In testimony prepared for a House Labor subcommittee, Meany contended that "grave and irreparable harm to the United States trade union movement" would result from Senate changes in the original bill introduced by Sen. John F. Kennedy (D-Mass.). "We support legislation that will do

### Sheriff Slain By Gunman

TAYLORSVILLE, N.C. (AP) — "The sheriff and I walked through the back door into the hall and started upstairs. A little more than halfway up I heard a shot. The sheriff turned and fell into me. The only thing he said, was, 'Oh Lord, I'm shot'." That was the way Deputy Sheriff Joe James described the slaying Tuesday of Sheriff Thomas E. Beber, 53. The officers had gone to the home of Jones Ellis to investigate a family argument. They were starting upstairs to talk to Ellis' son, Willard, 38, when the sheriff was hit in the back by a .22 caliber bullet. Jones Ellis had complained that his son was throwing rocks at the house, and had telephoned the sheriff's office for help. Willard barricaded himself upstairs after the shooting. A neighbor, R.Z. Matheson, finally persuaded him to surrender. Willard first was jailed here, but later was whisked to a Statesville jail when a crowd formed. Coroner L.M. Warren, who will act as sheriff until county commissioners appoint a successor, said Willard was being held without charge. Beber, who was starting his third four-year term as sheriff, is survived by his widow and five children.

### Ex-Teller Faces Charge

SAN FRANCISCO (UPI) — Joseph F. Pearce faced a charge today of faking a holdup at a bank where he worked as a teller and opening an account with half the loot reported missing.

FBI agents said Pearce, 25, admitted the holdup he reported March 31 was a hoax, but he denied he had taken the \$2050 missing from his cage. Pearce was fired from the job he held for two years and arrested yesterday on a federal complaint charging him with filing false information and withholding material facts from the FBI.
