

THE CONQUEROR STOPS — California hardtop race driver Nick Porter, bends to receive his prize, a bust from the comely Miss who presented him the Class A trophy in last week's races at the Eberlein Street Speedway. Porter heads a contingent of California drivers who threatens to make prize-winning a problem for the local drivers when the races begin this afternoon on the speedway. Time trials will begin at 4:30 and the first race of the eight-event card will get underway at 5 o'clock.

Fraley's Facts & Figures

By OSCAR FRALEY
NEW YORK (UPI) — Fearless Fraley's facts and figures:

A lot of people are going to have to eat a lot of crow if Casey Stengel brings those Yankees home on top in the American League race this season.

During past years, his feats were shrugged off in many quarters. The chief theory was that he had the talent and all he had to do was push the buttons. But when the Yankees dropped to last place, it was generally agreed that the stars were worn out, the farm system hadn't produced and even an "overrated" manager couldn't win with this kind of a ball club.

So here comes Casey, like Sherman marching through Georgia. And if the Yankees win then everybody will have to admit his greatness as a pilot.

DISCLOSES "SECRET WEAPON"
Artie Towne, the erudite mid-dleweight who is one of Ingemar Johansson's sparring partners, discloses the "secret weapon" which the Swede will carry into action when he shoots for Floyd Patterson's heavyweight title at Yankee Stadium on June 25.

"The way he stands, his body conceals his right hand," Towne explained. "It comes at you fast out of the blind spot created by his body being semi-turned. Remember, Patterson has been downed by fighters with right power — and this Swede's right can shake the fillings out of your teeth." — Ingemar's weakness is that he exposes the left side of his body.

If you don't think Willie Mays is great, you can take it as a fact from Lew Burdette of the Milwaukee Braves.

"I don't know how Willie stays in this league," says loquacious Lew. "He ought to be in the next league higher, whatever it is..." — the American League.

HAS BENEFITED HUNTER
Missile and rocket research, even if it winds up putting us all in outer space, during the interim has at least been of benefit to the hunter. This research developed a method of controlled fusing of tungsten carbide to metal and has produced a "flame edge" hunting knife regarded as the greatest cutlery advance since we first came out of the waiting caves.

This sticker holds its edge long enough to dress out a half-ton moose without re-sharpening and has stayed sharp after 350 hours of peeling pineapples. . . . So if you have any moose or pineap-

Costly Extra Fish
Luther Durham, 48, 2012 Main Street, pleaded guilty in district court Friday to exceeding the bag limit while fishing on Klamath River Thursday. State police said Durham had 11 fish in his possession. The limit is 10. The fine was \$7.50.

Good Golfing With Good
By Clark Good, Reames Golf Pro

The Elks golf tournament highlighted the activity at Reames this past week with squads from throughout the state competing for both team and individual prizes. The team from Ashland, composed of Sullivan, Hutchinson, Pritchard, and Pearson, was in a tie with the team from Milwaukie with a net score of 294 as the column went to press. More than half of the field was still on the course.

Charles Sullivan, Ashland, with a 73 gross led early individual scores with Eddie Hall, Lakeview, following with a 76.

Team scores: Ashland 294; Milwaukie 294; Grants Pass 298; Ashland 307; Oregon City 316; Lakeview 316; Heppner 326; and Seaside 346.

In our own President Cup play Gus Anderson was the first man to reach the finals by defeating Jim Ray 1 up. He will play the winner of the match between Mel Miller and Bob Alexander.

Our next tournament will be the Centennial Invitational. This tournament will be a 27 hole one day play with \$500 in merchandise prizes awarded to winners of the three handicap divisions. The handicap divisions will be (0-7), (8-15), (16-up). Local divoteers are urged to place their entry either

PR To Start Season Cage Slate At KU

The Klamath Falls Park and Recreation Department's summer basketball program will get underway on June 15, according to Dean White, who will supervise the entire schedule.

Players 15 and older will begin at 7 p.m. Monday, June 15, in Pelican Court and will continue Monday through Friday nights until July 31.

Boys aged 12-13 and 14 will start sessions at 10:30 a.m. Tuesday, June 16, and continue at the same time daily for the same period as the older group.

Boys entering the program are required to provide their own shoes, socks, trunks and towel.

"Any boy who wishes to play basketball will have the opportunity," commented White. "He will play in actual games at every session he attends, regardless of ability," he added.

White, the head basketball coach at Klamath Union, will personally supervise and instruct at each of the daily sessions.

KF Basinettes Humble Maids
The club looks like a state championship team this year, smiled coach Jim Hughes after his Klamath Basinettes pounded the Rogue Valley Dairy Maids 14-8 in Eagle Point Thursday night.

The Basinettes, Klamath Falls only ladies softball team reached three Dairy Maid burlers for 11 hits and capitalized on six enemy errors.

Credited with the victory for the KF nine was pitcher Joy Adreon who went the full distance, allowing eight hits.

Leading the Basinette power parade at the plate was first baseman Ruth Hagelstein who collected a triple and three singles in five trips. Outfielder Darlene Perry contributed a pair of singles in three charge at-bats.

