

JUNE IS DAIRY MONTH

DELICIOUS!

ECONOMICAL!

NUTRITIOUS!

In lush green country meadows, graze the peaceful dairy herds that supply you with nature's finest and tastiest foods—milk, butter, cheese, and cream. These products are rich in health and energy-building vitamins and proteins so essential to all human nutrition.

Easy to digest, light and refreshing on hot summer days, your family will be so delighted with the menus you plan using dairy foods. They're economical, too! So here's to your health and well-being, with lots of dairy foods!

Salute June is National Dairy Month
