

GET BACK ON SCHEDULE

Millions of people have found a safe, gentle way to regularity, and you can, too! It's the Kellogg's All-Bran way, and there's a good reason why this way works.

You see, one of the common causes of irregularity is lack of bulk in the diet. Laxative drugs which contain no bulk can do nothing to correct the cause of this trouble.

Kellogg's All-Bran, on the other hand, is a whole bran cereal. And bran is nature's best bulk-forming food. So just a half-cup of Kellogg's All-Bran with milk provides all of the bulk needed for consistent regularity.

If you'd like to try this common-sense way to get back on schedule, without the use

of harsh laxative drugs, try Kellogg's All-Bran. You know, it is now America's favorite whole bran cereal by 3 to 1.

Quips and Quotes

My Son, the June Groom
I've borne and reared this handsome man
Through years and years of toil,
'Mid days and nights of diaper pants
And quarts of baby oil.
I've walked the floor to still his cries
And boiled his gruel and bottle,
I've kissed his bumps to make them well
Since he first learned to toddle.
I've washed his ears and wiped his nose
And taught the Golden Rule,
And filled him full of vitamins
And sent him off to school.
I look with pride upon this man
And rejoice in what I've taught him,
But now that all the hard work's done—
Some other woman's caught him!

I like to be up and doing!

When Queen Elizabeth of England arrived in one big city on her last tour of the New World, she expressed the desire to see one of the community's most distinguished citizens, an eminent psychiatrist.

The doctor's nurse entered his office with the announcement: "Queen Elizabeth is here and would like to see you."

"Oh," said the doctor, absent-mindedly, "and how long has she thought she's the queen?"
