch of the Grand Ladies Encampment Auxiliary of California, Teresa Collins of Capitola, California. The meeting was conducted by Chief Matriarch Winifred Kirkpatrick in the Odd Fellows Hall in Yreka.

Past Grand Matriarch Ruth Hammond of Fort Jones, escorted the visiting grand matriarch to a seat of honor, as were C. F. Hammond, junior past grand patriarch, and the past grand matriarch, Ruth Hammond.

Following a talk by the grand matriarch, she was presented a gift from the auxiliary, which was a hat created in four colors. The presentation was carried out in a clever skit, enacted by all past chief matriarchs who were Mrs. Lucile Baker, Mrs. Shellie Hallmark, Mrs. Helen Hitchcock, and Mrs. Clara Henderson. Each wore a cleverly designed hat with matching handbag in colors to represent the four seasons of the year.

Another presentation was made by C. F. Hammond to the grand matriarch on behalf of members of Siskiyou Encampment No. 15. The evening was concluded with the serving of refreshments by Mrs. Beatrice South, Mrs. Ruth Hammond, Mrs. Alice Singleton, and Mrs. Winifred Kirkpatrick.

Serve a plate of watercress, romaine, lettuce and sliced cucumbers on the picnic spot to perk up those hearty sandwiches.

Preceding the installation a business discussion was held concerning the foreign exchange student program being promoted by the Clipper Club.

With the conclusion of installation ceremonies the new officers assumed their duties and conducted the final portion of the meeting.

Verna Lukensmyer, president, appointed the committees for the
