DELMAR HAWLEY

Lad To Leave For Academy

Delmar Hawley, who was graduated this year from Klamath Union High School, will leave the morning of June 25 for the Air Force Academy at Colorado Springs.

Then, early on the following morning, he will be swallowed up by the academy and shot away from all except military life until September 7, when quarantine and basic cadet training are completed.

Hawley received an appointment to the school from Sen. Richard Neuberger. He subsequently passed a rigid physical examination. His parents, Mr. and Mrs. Vance F. Hawley, Klamath Falls, received a warp letter of congratulation from the senator.

Opinion Given In Slay Case

GRANTS PASS (AP) - Mrs. Frances Irene McCurdy, recently released from the Oregon State Hospital after being confined since her two children perished 11 years ago, still is under commitment to the hospital and cannot yet be tried for the deaths of her children, a judge said Monday.

The unsigned opinion by Circuit Judge Edward C. Kelly of Medford was issued Monday and was challenged immediately by Dist. Atty Max D. McMillin, who filed a motion asking the judge to reconsider his opinion.

Judge Kelly also said two murder indictments against Mrs. McCurdy were drawn by an illegally constituted grand jury. The name of a substitute grand juror was drawn from a trial jury panel instead of from the entire panel, he said.

The judge overruled McMillin's motion to dismiss the original murder indictment, accusing Mrs. McCurdy of murdering her son, Paul Bernard, 9. He was returned in 1948.

Judge Kelly said any further proceedings against Mrs. McCurdy "cannot be undertaken without a report from the proper officer of the Oregon State Hospital that he is of the opinion that the defendant is able to understand the proceedings and assist in her defense."