Starting Rogue Valley hurler, Ellen Callahan, was charged with the defeat. She was relieved by Doris Hickson who was chased in favor of Pat Barron before the test was over.

The Basinettes, who have split with the Dairy Maids so far this season, get another chance when they meet the Maids here June 18.

Frank Detz Spins Men's No-Hitter
Veteran Frank Detz pitched the first no-hitter of the 1959 Men's Softball season Thursday night as Hal's Sport Shop defeated Moulding Craft, 8-1.

Dale Cunningham backed up Detz's brilliant feat by blasting out a two-run homer to right center-field which highlighted a seven-run fourth inning uprising by the winners.

Detz's shutout was ruined in the first inning when Moulding Craft tallied their lone run on a walk, hit batsman and an infield out.

440-yard relay—Vancouver, B.C. Olympic Club (Sandra Sankey, Pat Russell, Kathy Chubb and Heather Campbell), 50:7. Old record 54:7 set by the Tacoma Mick Macs in 1958.

A Belmont Park crowd of 36,486 backed Mrs. Halina Braunstein's Royal Orbit down to 1-2 favorite-in-fact but the big California-raced chestnut finished third.

Black Hills, who missed the big races this spring because of colic, went under the wire two lengths ahead of Howard B. Keck's Baghdad, another California 2½-against-the-odds colt. It was another 2½-lengths back to Royal Orbit.

Wheatley Stable's Irishman, only other horse in the race for 3-year-olds, was last. All four are eligible for the \$120,000-added Belmont, final jewel in the Triple Crown which includes the Kentucky Derby and Preakness.

Black Hills paid \$13.10. Because of the small field, there was win betting only.

Black Hills, son of Princequillo-Blackie 2nd by Congreve, ran the 1½ mile in 1:49. His purse was \$18,000, his biggest of the year.

Black Hills, pulled alongside B a 4 and ½, the pacesetter, with three-fourths of a mile to go. Royal Orbit trailed in fourth.

At the far turn with half a mile to go, Black Hills opened up a half-length lead. With one-quarter of mile left, Bobby Ussery sent Baghdad into the lead.

Then Arcaro applied the whip. Black Hills zoomed through on the rail to take a lead at the eighth pole. Then he drew clear.

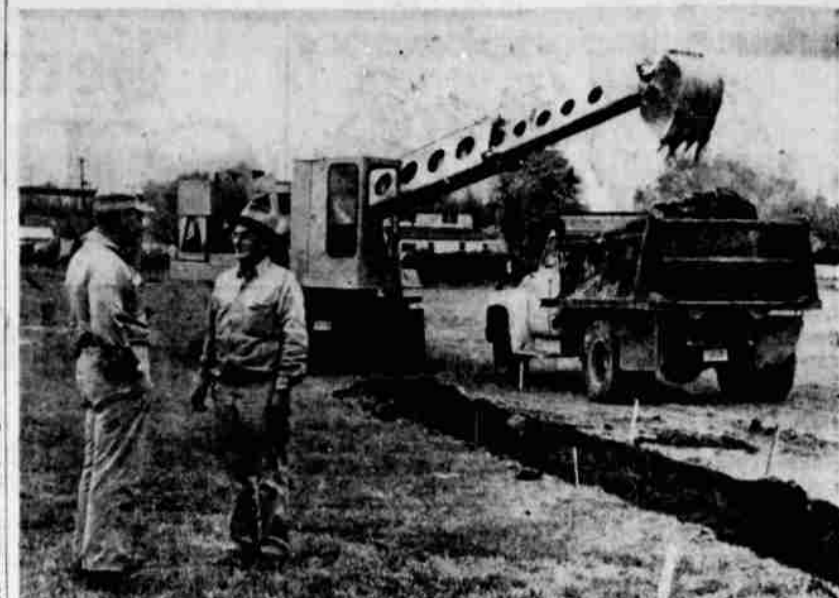

LA Rams Gain Bob Reifsnnyder
LOS ANGELES (UPI) — Naval Academy lineman Bob Reifsnnyder had no trouble finding a job when he was discharged from the Navy earlier this week. He's the latest addition to the Los Angeles Rams.

The Rams Friday signed their unexpected "plum" from the last National Football League draft in a matter of hours after he received his medical discharge.

The 21-year-old midshipman graduated three days ago from the U.S. Naval Academy as "anchor man," or last in his studies in the 1959 class. Reifsnnyder's discharge was the result of an injured achilles tendon.

In his junior year at the academy, the 6 foot, 2 inch lineman was an outstanding performer. The injury allowed him to play only briefly last fall.

A Rams spokesman said Reifsnnyder had undergone surgery and that his tendon now was all right for playing football.

LITTLE LEAGUE VOLUNTEERS IN ACTION—Ray Davis, right, checks with construction boss Harold Sherman, left, as his equipment, the Grade-All in the background breaks ground on the Mills Little League Park project. Davis, like Sherman and Steven Dunne, who is providing the dump truck pictured, volunteered their services to help speed the building the new home for Klamath Falls Little Leaguers.

