Solon Learns New Language

COLUMBUS, Ohio (UPI)—Stephen M. Young has advised the homelinks that he had to learn a new language when he became a U.S. senator and began dealing with Pentagon generals this year.

The Ohio Democrat gave these translations of Washington gobble-dy-gook:

"It's in process": The matter is so wrapped up in red tape the situation is almost hopeless.

"We'll look into it": By the time the wheel makes a full turn, we assume that you'll have forgotten about it too.

"Program": Any assignment that cannot be completed by one phone call.

"Expedite": To confound confusion with commotion.

"Channels": The trail left by inter-office memos.

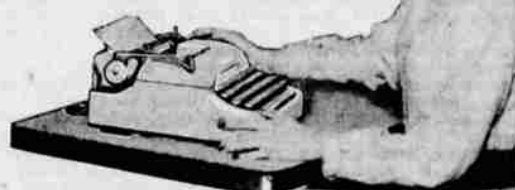

"Coordinator": The guy who has a desk between two expeditors.

"Reorientation": Getting used to working again.

"We're making a survey": We need more time to think of an answer.