Littler, Youngster In Tie

BALTIMORE (AP) — Dave Ragan, 23-year-old pro seeking his first golf tourney victory staged a sensational rally Saturday to tie front-running Gene Littler for the Eastern Open third round lead at 203 strokes.

Ragan, a Florida golfer playing out of Chattanooga, Tenn., made up six strokes on Littler on the back nine holes to pull even going into Sunday's final 18.

Ragan, a Florida golfer playing out of Chattanooga, Tenn., made up six strokes on Littler on the back nine holes to pull even going into Sunday's final 18.

Ragan, former Southern Intercollegiate champion, reeled off five straight birdies in his late drive for a 66, six under par.

Littler, 28, from Singing Hills, Calif., was fading at the same time after leading through the first two rounds. He bogeyed three times in a row and saved himself a tie with a birdie on the last hole to wind up with a one under par 71.

Ed (Porky) Oliver of Denver, who had tagged Littler by a stroke during the first two rounds, fell back into a three-way tie by taking 73 strokes. Don Whit of Borrego Springs, Calif., shot 69 and Henry Ramsom of St. Andrews, Ill., 70 to tie Oliver at 206.

Billy Maxwell of Odessa, Texas, was next with a 70 and 207 total. Ragan and Littler were a total of 13 strokes ahead of par.

Hill Climb Set By Motorcyclists
This afternoon at 12:30 the "Little Angels," a Klamath Falls motorcycle club, will stage a hill climb on a course just off the Oregon Tech Road.

Signups for the event will be completed by 1 p.m. at which time the program will begin.

Top bike riders from Northern California, Medford and Klamath Falls will compete for numerous trophies awarded by many local business firms.

Among the local daredevils who will perform are Ken Stratton, Doug Kohler, Mike Marek, Henry Lucht, Chuck Stall, Marvin Joiner, Boyd Casper, Dave Vincent, Dean Johnson, Les Zigler and Ray Zalunardo.

Club officials noted that while there is no minimum age limit for competitors, riders under 18 years of age must present written consent of their parents before being allowed to compete in the event.

Cycle Club Founded
"The Gripsters," an organization of Klamath Falls motorcycle enthusiasts, has scheduled a business meeting Tuesday, June 9, at 8 p.m. in the Moose Lodge.

The group was formed last week from a nucleus of local riders. Persons interested in joining the club may contact Marvin Joiner at TU 4-9572 for additional information, or they may attend the Tuesday meeting.

Woods' Weekend Shorts

SAN FRANCISCO (UPI) — Saturday's shorts:
Lou "wrong-foot" Campi, the bowling wizard, claims three crowns at the same time: He holds titles in bocci-ball, skittles and bowling. His latest love is skittles (which is a game, not a food). In six months of competition, he has lost only one match.

Ragan, a Florida golfer playing out of Chattanooga, Tenn., made up six strokes on Littler on the back nine holes to pull even going into Sunday's final 18.

Wreck Cause Of Quitting
ST. JOSEPH, Mo. (AP) — "I never thought I'd just quit race driving like that, but I'm done as of now."

Those were the words Saturday of a stock car race driver competing for a \$10 purse whose machine sailed into a crowd of 500 spectators at a dirt track Friday night, injuring 23 persons, two of them critically.

The driver, Albert (Bud) Neidel, 30, St. Joseph, a truck driver, suffered a bruised shoulder.

He spoke from the bedside of his 8-year-old son, Ronnie Lee, one of the two critically injured. He and his wife, Betty had been at the boy's bedside throughout the night.

"Betty wanted me to quit a long time ago," he said. "I like to drive and I'm not afraid, but I'm done."

Neidel and Jerry Hayes, Topeka, Kan., were leading in the fourth lap of the five-lap race. Neidel said his car was sideswiped at the turn, shot over an embankment, jumped a wire fence and landed upside down in the bleachers amid the screaming spectators. He estimated his speed at 60 m.p.h.

Neidel was strapped in his car and was not seriously injured.

ROLL 'EM
By November, on a three-mile stretch in San Francisco there will be three bowling alleys in operation with 108 lanes going 24 hours a day. Bowling men claim there are 14,000,000 men bowlers and 7,000,000 women keglers in action regularly in the United States today.

Prediction: The world record for the 100-yard dash will be lowered to 9.2 at either the National AAU or NCAA meets this spring. Also in the hot-pot. In the 100 it could be Roscoe Cook of Oregon. Ray Norton of San Jose State or Bobby Morrow, ex-Ahlene Christian; in the shot it has to be either Parry O'Brien, the current world record holder, or his 19-year-old arch-rival, Dallas Long, the University of Southern California freshman.

The once-powerful Pacific Coast League, which drew attendance above the 4,000,000 mark in one season, won't draw more than a third of that this year. Loss of Los Angeles and San Francisco franchises hurt — but with the league's best city, Seattle, in the basement, things are getting worse.
